NEXT MEETING

Saturday, October 3, 2020

11:30 AM until 1:30 PM

210 E. Eldorado Parkway
Little Elm, TX 75068

Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

Road Trips – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

Day Trips – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

Open Road Racing – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

Drag Racing – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

Autocross – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

NCRS – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

Car Shows – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in Dallas Autorama.

Displays and Parades – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

Lone Star Corvette Classic – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

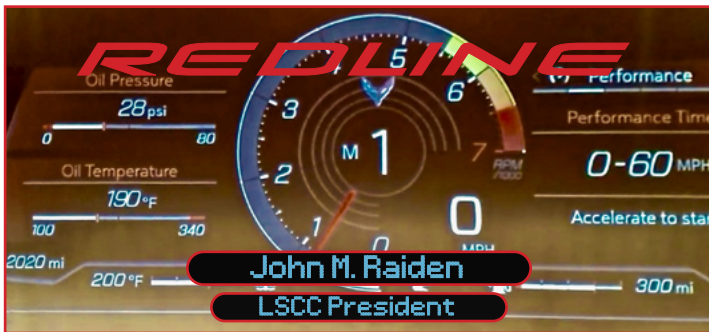

Club Meetings – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

John M. Raiden
President

Thank you to all who voted in the 2021 LSCC Officer elections, the number was small but your interest in the process is appreciated. The new 2021 Board was introduced at the Sep. Club meeting as follows; President – Ellie Mendez, Vice President – Ken Burks, Financial Officer – Terri Krieger, Treasurer – John M. Raiden, Secretary – Janet Glowicz, Recreational Officer – Mike McMichaels, Membership Officer – Joe Carrion, Competitive Events Officer – Allen Scott, Newsletter Editor – Norm Glowicz, Classic Officer 2021 & 22 – Ron Jones and Webmaster – Michele Woolsey. I want to sincerely thank all for volunteering their time, talents and efforts to make Lone Star Corvette Club a special organization. I also want to extend a heartfelt thank you to Carolyn Elmore for all her hard work while serving on the board for the last 4 years, we will miss you.

Mark your calendars for Sat., Oct. 3 as we will hold our next Club meeting at the Hula Hut in Little Elm. The Hut is a very interesting and eclectic restaurant on the north shore of Lake Lewisville and has been a host for a Fall meeting the last couple of years. Since we are still dealing with the COVID-19 restrictions and guidelines, we will ask that you register for the meeting as we have some capacity limits to deal with. I will also ask that you please respect yourself and your fellow members by practicing as much social distancing as you can and please wear a mask when you are not eating.

We are a large organization and I feel personally responsible for the safety and welfare of our membership and myself, your board will not do anything that would put any LSCC member or guest at risk.

To date 3 - Classic Road Rallies have been held, generating over \$4,500.00 for our stated Charities, the National Corvette Museum, Speedway Children's Charities and our rotating charity TXFallenPD. Thanks in part to your generosity with these rallies, the Lone Star Corvette Classic, Inc. Board approved 2020 charity disbursements of \$25,000.00. An additional rally will be held on Oct. 24 and we should have a 5th in early Nov., so keep checking the Club website and look for email updates.

BE SAFE!

Thank you to our sponsor – The Thompson Group at Classic Chevrolet

"Good Friends, Great Cars"

Hopefully you saw the email blast of our upcoming meeting for October. We will be at Hula Hut in Little Elm on October 3rd. Please make note that the date has been moved up to the first week of October instead of our normal second week. With many of our club members heading out to Tri Cities, we thought it would be best. Please be sure that you sign up just like you have for the past 2 meetings.

Speaking of Tri Cities, now that our meeting is the first week of October, you should definitely sign up for this weekend trip/car show. You have until October 9th to get the early bird registration fee of \$30. You will need to make your hotel reservations in Beaumont for Friday and Saturday night. If you wish to continue the fun Sunday, we will be heading over to Galveston and spending Sunday night to tour NASA Monday. Reservations will also need to be made for your hotel in Galveston.

Another event coming up is Mecum on October 15-17. If you have not volunteered for this event, you don't know what you are missing. I had no idea was I was getting myself into the first time I volunteered for this. It was so much fun! I got to drive so many different cars and even see some highly priced cars that I would never have imagined driving. I enjoy volunteering for this event every year.

All details for these upcoming events are on the website once you sign in with your username and password.

Congratulations to our new 2021 Officers!

We thank you for your time and dedication to our club!

Thank you to our sponsor – The Thompson Group at Classic Chevrolet

NCM News

The National Corvette Museum finally was able to hold its first event of 2020, the 26th Anniversary Celebration, September 2-5. Please see the article in this newsletter about our club's trip there. Following are details about the event itself.

Winner's Circle

On Wednesday night, September 2nd, the Anniversary kicked off with the Winner's Circle dinner, honoring donors to the Museum. LSCC members made up almost 20% of the total attendees. Lone Star members recognized for their generosity included-

Phil and Kristina Davies
Tuna and Susan Dobbins
Johnny and Edie Downs
Glenn and Andrea Johnson
Keith and Sandy Johnson
Doug and Marcie Nester
Stephen Shellberg
Jeremy and Gina Welborn

The Lone Star Corvette Club was also recognized for their donations to the NCM in 2019. John Raiden, Club President and all the LSCC members on hand took this time to present a check for \$10,000 to the Museum, guaranteeing the Club's membership in the Winner's Circle for 2020.

2021 Corvette News

Seminars held during the Anniversary event revealed news concerning the 2021 Corvette.

For those with a C8 on order or hoping to snag a new Corvette, the best news was announced by Plant Manager Kai Spande. Bowling Green assembly has started a second shift. This will substantially increase production numbers on the C8.

As part of the National Corvette Museum's 26th Anniversary Celebration GM Bowling Green Assembly debuted for the first time actual painted panels of the two new colors for 2021 – Red Mist Metallic Tintcoat and Silver Flare Metallic. Below are photos comparing them to 2020 colors including Torch Red (which will continue for 2021), Long Beach Red and Blade Silver (which the colors replace).

During the Corvette presentation on Friday, Harlan Charles described the Silver Flare as having a 'lot of travel' and looking very different as you walk around the car. The Red Mist was described as a 'fiery red, brighter than some of the ones we've previously done.'

Harlan and Tadge Juechter indicated that the very first 2021 validation cars are in the process of being built with Silver Mist being the first, and Red Mist being the fourth – so the opportunity to 'see' a full car in the color is forthcoming. Those cars are pre-production and gives the team a few months to check them out before building customer cars.

Another welcome change is that Magnetic Selective Ride Control will be offered as a standalone option. Now you can get this amazing suspension system without having to opt for the Z-51 performance package.

Wireless CarPlay is also new for 2021 and it is standard equipment across the board.

Ambassador Meeting News

At the NCM Ambassador meeting on Saturday, more good news was revealed.

First, it was announced that in nationwide competition, LSCC was judged to have the second-best social media program. Congratulations are in order to Linda Shellberg for her outstanding work for the Club.

Later in the meeting, Glenn Johnson, NCM Board Chairman, revealed some major news to the Ambassadors. Plans are being finalized for a major addition to the Museum. It will accommodate the many Corvettes recently donated and more to be acquired. The new construction will attach to the existing building to the right of the original main entrance and extend into what is now large vehicle parking. Exact timing of project commencement is not yet determined. More information will come soon.

Finally Master Ambassador designations for 2019 were announced. For the 15th consecutive year, Johnny & Edie Downs, representing LSCC, received the award. Major support of the NCM by the Club and its members are required to obtain Master Ambassador status. So, thanks to LSCC and all its members for making this happen again.

For more information on the NCM, contact Johnny Downs (214)384-8565, (903)564-3069, ediewoww@aol.com.

NCRS

Texas Chapter

Ray Kimminau, Coordinator

Membership in the NCRS Texas Chapter has many benefits such as restoration techniques from professionals, technical information, and publications can assist you in finding rare parts to restore or maintain your Corvette.

As a member of the Texas Chapter, you'll receive a copy of our newsletter, The Tailpipe, which is published quarterly. You also will have access to all the knowledge, help, and advice of other chapter members and the entire NCRS family.

Please visit www.ncrs.org for the complete show for judging schedule and a list of available hotels in the area.

Scheduled NCRS Events for 2020

CHECK THE NCRS WEBSITE FOR EVENT CANCELLATIONS OR POSTPONEMENTS

- Texas Regional - October 22 - 24 **CANCELLED**
Frisco, Texas

The Concours Judging Program is a new venue that allows Corvettes with modifications to participate in the NCRS judging activities. Many of these modified Corvettes are well presented but would not fare well under the traditional Flight Judging system; thus, owners now have an avenue for display and judging. Modified Corvettes will be judged in two categories - Stock Division and Modified Division. The Stock Division offers two awards (Blue Ribbon and Red Ribbon) while the Modified Division also offers two awards (427 Award and 327 Award). Full details on the registration process are not yet available, and I should have them for the next newsletter. Probably both NCRS and LSCC registration will be required.

If you already own a Corvette, or are planning to purchase one and would like to know more about the NCRS and our Texas chapter, feel free to contact us at ncrstx.org

Competitive Events

Allen Scott, Competitive Events Officer

Autocross has been cancelled for the season. Brookhaven College will not reopen to at least spring semester 2021.

Drag Racing Texas Motor Speedway in Ennis is closed until further notice. I spoke with [Martha Kaus](#) (event co-ordinator) and she reports the same for all the local tracks. Check the LSCC Calendar for next race information.

Open Road Racing has been postponed or cancelled UFN due to COVID-19. The Big Bend event has been cancelled. Contact [Mike Black](#) for more information.

Rally events are coming back. LSCC participates through the TX Region of the Sports Car Club of America. Check their website for the next Rally at www.texasscca.org/rally/.

HPDE is beginning to start back up. Check with our HPDE co-ordinator, [Mike Krieger](#), for more information. To be placed on the "Track Hound Newsletter" mailing list and receive information on local HPDE events, [CLICK HERE](#).

In the meantime, keep your cars clean, waxed, and maintained, so we all will be ready to go when the time is right. Be safe and I look forward to seeing all of you in person. As always, please watch our club website for updates and new listings.

30th Annual Eureka Springs Corvette Weekend - **CANCELLED**

October 1 - 4, 2020

[Frankin & JoAnn Myers](#) - Coordinators

Calling all LSCC Club members to join us for our annual trek to the idyllic setting of Eureka Springs, Arkansas for numerous fun events, local sites to explore including wonderful eateries and shopping and gorgeous scenic drives nearby. Oh ya, and there's a wonderful Corvette show to attend as well...located in a quaint shopping center.

Who knows we may win the Club participation award again but that'll take loads of y'all to sign up for this great trip as the Tulsa Corvette clubs typically come out in droves. Here is what I need you to do as a LSCC member. Go the LSCC web page and sign-in as a member, then go to the LSCC calendar and register there for this October event. You will see all the hotel information there; I will be emailing everyone later about further trip details. You will register separately for the Eureka Springs Corvette Weekend on this website: www.eurekaspringscorvette.org. Please mention you're part of the Lone Star Corvette Club (LSCC) when you register.

To Register with LSCC or for more information, [CLICK HERE](#).

Registration cancellations will be accepted until Wednesday, September 30, 2020 at 12:00 AM

26th Annual Tri-City Corvette Club Car Show

October 9 - 12, 2020

UPDATED

[P & K Davies](#) - Coordinators

Revise or mark your calendars for this road trip! Tri-City Corvette Club has rescheduled their 26th annual show to Oct 9-12, 2020. This will be LSCC's second year attending this great show (smiling faces of last year's group shown above)! We'll leave Friday, Oct 9th, and caravan via back roads through the East Texas piney woods stopping in Nacogdoches for lunch and then on to the Holiday Inn (HI) located in Beaumont, TX. Friday night Tri-City Corvette Club hosts a Hospitality Night, providing free food and drink. This show is great because once you unpack, you're there; the show is in the hotel parking lot. On Saturday morning, we will get up and do final prep to our cars for the car show. In addition to the car show, there is a Valve Cover Race available for those interested, door prizes, cash prizes, a chance to WIN a [NEW 2020 Corvette Stingray](#) (Compliments of MOORE GM) and a FREE Photo Plaque with a picture of your car.

Sunday morning, Oct 11th, you will be free to head home, or as an add-on for those who have the time, we'll head to Galveston via a ferry from the mainland to the island, exploring Galveston's sites and enjoying local seafood. We'll spend the night before heading out Monday morning for the Houston Space Center, if you like. We visited the Space Center last year but didn't get enough time there so we're heading back to see other exhibits and the Mission Control Room, which was under construction last year.

Houston Space Center

Please Log-into the LSCC website's, go to the calendar and sign up for the Tri City trip if you're interested in coming along for this great adventure! We will be in touch via email as we finalize the trip details.

Take care,

P & K Davies

VOLUNTEER OPPORTUNITY **New Dates!**

October 15th - October 17th

LSCC has been asked once again to work the Mecum Auction at the Kay Bailey Hutchinson Convention Center. If you enjoy looking at and driving classic cars, this is the event for you! Ask anyone who has worked any of the previous Mecum events and you will be sure to hear what a "BLAST" it was - especially if they got the chance to drive a car across the block while the auction was being broadcast on the NBCSN channel. Mecum pays the club for each car it moves at the auction. This event is a major fund raiser for our club.

LSCC Classic Road Rally #4 and Fundraiser

October 24, 2020

[James W. McMichael](#) & [Brock Wilson](#) - Coordinators

Who's ready to Road Rally?? Come join us for Road Rally # 4 to enjoy Great Friends and Good Cars, all while supporting our LSCC charities!! And, there will be fun questions to keep you occupied along the way!

These rallies are meant to be fun, so no pressure! You can take as long as you like to run the route. In other words, the event is not timed. You can run it solo, or as a group. It's your choice!

For this rally, we'll start at Buc-ee's on I-20 in Terrell, TX, traveling south through rolling hills and ranches to Athens, Texas, then traveling east to end at Love's Lookout on US-69, north of Jacksonville, TX, arriving mid-day.

Due to the pandemic, we were not able to develop a plan to accommodate all participants at one location for lunch. So, we suggest a flexible plan that will allow each participant to have lunch based on personal preference. Here are a few options:

Bring your own picnic and join friends at Love's Lookout for a socially distant, outdoor lunch. There are picnic tables, plenty of green space and great vistas. Bring your lawn chairs, food and coolers. This is a public rest area with nice restroom facilities and parking for 20-30 cars and trucks.

Travel into south Tyler in small groups to eat at any number of restaurants off of US-69. Indoor and patio dining options are available at select restaurants. A list of restaurants will be provided with the route detail.

Travel into Jacksonville in small groups to eat lunch. A list of restaurants will be provided with the route detail. Kiepersol Winery (about 3 miles east of Bullard on FM-344) currently serves lunch but party size may be limited. If you choose to have lunch elsewhere, you may want to visit Kiepersol after lunch for a wine tasting and/or tour, if available.

The donation to participate in the Rally will be \$25 per car to run the route. And remember, all the money goes to the LSCC Charities! So, log on to the LSCC website to register and pay by credit card.

[LSCC Classic Road Rally #4 and Fundraiser](#)

We will send out the rally and route details via email to those who sign up just prior to the event using your email listed in the latest 2020 LSCC Directory. Please sign up by October 21, 2020 so we can get a head count and distribute further instructions.

Due to the Texas social distancing restrictions, as always, we need to remember to respect physical distancing for this social gathering so we can be safe and still have a fun road trip. This event will occur rain or shine!

If you are new to the Lone Star Corvette Club, this is a great way to get involved and make LSCC part of your social circle. For long time members, please join in to make another great memory with your Corvette buddies. Be on the lookout for an email with further details such as start time, route instructions and lunch options. We hope to see you there!

Proposed LSCC Bylaw Change

Janet Glowicz - Recording Secretary

In September, the Board of Directors voted to change the title of the Technical Officer to Webmaster. This change was due to the number of questions the Technical Officer had been receiving which were Corvette related and not website related. This title change will better reflect their duties. Amendments to the Bylaws will be by a two-thirds vote of the voting members present at the November business meeting or so scheduled thereafter.

Proposed Bylaw Changes

Current:

Article VIII –Board of Directors

Officers of the Club shall be:

LSCC Well Represented at NCM's 26th Anniversary Celebration!!

By Phil and Kristina Davies

From Alabama, Oklahoma, south Texas and the DFW area, LSCCs gathered to support the National Corvette Museum's 26th Anniversary in Bowling Green, KY! Six, all wide bodies—Corvettes that is, caravanned from DFW and stopped off in Memphis. Several of us stayed at the Big Cypress Lodge, which is a destination in itself!

We hit a few spotty rain showers along the way but nothing serious. We met up with the rest of the folks from LSCC in Bowling Green and ultimately 16 of us attended the Winner's Circle event. It was at this event that our Club presented LSCC's 2020 \$10,000 donation to the Museum for which they were very grateful!

Three Corvettes took a fun, scenic drive to Kenny's Cheese Factory Thursday morning and thoroughly enjoyed a personal tour by the owner; we missed Bill and Dottie Slocomb, who usually lead this excursion, but we did our best in their place and the others seemed to enjoy it.

Our group split up during the NCM Anniversary Celebration to take advantage of several seminars and events, local drives and of course touring the new Museum exhibits throughout the rest of the week. One highlight was hearing Kai Spande, General Manager of the Corvette plant, share about all the quality checks the Plant goes through once a C8 is built and witnessing the unveiling of two new colors for 2021, a new silver and new

red since Blade Silver and Long Beach Red are being discontinued. Kai showed us his Torch Red convertible "in action"; top collapses like a transformer!

We all met for dinner Thursday evening and Montana's, across the parking lot from the hotel. The restaurant was beyond excited to have us. It was a great meal and a fun, special time with LSCC friends!!

By Thursday the rain was totally gone, cars were clean again thanks to the NCM and hotel providing a wash station for us in the hotel parking lot. It was so pleasant outside; we enjoyed the break. The lot lizard parties were all held in the hotel lobby and lots of stories and lies were shared each evening 😊.

Only three of us caravanned back to DFW on Saturday until we met up with Glenn and Andrea Johnson on I-40 in Memphis, so they dropped into the line! The others were off to see other sights, family or headed back to their home state.

Since the 26th Anniversary Celebration attendance was very low, we were extra glad our Club had a great group representing LSCC and we look forward to attending the Bash celebration next spring when we're anticipating the XP-987 GT recognition reception, plant tours and lots more activities. Thanks to each one who came with us as we all thoroughly enjoyed getting out of town and spending time with y'all!!!

Classic Road Rally #3 – September 19, 2020

By Phil & Kristina Davies

Over 50 cars and almost 100 LSCCs signed up for the third Classic Road Rally in 2020! You've heard of the phrase "If life gives you lemons, make lemonade." Well, the road rally idea has turned a sour year into a lot of sweet Corvette miles! So many of you shared how enjoyable it was to get out of town, meet up with new and old friends and dust the cobwebs from your Corvettes. It was a bit of work but so totally worth it to hear how much fun folks had with the "questions" and seeing new scenic sights and learn a bit more about Texas history. Thanks for the kind words and especially for participating as without your support, it would have been a total dud.

Also, we wanted to report that this rally raised \$1,325 toward LSCC Classic Charities. Several of you have been on more than one or all of these rallies and your support is much appreciated!

This route was about 125 miles and 2-1/2 hours' drive time along a ribbon of country roads through green fields and small towns. It was Indian country but thanks to our Corvettes, we easily escaped capture! The weather was perfect, and we saw several topless Corvettes enjoying the sunshine. Hopefully you can see the two short videos below courtesy of Roger and Sheri Jones showing some of the route and the Corvettes pulling into the first stop 😊:

Gary and Gaye Thomas' new C8 was a hit. Mike took a special interest in the C8 at the St. Jo stop given he's on the list for one 😊. A golf cart full of folks in Nocona came specifically to check out the Thomas' C8 but they'd already left. It was a hit!

It was unfortunate, we later learned, that the food trucks expected once we arrived in Nocona cancelled the night before, however our Club members managed to find places to eat and many enjoyed visiting the Horton Classic Car Museum, which was once the area's Ford dealership but is now fully restored to house Peter and Barbara Horton's classic and muscle car collection. The Museum generously gave our members a discount and many we ran into were amazed at the quality and quantity of muscle and classic cars! The Museum also blocked off parking for our Club right in front of the Museum!

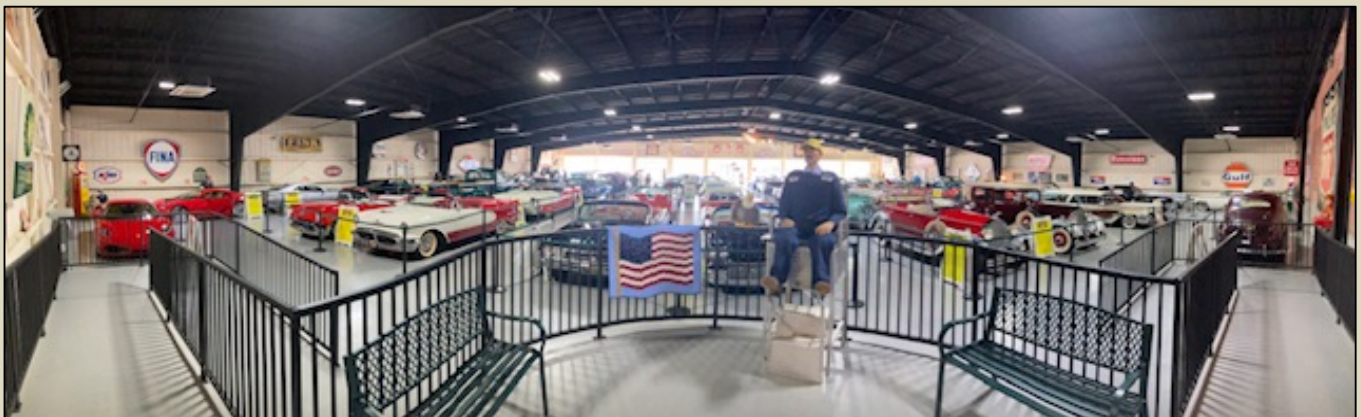

1955 CHEVROLET CORVETTE STATION WAGON

VIN: V0611SNA

This is a "ONE OF A KIND" Corvette station wagon. ONLY "1" wagon was produced in 1955 and this is the original car. This car belonged to Pete Vicari, a car collector and auctioneer that purchased the wagon and the car has been completely restored from the frame up. The wagon has been customized from exterior to interior from its original version by Pete Vicari. The wagon was built in 1954 as a concept car and was in the New York car show in 1954. In 1954 the wagon that was built never had a engine, it was just a hull. At the end of the show in 1954 it was destroyed, only "1" was built. In 1955 the designer and maker of the wagon built this wagon and ONLY "1" was built and this is the 1955 Chevrolet Corvette Station Wagon. The wagon is all metal and no fiberglass was used on this wagon.

DETAILS:

- V8 engine (LT1)
- 350 cubic inch
- 350 Horsepower
- Fuel injected
- Tune-Port-Injection
- Automatic transmission

As the groups of Rallyers arrived, several turned in their sheets of answers to fun questions created to give the navigator/passenger something fun to do along the route. We have a very observant bunch but true to form, Krysta Wagner, competitor extraordinaire, got all 29 questions correct. The winning prize was a collection of Buc-ee memorabilia given our adventure started at Buc-ee's! We'll have to give Krysta a handicap next time! 😊 (The dude to the left is hoping she'll spring for another Coors.) A final "fun question": "How many generations of LSCC Corvettes participated in Road Rally #3?" See below for the answer!

Again, thank you to everyone for their contributions and support. Hope to see you on the next Road Rally scheduled for Saturday, October 24th. It was sooo fun to see so many faces we hadn't seen in forever. Hugs, Phil & Kristina Davies

Answer: Five generations from C4 through C8!

Drive to Tishomingo

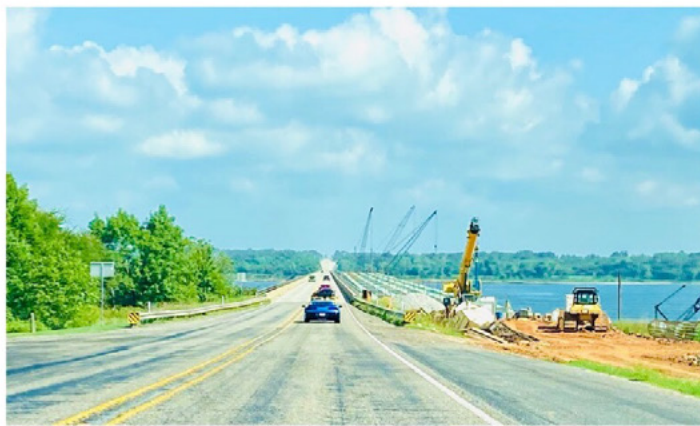

By Gary & Elaine Blend

A few of us took a drive to Tishomingo, OK on 9/06/2020 and had lunch at the Ole Red restaurant owned by Blake Shelton. Blake welcomed the Corvette Club, and we practiced social distancing by wearing his corvette mask.

Those who went were:

- Mike and Michelle Woolsey
- Mark and Lea Bond
- Joe and Gail Carrion
- Gary and Elaine Blend
- Jeff and TerriLynn Donaghu
- Mike and Denise Randall

It was a fun day and we highly recommend taking a ride to Tishomingo.

LSCC Autocross at Brookhaven College may be sidelined for the season due to COVID-19 restrictions, but that has not stopped SCCA from successfully running COVID minded autocross events at Lone Star Park in Grand Prairie. Those interested must register online, so go to the [TX Region SCCA website](#) under Autocross for more information. There are two more events scheduled in 2020, so hope to see y'all there.

LSCC members Mike Williams, Craig Rhodes, Wes Rhodes (above) and Janet Glowicz (right) at the SCCA SOLO event on Sunday, September 20th at Lone Star Park in Grand Prairie. Mike, Craig and Wes each competed in the Novice class where Mike took a 3rd place finish in his 2020 C8 Corvette. Wes took a 6th place in his 2015 Corvette C6 while Craig finished 7th in his 2017 Corvette Z06. Janet took 1st place in D Street Prepared Ladies.

2020 LSCC Technology Scholarship Winner Announced

By Laura Satterfield

Dear Committee,

We have a scholarship recipient! I will send a congratulations and a link to our next meeting (in case he can make it.)

Lone Star Corvette Club Automotive Technology Scholarship - Dallas College

Hello Laura,

I hope you and your family are doing well and staying safe.

It's been a few months since we last connected, our timing is impeccable!

I want to give you an update on your scholarship as well as the amazing things happening at Dallas College.

As you know, the Dallas County Community College District's seven individually accredited colleges have been consolidated into one educational institution now known as Dallas College. This transition will not change the nature of our institution or impact our commitment to deliver a robust quality education that we currently offer our students. With Dallas College now operating solely as one educational entity, students can take all classes from all our campuses with a more consistent and seamless experience.

There were 3 students that applied to the Lone Star Corvette Club Automotive Technology Scholarship for Fall 2020! I am happy to report that the following student met the eligibility criteria of the scholarship and is the recipient of the scholarship.

Congrats to Lone Star's 2020 Scholarship Recipient **Victor Ramirez**, an Automotive Tech at Crest Infiniti.

What are your short-term and long-term goals related to your major?

My short-term goals would be to help and be able to clearly diagnose cars in the field while fixing them right the first time. My long-term goals would be to become a master automotive tech to be able to become proficient in every aspect i could be as a technician.

Why do you deserve this scholarship?

I am a first-generation college student from my Hispanic parents. Working since the age of 16 has taught me that hard work and dedication pay off and to always give my 100% in everything I do. This scholarship would be a milestone for my parents and I as we come from a low-income family.

Why did you apply for this scholarship and how will the scholarship impact you?

I applied to this scholarship because it would greatly help financially with tuition and books. It would put a great relief knowing that i will be able to continue to work full time and also attend school while getting my Automotive Science degree.

What is your interest in Automotive Technology?

My interest definitively is in the electrical side of working. As an ASE Electrical Tech, it is always fun trying to figure out how electrical components work and what caused them to fail. It is similar to a puzzle. Deciding how to track the issue is one of my favorite parts of my job.

Please contact me should you have any questions or concerns.

Stay safe and be well.

Kind Regards,
Lori Jaide

Senior Director, Relationship Management
Dallas County Community College District Foundation

People will forget what you said, people will forget what you did, but people will never forget how you made them feel.

CORVETTE RACING AT MID-OHIO: Garcia, Taylor Pace 1-2 Finish for Corvette C8.R

By Corvette Racing Fans

No. 3 Corvette C8.R takes fourth GTLM win of season

LEXINGTON, Ohio (Sept. 27, 2020) – Corvette Racing went wire-to-wire Sunday to claim a GT Le Mans (GTLM) victory at the Acura Sports Car Challenge at Mid-Ohio Sports Car Course. Antonio Garcia and Jordan Taylor won for the fourth time this year in the IMSA WeatherTech SportsCar Championship with the No. 3 Mobil 1/SiriusXM Chevrolet Corvette C8.R.

The result extended their lead in the GTLM Drivers Championship and Chevrolet's advantage in the class Manufacturers standings. Corvette Racing won at Mid-Ohio for the ninth time, and Sunday's victory was the fifth in the first year of the mid-engine C8.R.

Oliver Gavin and Tommy Milner placed second in the No. 4 Mobil 1/SiriusXM Chevrolet Corvette C8.R to remain second in GTLM points. It was the 63rd 1-2 finish for Corvette Racing and third of the year.

Corvette Racing led the entire two hours and 40 minutes – 110 laps in all. Taylor began from pole but Gavin got the jump early and led the first 17 laps before going slightly wide at the end of the backstraight. That allowed Taylor to move back in front, and the No. 3 Corvette led the rest of the way.

- No. 3 Corvette C8.R takes fourth GTLM win of season.
- Chevrolet grows lead in Manufacturers Championship.
- Gavin, Milner come home second in No. 4 Corvette C8.R.
- Ninth class victory at Mid-Ohio for Corvette Racing.

Sioux Falls Corvette Club Fall Color Event

By Dave Noble

While LSCC's trip to Sioux Falls was a no-go due to COVID-19, that did not stop a local group of Corvette enthusiasts from having their own smaller show. Dave Noble posted this 35 minute video of the Sioux Falls Corvttte Club's Fall Color Event on YouTube. You can click on the link below to access the video. Next year is their 50t, and they are going to make it the last really big one that they put on. Enjoy.

**1962 Corvette Convertible -**

This gem has been completely restored and is car show ready. Its original fawn beige color is the same as that of the '62 Corvette featured in the early '60s TV series "Route 66". A crate 350 engine and Hurst shifter were added during the restoration. Included with the car is its matching hardtop. The car has won numerous local car show awards, and has always been garaged. The car is fun to drive and guaranteed to turn heads and elicit conversation. All restoration documentation is available.

Miles: 77,257 miles. Actual miles since restoration - about 3,200.

Asking: \$64,900.00

FOR SALE**2015 C7 Coupe -**

This is the first Corvette that I ordered to my specs. I designed it to fulfill my every driving experience. From the highly visible black stripes, LT2 option and Z51 package to the painted carbon fiber ground effects, heads up display, magnetic ride, PDR and blue-tooth, 3M tinting and 3M film over all vulnerable areas. Tires are at 7/32nds. This car has been to Alaska and averaged just over 28 mpg. It has done 0-60 in 3.2 seconds.

There are 37,500 miles on this car and comes with a 4 year full coverage (except wear and tear) ALLY warranty good for more than 4 years, thru May 2024 and an additional 75,000 miles. This is a beautiful eye catching car. You will love it. My C-8 order was just processed and 3 Corvettes are to many for my wife. The options on this car made the sticker price at \$81,000. and it can be yours with a Warranty for \$42,900. If you desire a previously enjoyed C7 and do not want the worries that come with buying someone else's used car, give me a call.

Miles: 37,500 miles.

Asking: \$42,900.00
