## Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

### Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

**Road Trips** – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

**Day Trips** – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

**Open Road Racing** – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

**Drag Racing** – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

**Autocross** – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

**NCRS** – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

**Car Shows** – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in the Dallas Autorama. On the first Saturday of each month, you’ll find a bunch of us at Cars & Coffee in Plano, “kicking tires” and telling tall tales about our cars.

**Displays and Parades** – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

**Lone Star Corvette Classic** – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

**Club Meetings** – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

GH Hodges  
President

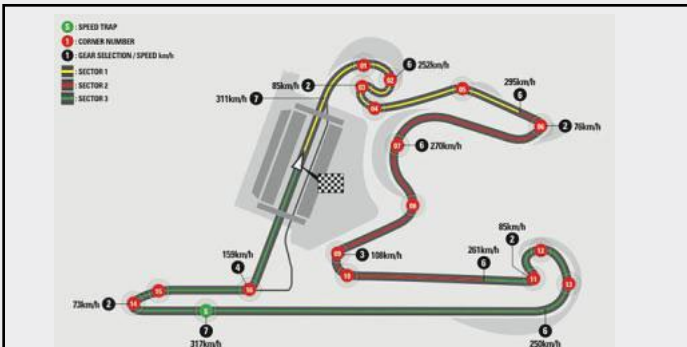

Corvette Racing has recently announced that the finale of Corvette Racing's 20<sup>th</sup> year of competition will be at the **2018 World Endurance Championship** in Shanghai, on November 16-18. This C7.R will be the first factory-run Corvette to compete in Asia, and it will sport the very cool variant of the Redline livery (see photo below). This livery is being used across the portfolio of GM cars in China.

The **6-Hours of Shanghai** will take place on the 16-turn, 3.4-mile **Shanghai International Circuit**. Corvette Racing will compete in the **LMGTE** class as they did in 24 Hours of Le Mans, so you'll see Corvette's usual nemeses Ford, BMW, Porsche, etc. This will be fun to watch.

We are but a few days away from one of America's great days of celebration of our independence as a nation. I hope you have an opportunity to share the splendor of the opportunities that our country provides us everyday with your friends and loved ones. Be safe. Be thankful. And, give a nod to the brave people who gave of themselves to preserve this land that we enjoy...with America's Sports Car.

**Good Friends, Great Cars!**

Thank you to  
Classic Chevrolet and Thompson Group  
for being our sponsor.

July is here and normally we would be gearing up for Summer and the Texas heat, however someone forgot to tell Mother Nature! As you know, we had the hottest months of May and June in recent memory. Not to worry, most of our Corvettes are air conditioned and if not, just drive fast to generate a breeze.

Remember to log into the LSCC website frequently and review the Event Calendar to see all the posted activities and trips. We also have Autocross at Brookhaven College every 3<sup>rd</sup> Saturday through October. Several members will be participating in the Corvette Invasion in Austin in July and many more will be taking part in our annual "Big Trip" to Colorado in Aug. The trip is to Steamboat Springs, CO for Vettes On the Rockies and other spots in hopefully a cooler climate. The all-in trip will be from Aug. 18 through the 30<sup>th</sup>, but participants can join or leave as they wish. We can also look forward Fall trips in Oct., to Eureka Springs, AR and Sulphur Springs, more details on those will be posted on the website soon.

If you are interested in any of the posted trips, please be sure to sign up on our website so the trip coordinator is aware of your intent. Depending on the trip, you may also need to sign up or register on their website as well, but that information should be explained on our site.

Our next meeting will be on July 14th at Fat Daddy's, new N. Fort Worth location – 6730 Fossil Bluff Drive, Fort Worth, TX 76137. This location is on the East side of I-35W and North of Western Center Blvd. Please do not confuse this with their Mansfield location where we have held previous meetings and will do so again in August. I have booked meeting sites for the balance of this year and most of 2019, but we are always looking for new venues to accommodate our growing membership. If you know of a location that can seat over 100, would open early on Sat. and accept individual checks, please let me know. As always when we meet in restaurants, please support them by purchasing lunch, otherwise we run the risk of losing them as a meeting venue.

**Have a safe and fun 4<sup>th</sup> of July celebration of the birth of our nation.**

**Good Friends, Great Cars....**

## NCM News

So much news came out of the **NCM Bash** in April that I was only able to share the Corvette related news in June. This month I will share some exciting news concerning plans for the Museum and Motorsports Park.

Long overdue, it was announced that a building addition is in the works. If you have visited the NCM recently you know the exhibit areas are bursting at the seams. Because of this many Corvettes owned by the Museum are in storage.

In addition to exhibit space the construction will contain much needed office space. While the Museum has experienced significant growth since opening in 1994, the office area has not been increased, creating severe overcrowding.

The planning process has begun with architectural drawings to be completed next year. The original construction start was scheduled for 2021, but that could be pushed to 2020.

The completion of more exhibit space is three or four years off, and in the meantime the NCM is frequently adding to the scores of cars on loan and over 80 owned by the Museum. In addition to donated cars, acquisition of automobiles of significance in the history of Corvette are planned.

To house the ever-growing collection, the Board of Directors approved funding for a 12,000 square foot warehouse on the Museum grounds. This building will be climate controlled to preserve the cars. An idea being discussed is to offer a "behind the scenes" tour that would include the warehouse. Construction will start as soon as bids can be received and approved.

Also approved for this year are renovation of two exhibit galleries. The Performance area will be enhanced and updated right away. Work will progress to the Gateway, which will be made more obvious and inviting to guests.

At the **Motorsports Park**, the first phase of long-term garages was offered for rent. With 80% leased, construction has begun and a second phase is being planned.

Also announced at the member meeting is an agreement approved by the Board concerning the 10.5 acre commercial tract at the front of the Motorsports Park property. The local economic development authority will fund the construction of a 30,000+ sq. ft. building. The NCM will receive income from leases as owner of the ground. Additional buildings could be built on the tract

depending on demand.

Another action related to the Motorsports Park was announced. The NCM has an option on 205 acres adjacent to the MSP. The option expires at the end of this year. The owners have indicated they will not renew the option at the existing price, as it is below market. The Board has voted to exercise the option. This property could very well be sold, but the Museum plans to control development to eliminate any chance of noise complaint issues.

Finally, the NCM announced some final numbers from 2017. Amazingly the sinkhole publicity continues to pay off. Attendance was 228,744, a slight increase over 2016. Every year since the sinkhole year of 2014, attendance has been over 200,000. The only other year over 200,000 was the 1999 caravan year with 200,800.

So, as the Museum approaches its 25<sup>th</sup> anniversary in 2019, there is good news on all fronts.

On a different subject, please be aware that the club has rooms blocked for the 24<sup>th</sup> Anniversary. This August 30 through September 1. The block is at the Hilton Garden Inn in Bowling Green. Contact Johnny Downs 214/384-8565 or [ediewoww@aol.com](mailto:ediewoww@aol.com) for reservation instructions, and for anything else NCM.

# Competitive Events

David Orrick, Competitive Events Officer

**Autocross** is held at Brookhaven College and the next one will be July 21<sup>st</sup>. We use a parking lot at the college so speeds are obviously slower than other forms of racing, but the activity level can be higher than even Formula One due to the large number of elements which are packed into each course. The requested donation is **\$15 per car**. Helmets are required and loaners are always available.

**Drag Racing** is on summer break for now. The Fall racing season will start up again in September. These tracks are only 1/8 or 1/4 mile long, about the same distance as when you floor it to merge onto the freeway. Point standings are partially based on participation, so everybody that comes out helps. Don't worry if you've never done it before, there will be plenty of folks willing to help. Contact Martha Kaus if you have any questions.

**Open Road Racers**, Sandhills Open Road Challenge is a 55-mile rally style open road race through the scenic Nebraska Sandhills on August 8<sup>th</sup> – 11<sup>th</sup>. Contact Mike Black at [OpenRoadRacing@LoneStarCorvetteClub.com](mailto:OpenRoadRacing@LoneStarCorvetteClub.com) for further information. This is not the only open road race that the group goes to during the year. Please check the web site for other events and times.

**Rally**, the club does not sponsor rallies at this time but I will tell you about the SCCA group that will be holding the "DFW Map Rally" on Saturday, Aug. 18th. They offer the popular GTA (Games, Tours, Adventures) rally, often known as the "gimmick rally". Speed is not a factor in these events. The teams are given a set of route instructions which tell them where to go so that all teams follow the same path to the ending point of the rally. Watch (<http://www.texasscca.org/rallytime>) for more information on this event.

For **High Performance Driving Education** (oft-en known as "Tracking your car" contact [Mike Krieger](#). This is NOT RACING, this is legally driving at speed in a very controlled environment. To be placed on the "Track Hound Newsletter" mailing list and receive information on local HPDE events, [CLICK HERE](#).

As always, watch the club web site for updates and new listings.

## A Corvette Lifestyle Event

You drive a Corvette! It is time to enjoy the rewards of ownership. The Lone Star Corvette Club has paired with an upscale Dallas bar for a unique opportunity to interact socially with fellow Club members. Join us for a special Corvette event at The Tippy Alchemist on **Monday evening, July 30<sup>th</sup> 8:00pm-11:00pm.**

The Tippy Alchemist 2101 Cedar Springs Rd., Suite R-125 Dallas 75201 (469) 899-7080

Website: [www.TheTippyAlchemist.com](http://www.TheTippyAlchemist.com)

A special treat will be the presence of William Rodriguez, the owner of William's Cigars in Dallas. He is considered in the top 20% of the 600 master-rollers certified by the Cuban government to produce Cuban cigars. Mr. Rodriguez was born in Cuba and emigrated to Dallas in 2010 where he makes his living performing his trade at private events. With his seventeen years of experience, he is able to build every shape and size specific to Cuban cigars. His specialty is building a custom cigar using criteria set by his customers. Note that Mr. Rodriguez uses the finest tobaccos from Central America since it is still illegal to import Cuban tobacco into our country (American tourists may bring back a limited amount of finished cigars from Cuba for personal consumption) If you are a novice cigar smoker or have been curious about cigars, here is your chance to learn all about this sophisticated pleasure. Cigars will be sold at the event (for as low as 4 cigars for \$20). You may choose one that has already been hand-rolled or, have a custom cigar made while you watch!

**The only thing that is more luxurious than a great drink and a great cigar  
is enjoying both with your fellow LSCC members!**

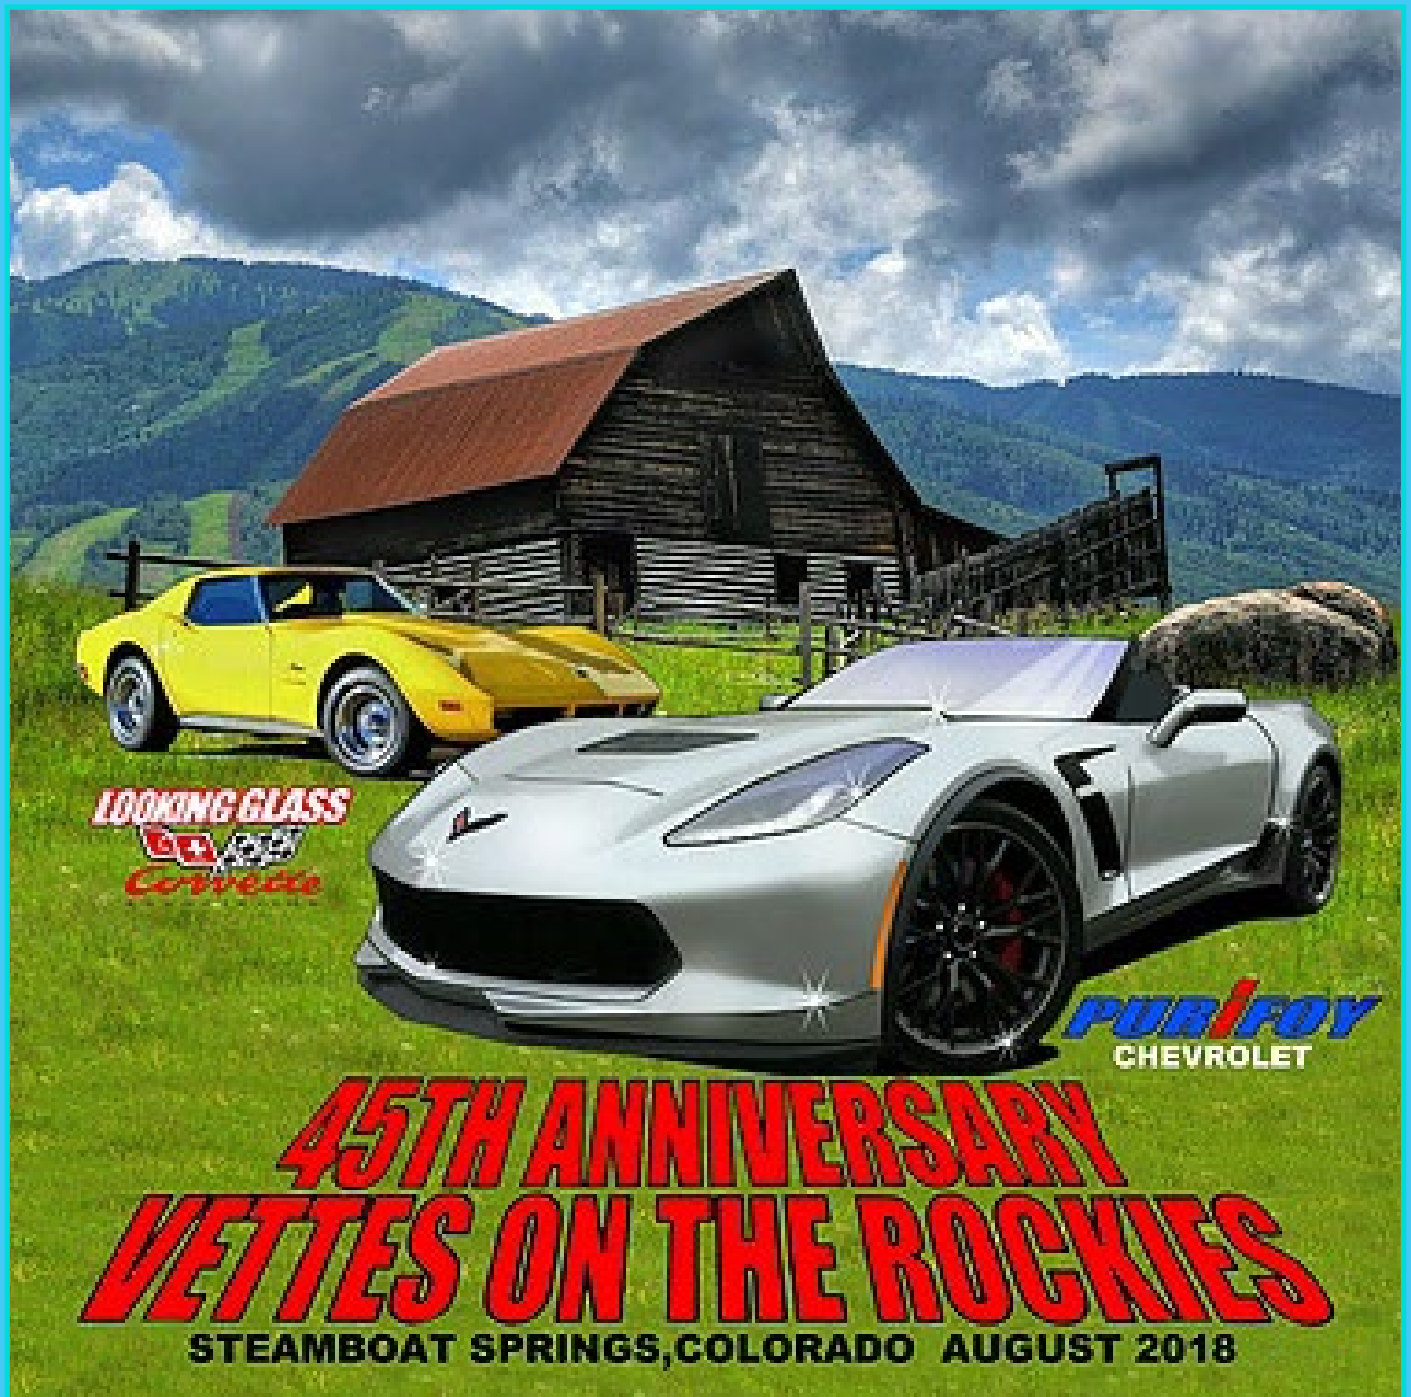

Note: a special Corvette area will be reserved for Corvettes in the nearby parking garage with FREE parking after validation at the Tippy Alchemist. This event is limited to the first 50 LSCC members who register, so register today!

# North Texas Corvette Roundup

September 14 - 15, 2018

[Ken Burks](#) - Coordinator

For 30 years LSCC members put the trip to the Roundup in Wichita Falls at the top of their "must do" list. The show ceased to exist after 2011 but has been back in force for the last two years. The great folks at WCCA have seen to it that great fun has been had by all. As evidence LSCC has had over 30 cars at the show both years.

If you have not been with us to a Corvette show, this is the perfect place to start. It is barely over 100 miles to the show. So join us and caravan on Friday, come on your own Friday evening or Saturday morning. You can easily make it before the show opens.

One of the greatest things about this show is that the entire event is held at the Holiday Inn. You never have to leave the property.

Friday night will be a cookout and social activities at the convention facility. The awards dinner and auction will also be held there Saturday night. The car show will fill the day Saturday with food trucks on premises to satisfy your hunger and thirst.

Tentatively, we will have three caravan assembly points on Friday. The first two will depart at 2:00 pm. One will leave from the TMS parking lot just south of the south tunnel and Speedway Club. The second will meet at the Shell station on the north side of US 82 in Lindsay, about four miles west of I-35. A third group will assemble at the roadside park just north of Decatur on US 287. There they will join the group from TMS as they come by about 2:30 pm. All three groups will then combine at the Jolly Truck Stop just outside Wichita Falls to the hotel.

The hotel always fills to capacity, so it is imperative to make a reservation now at the:

## It's Showtime Again for the Mecum Auction

**Craig Satterfield - Coordinator**

This year the fun begins on Wednesday, October 3rd and continues four days until Saturday, October 6th. This event requires over 100 of our members and guests to drive all types of vehicles from every era and style. This event is not only one of the most fun things we do, it also benefits the Club with thousands of dollars every year. In fact, in the last six years, we have raised almost \$47,000 for the Club.

This year the Mecum Auction will be broadcast nationwide on NBC Sports Network. We will be in the same place we have been the past six years.

We anticipate about 1,200 cars going across the auction block over the four days. We will need a minimum of 40 volunteers per shift to make the auction run smoothly. This is a great opportunity for Club members to invite car buff friends to come with you to volunteer and enjoy the ride.

To participate, please go to the Club Events page to sign up for the shift you plan to work. There will be one shift on Wednesday and two shifts on the rest of the days. If you are a newcomer, I would encourage you to begin your day on the first shift to go through the official training process. Please read the guidelines when you sign up. Free parking will be provided for our volunteers.

**Please sign up as quickly as possible because the slots fill in quickly.** See the schedule below for reference.

On a personal note, I would like to thank all the Club members who have volunteered in the past and come back every year with their experience and enthusiasm. I am proud that our Club continues to impress the Mecum representatives with our organization. I am grateful for the opportunity to serve both Mecum and LSCC in this great event.

Wednesday, October 3rd	First Shift	10:00 am - 5:00 pm
Thursday, October 4th	First Shift	8:00 am - 3:30 pm

# 28<sup>th</sup> Annual Eureka Springs Corvette Weekend October 4 – 7, 2018

[Wanted](#) - Coordinator

It is that time again to save the date on your calendar for one of LSCC's more popular events. I think Kristina and I have attended this event nine times. So, we obviously have enjoyed it as have many others who've been going much longer than we have! If you have never been on a LSCC caravan, I would like to reach out and invite you to attend a super fun trip this October. After all, who does not like to drive the best car made on some of the most beautiful roads in America, enjoy lies with friends during a nice meal and sharing in a well-run, activity-filled weekend with other Corvette enthusiasts. If this has a spark of interest, all you need to do is mark your calendar. More info to be provided in the next newsletter.

Unfortunately, Kristina and I will not be able to make this year's Eureka Springs trip and LSCC will need a coordinator for this year's trip. You maybe asking, "Can I be a Coordinator"? The answer is "Yes". All a coordinator needs for this trip, or any trip, is a heart to want to share with other LSCC members. Let me know if you are interested in helping me out and I will help you with all the planning support you may need.

# National Corvette Museum 25th Caravan

August 27 thru September 1, 2019

[Curt Troster](#) - Coordinator

In August of 2019, hundreds of Corvettes from all points of North America will converge on The National Corvette Museum in Bowling Green, Kentucky. This is known as the National Corvette Caravan, which celebrates every 5th anniversary of the NCM. There are all sorts of activities planned at the Museum from the 28th through the 31st.

LSCC is organizing a Caravan leaving the DFW area on Tuesday, August 27, 2019, merging with caravans from Arizona, New Mexico, and other parts of Texas. Our first stop will be Little Rock, Arkansas, where we will meet the Arkansas caravan for an evening function hosted by Bale Chevrolet. On the following day, August 28th, our grand caravan will depart for Bowling Green for arrival that evening.

I know this is still over a year and a half away, but it takes a lot to plan this event. My wife Sharon and I are once again local leaders for this event. If you have never been on one of these caravans it is quite an experience. At one point on the 2009 caravan there were 15 miles of Corvettes on one of the Interstates going to Bowling Green. For more info go to [nationalcorvettecaravan.com](http://nationalcorvettecaravan.com) or email me, Curt Troster, at [curtis.troster@xerox.com](mailto:curtis.troster@xerox.com).

You will notice this all happens the week before Labor Day, 2019. I need a general head count to give to the Arkansas Caravan group, so they know how many people to plan to accommodate at Bale Chevrolet. If you are interested please sign up as soon as possible. Hotel and other info will follow.

# CLASSIC DONORS **THANK-YOU!**

By Linda Shellberg

Each year, Lone Star Corvette Club members gather in May at the Lone Star Corvette Classic for two very important reasons: to enjoy "America's Sports Car" with our fellow 'Vette owners, and to see how much money we can raise for our permanent and rotating charities.

This year was no exception – while we're still finalizing the Silent Auction, we can report that the donations this year from the Classic will match prior years! In the Fall, when we disburse funds to the National Corvette Museum, Speedway Children's Charities, and Camp Grady Spruce, it's certain that LSCC Members and auction donors will know that great feeling of supporting fine organizations who do great work in our community.

Many Club Members helped with the Live and Silent Auction; a huge Thank You goes to Mary Ann Scheppler, Lou Hemler, Ric & Carolyn Atkins, Terri Krieger, Robert Shellberg, Steve Shellberg, Mark & Shelley Benton, Carolyn Elmore, Mike & Donna Dawley, Gary & Marilyn Bechtol, Paul & Barbara McComb, Glen & Kerrie Averhoff, Elaine & Gary Blend, Gary & Chris Nesta, Martha & Allen Kaus and granddaughter Paige, Darlene & Julius Bleker, Ted and Lana Gales, Mike & Michele Woolsey, GH & Gaila Hodges, Wayne Allen, Carl Walker, John & Rebecca Raiden, Nolan & Pat Graham, and Frannie & Jim Weidemeier. You guys are the best!

We're also grateful for the generous support from our business donors, many of whom are there for us year after year:

National Corvette Museum

Speedway Children's Charities

Texas Motor Speedway

Kurt Chase, The Automotive Edge

Lou Ann Nichols

LG Motorsports

Corvette World

Bad Boy Vette Customs

Allen's Custom Car Designs

NoviStretch

Griot's Garage

Corvette Corner

C-Magic

Zoom Apparel

Old Texas Brewing Company

Garage Experts

Chris Sorrells

Contractors Mark

In addition, we want to recognize several LSCC Members for generous donations to the Live and Silent Auction; most notably:

Glen Averhoff

Mary Ann Scheppler

GH Hodges

Ken Smith

Johnny Downs

Curt & Sharon Troster

Cary Conwell

Donna Dawley

Marilyn Bechtol

Michele Woolsey

Mark Bond

And last but certainly not least, are the volunteers who put on the Hot Wheels Races and man the Public Contributions table at the Car Show on Saturday of the Classic: Ralph & Sonja Teehee, Pat & Nolan Graham, David & Glenn Adair Wade, Judy & Terry Garrett, and Rick & Rita Hazen. With their cheerful greetings, free candy and fun hot wheels race ideas, they help with the fund-raising efforts tremendously!

It truly "takes a village" to fulfill our donation expectations, and the great people mentioned here go the extra mile, with a smile. We all thank you!

## MEMBERS BUSINESS MEETING MINUTES

Lone Star Corvette Club

Brookhaven College

June 2, 2018

**GH Hodges**, President called the business meeting of the Lone Star Corvette Club to order at 11:30 AM.

GH introduced the **LSCC 2018 Officers**:

GH Hodges, President

Johnny Downs, NCM Ambassador

John Raiden, Vice-President

Linda Shellberg, Public Relations Manager

Terri Krieger, Recording Secretary

Robert Shellberg, Classic Chevy Liaison

Carolyn Atkins, Treasurer

Carolyn Elmore, Financial Officer

Gary Nesta, Membership Officer

John Main, Technical Officer

Norm Glowicz, Newsletter Officer

David Orrick, Competitive Events Officer

Ken Burks, Recreational Officer

Ralph Teehee, 2019 Classic Officer

**Terri Krieger**, Recording Secretary requested a motion to approve the May 12, 2018 business meeting minutes as published in the June Newsletter. A motion was made, seconded and approved without discussion.

**Gary Nesta**, Membership Officer, introduced several new members. He also reported that LSCC has 1,247 members and 674 memberships as of June 1, 2018. A motion was made, seconded and approved without discussion to accept all the new members listed in the June 2018 Newsletter. Members with Anniversaries were recognized.

**Carolyn Elmore**, Financial Officer reported on the checking and savings account balances. A motion was made, seconded and approved to accept her report without discussion.

**MaryAnn Scheppler** reported that the Silent Auction has many items to purchase. She would like to sell the rest of the items to improve our charity donations.

**Rick Herrick**, Classic 2018 Officer reported that there were 200 cars in the caravan to the Stockyards and 184 cars parked at the Stockyards. Also there were 360 for the Saturday Dinner.

The question of refunds for the rained out Sunday Track Day was asked. Rick expressed that this is a complicated matter. Classic INC contracts with Texas Motor Speedway to have use of the Speedway facilities for three days, and that rental contract has no relief for rain. He further explained that in twenty years we have never been faced with the decision to cancel track day, and, consequently, no reference to cancellations has ever been addressed in our event registration paperwork. Since Classic INC depends on Track Day fees to satisfy the payment of the contract, the decision was made that there will be no refunds. Registration for future events will carry language explaining that there will be no refunds for Track Day cancellation due to events out of our control.

The meeting was adjourned at 11:50 AM.
