MOMS

[204 S Main St, Aubrey, TX 76227](http://204SMainStAubreyTX76227)

(940) 202-4940

Ok, it's time to re-visit the growth of our Club. With 1,139 members we are now about the same size as Lorenzo, Texas. We now average about 150 members at our monthly Club meetings. What does this all mean? Simply, it takes a lot of coordinators to keep everything running smoothly. Most serve for several years and the Club could not function without them.

Right now, we need to fill 2 very important positions: **RAFFLE Coordinator** and **Public Relations Manager**.

Jim and Cherrie Tubbs have done a fabulous job as RAFFLE Coordinators, and they are ready to pass the fun on! If you are interested in that position, please send me an email at lr-bag@aol.com. In brief, you would be in charge of buying items, accepting donated items, setting up the RAFFLE table at each meeting, and selling RAFFLE tickets. It's a lot of fun for someone who loves to shop and loves to talk to people at the meetings.

Bob Young has served as Public Relations Manager for several years, and he also is ready to retire. The Public Relations Manager is appointed by the Board of Directors and is a non-voting member of the Board. There is no term limit. The position is described in the Bylaws under Article VIII and Article XII. As PR Manager, you would be responsible for seeking out opportunities to publicize LSCC, ensuring that LSCC and the Club Sponsor are represented at Corvette functions whenever possible, and overseeing the production of PR materials. You may contact any Board member if you are interested in this appointed position.

Please give some thought to volunteering for one of these positions. They are both a lot of work, but also a lot of fun!

Ok, let's get on with driving those 'Vettes! See you down the road!

2ND GEAR

Rick Herrick, LSCC Vice-President

First, thank you LSCC members for attending the August meeting at LG Motorsports. Attendance was 185 (may be a record number) and the temperature was half of that or more. Given the attendance, Virginia and I went to Moms on Main in Aubrey to verify their capacity. They have a large private meeting room that can accommodate us. Parking will be ample as there is lots of parking on the street. We will also have access to several large parking lots. So, please join us on Saturday, September 13th, and enjoy the drive. We all have great cars!

We're happy and pleased with the great participation of our new members. I'm a group leader in the NCM caravan with seven cars in my group. I know less than half of the drivers and their companions, so it will be great seeing the new faces. I attended the August Autocross where about 15 drivers participated. Again, I knew about only half of them. Here's where I'm going with this – let's get in the habit of wearing nametags to all activities. I am the worst about recalling names. Nametags would help all of us to put names and faces together.

Autocross, which is the 3rd Saturday of each month at Brookhaven, is great fun even though my most frequent score is DNF (did not finish) because I misread a course marker. It's a great way to hone driving skills and keep that brain in high gear. Autocross is for the ladies too. We need more participation from the women in the Club. Currently, only Jean Hill and Barbara Corder are playing. I know they are having great fun and you should ask them about it. We have only two more outings this year.

Be sure to check out the Events Calendar on the LSCC website. September and October are full of events. Some are longer events while others are one day only. Just stay involved.

See you on the road.

NCM News

Most of the news this month concerns our Club trip on the NCM Caravan to the Museum's 20th Anniversary Celebration. That story will be in another article not yet written because, as I write this, we have not begun our adventure.

There is still some great news in addition to the Caravan. A long-time member tells about her Museum delivery. LSCC members' donations put us over the top on Motorsports Park acre #3. Two wonderful folks realized they are not Lifetime members of the NCM and rectified the situation.

A Special Delivery

Linda Ullom ordered a Cyber Gray C7 convertible and arranged for Museum Delivery. On August 8th, Linda and her daughter, Missy, arrived at the NCM to take delivery of her car. But, for that to happen, Linda had to change color to Blade Silver. Her original color choice of Cyber Gray is being replaced by Shark Gray for 2015 and the plant cut it a little too close and ran out of Cyber Gray paint. While at the Museum, Linda was also presented her "deed" for the Motorsports Park acre she purchased in honor of her late husband, Bill. Here is Linda's account of her delivery experience:

The experience was fantastic! Missy and I flew to Nashville and rented a car from Enterprise so that it could be returned at the Museum (very convenient). Missy had never been to the Museum or the factory so it was fun to see it with a "newbie." The factory tour was special because it was the first official day of production for the 2015 and that is how we got to see the new Shark Gray. Our delivery person was great! We did the delivery in two parts so that we could get into the factory before a torrential downpour. When we got back, we had lunch and then got the museum tour before doing the rest of the intro to the car. It was sad to see the sinkhole and the damaged/wrecked cars. It certainly looked different without the car displays that used to be in the rotunda.

When we got back to the car, I didn't realize our guide was stalling for time, but Missy was shopping and he suggested I should go join her while he checked something out. It turned out he was waiting for the presentation of my "deed". I was very surprised as I didn't expect there to be any official paper acknowledgement. I was very touched by the gesture that included the staff watching and applauding. Some family, including Missy's kids, my brother-in-law, a friend from the Corvette club in Virgin-

ia, and the Slocombs watched the video feed and sent us texts and e-mails. It was all very cool. It was lightly sprinkling when we got the car out front for the final pictures. We forgot to go back over to the factory with the car for additional pictures but that was OK because we got one of me with my name on the marquee earlier. It was certainly well worth the money, even including the airfare, hotels, etc.! On the drive home (which we cut short due to the weather), we talked about the whole experience and how wonderful it had been.

Missy said she thinks it would be cool to join the Club and get a new car on down the road when her kids are older. I'm not sure how much of that is growing up in the Corvette family or how much was getting to be a part of this newest level of Corvette experience, but I think it bodes well for the next generation Corvette family!!

Motorsports Park Acre 3

When you read this, LSCC should have been presented with the "deed" to its third acre of the NCM Motorsports Park. This was scheduled to happen at the Museum on Saturday, August 30th.

Donations from members in August, along with excess profits from the Classic, made the final payment possible in time for the presentation to occur at the 20th Anniversary Celebration with over 150 LSCC members in attendance. Thank you to...

**Gary and Marilyn Bechtol
Glen & Keri Averhoff**

Lifetime – This Time

In 2009, **John and Norma Hart** opted for a five-year renewal of their NCM Family Membership. Over time, John's memory tricked him into believing they had become Lifetime Members in '09. So, much to his surprise, he received a membership renewal recently. After confirming it was correct, John and Norma decided to solve the problem once and for all by becoming Lifetime members. Thanks to the Harts.

For anything NCM, please contact Johnny Downs, 214/384-8565, 903/564-3069 or ediewoww@aol.com.

Recreational Events

Bob Paton, Recreational Events Officer

Mecum Auction Volunteers, September 3rd–6th at the Dallas Convention Center. LSCC has again been asked to help with the Mecum Dallas auction. If you would like a chance to drive vehicles of different makes, models, and years from hot rods, muscle cars, antiques, trucks, and yes, a few Corvettes too, volunteer to help at this event. You could even wind up on TV (your 15 seconds of fame). This is a great fundraiser for LSCC as the Mecum Auction provides a contribution to the Club for every vehicle we drive across the auction block

MSA Tudor United SportsCar Championship Race, September 19th–21st at COTA in Austin. From the COTA website: "Circuit of The Americas (COTA) is bringing the "Spirit of Le Mans" to the Lone Star State September 19th-20th

for what will be a Texas-sized celebration of sports car racing and live music. The all new Lone Star Le Mans mixes the best of international endurance racing, like the famous 24 Hours of Le Mans race in France, with sights, sounds and flavors as big as Texas. Fans will enjoy unprecedented open access to majestic, high-tech racing machines and the skilled competitors who pilot them, including famous drivers like TV star Patrick Dempsey and former Formula 1™ driver Mark Webber. The Lone Star Le Mans also marks the debut of night racing at Austin's award-winning Grand Prix circuit."

This is a great opportunity for you to see the Corvette Prototypes and C7R's in action. Tickets are available now. Go to the LSCC website for more information and to register online. Be sure to book your hotel room also.

Corvette Chevy Expo, September 27th–28th at Dallas Market Hall. LSCC will have space for eight Corvettes in our display. If you would like your Corvette to be part of this event, *Continue to RecEvents on Page 5...*

send an email to Robert Shellberg at lrbag@aol.com. Include a complete description of your Corvette, attach a picture, and be sure to mention any special features.

Eureka Springs Corvette Weekend, October 1st–5th.

The usual caravan for this show leaves on Thursday, October 2nd, but Phil Davies has put together another great drive for those who want to head to Arkansas a day earlier on Wednesday, October 1st. Register on the LSCC website to receive trip updates and other information from Phil. The LSCC host hotel can be found at the event description on the Club website. If this is your first time to go on this trip, and you have not yet made reservations, call the hotel and get on the waiting list. Read more about this event in Phil Davies' article on page 6 in this Newsletter.

Goodguys 21st Lone Star Nationals, October 3rd–7th at Texas Motor Speedway.

This is another event that also makes a donation to LSCC for our help. Volunteer to help with parking and staging vehicles in the show displays in the infield on Saturday and assisting with the Winners' Circle on Sunday. Morning shift workers will have the afternoon to walk around the show to see all of the entries and visit the vendors. Afternoon volunteers can arrive early to do the same before their shift begins. On Sunday you can display your Corvette in the All American Sunday display and possibly win an award. Signup is available on the LSCC website.

9th Annual Brazos River Corvette Show, October 11th, Granbury Texas.

This is a great show, held on the Granbury Historic Square. There is shopping, dining, and wine tasting available within walking distance of the show. With this show, the Brazos River Corvette Club raises money for charities in the Hood County area. Proceeds this year will go to Habitat for Humanity of Hood County. If you mail your registration by September 12th, the cost is \$30 per car. After Sept 12th, the cost is \$40. The square opens for registrants at 8:30 am and judging starts at 11:00 am.

Texas State Fair Display, October 12th, Fair Park, Dallas.

What a great way to see the State Fair with free admittance and parking! With shows and attractions (including the Auto Show and exhibit space), the State Fair offers hours of entertainment. And don't forget the amazing food and the Midway. On our day in the Car

Corral, La Freak, "The "Greatest Disco Band in the World," is scheduled to be on the Chevy Main Stage at 3:00 pm and again at 5:30 pm. Lots of FUN for all! Due to parking constraints, there may be a limit to the number of Corvettes accepted for this display. Go to the LSCC website and sign up.

49th Annual Peanut Festival and Car Show, October 18th, Whitesboro, Texas.

Whitesboro is on US-82 and US-377, just north of the Metroplex. It's more than a car show, with a parade, entertainment, food, arts and crafts, hanging out with friends, and more food. The deadline for the car show pre-registration is October 3rd and your \$20 includes a T-shirt. In the past, Johnny and Edie Downs have bribed LSCC members with a burger cookout at their place in Sadler. This time around, Monty and Gaye Stephens have offered to play hosts. If you don't know, Monty and Gaye's place is really close to the Down's. Go to the LSCC website for more information and to register.

For a list of 2014 recreational events, click on the "Recreational Events" button in the left margin of the LSCC home page. More events will be added as the year progresses. Always check out the LSCC Events Calendar for more information on these events and others. There are always new trips, shows, and volunteer opportunities for you to take part in. If you have found a show that you like and would be willing to take a group of LSCC members with you the next time you go, let us know and we will add the information to the Events Calendar. For local car shows and cruise nights, check out Markham Jones' listings by clicking on the link on the main page of the LSCC website.

Local Shows'nCruises

Markham Jones, Coordinator

Summertime is winding down again and many of our favorite North Texas shows are coming up! Check the calendar listings for your favorites and the usual lineup of monthly car shows, get-togethers, and cruise-ins to a show or event near you to attend. You just may add a new trophy or plaque to your garage mahal display.

Details about upcoming events and other local shows are always available at the Shows/Cruise Nights Listings link and in the Event Calendar on the LSCC [website](#). Remember to check out the Members' only forum page for any shows that others may already be attending or post your plans to attend one as well.

If you have questions or comments, please email me, Markham Jones at: LSCCCruiseNights@yahoo.com.

NATIONAL CORVETTE RESTORERS SOCIETY

Hugh Preacher, LSCC NCRS Coordinator

This year marks the **40th Anniversary** of the National Corvette Restorers Society. In March 1974, seven guys met in Angola, Indiana and created NCRS. Today its membership exceeds 60,000.

If you currently own an NCRS-eligible Corvette (1953-1996) and choose to have yours judged against the standard or just want to enjoy any year model Corvette, your support of the NCRS helps ensure its future. On the LSCC website, visit the NCRS link on the "About the Lone Star Corvette Club" page or visit NCRS.org and consider joining the national and regional clubs. You will be involved with a knowledgeable and friendly group of people like yourselves.

You can start your support by attending NCRS meets like the one coming up in Frisco. Registration for the **NCRS 2014 Lone Star Regional Meet** is open. The event is scheduled for October 23th–25th at the Frisco Convention Center and, as of August 7th, there are already 69 cars registered! Even if you are not having a car Flight Judged, this is a great opportunity to see some of the most amazing NCRS cars and special interest Corvettes in the area. Also, anyone interested in volunteering to work at the meet can give Hugh Preacher a shout.

LSCC member and expert NCRS judge, Jim White, examines the interior of a contestant at 2013 Lone Star Regional.

For those who plan well ahead of time, the NCRS has awarded the **2017 National Convention** to the Texas Chapter. It is scheduled for July 9th–13th, 2017 in San Antonio. We are hoping to have a tremendous turnout of cars and visitors for what is bound to be a typically Texas-sized great show. The National meets are known for having the absolute "best of the best" so do not miss the chance to attend one in our backyard and extend a Texas welcome to other attendees from all over the country! Note, there will be no Lone Star Region meet in 2017.

More photos from the 2013 Lone Star Regional.

RoadTrips

Phil Davies, Out-of-Town Events Coordinator

Eureka Springs Corvette Weekend is coming up the first weekend in October, and signup is now available on the LSCC website. This is always one of the more popular trips for our Club. It offers beautiful scenery, a fuel economy run, a poker run (sponsored by our Club), a major car show, and great food and shopping.

A key to attending this event is the hotel, since there is typically a wait-list for first-timers. All hotel info is available through the LSCC Event Calendar. If you are new to this event, let me know and I will help you through the process. For those who reserved a room last year and will not be able to attend, please contact me so we can transfer the room to another LSCC member, even if just for this

year. We try to get everyone at the same hotel if at all possible. It's in a great location, walking distance to several events and restaurants.

We are again planning two departures for Eureka Springs. The usual route leaves on Thursday, October 2nd, is mostly on divided highways, but it also includes the always-fun [Scenic Pig Trail Byway](#) through the Boston Mountains.

For those who have an extra day and want to experience some additional beauty and curvy roads, we are planning a caravan that will leave on Wednesday, October 1st, that will take in lunch near [Broken Bow Lake](#), a winery, and [Ouachita National Forest](#). The group will be spending the night at Mount Magazine [Lodge](#) in Arkansas.

Competitive Events

Mike Krieger, Competitive Events Officer

Hopefully, we are over the hump with the triple-digit days and on our way to some super fine fall weather. This should be just right for attending car shows, the Mecum Auctions, Autocross, track events, or just taking the rag-top to dinner with friends. Whatever the case may be, the main thing is to get out and enjoy your car.

Autocross: Only a few more months remain to come out and experience the challenge of the cone maze. Speeds are low, difficulty can be medium to challenging, and it's easy on your car. Not to worry if you haven't any experience. We have qualified people on hand to get you safely started on the correct foot. The next Club Autocross event

will be Saturday, September 20th, at Brookhaven College.

Circle Saturday, November 9th, on your calendar for a Club-only track event at Eagles Canyon Raceway (ECR). I will have beginner groups for first-timers who just want to sample a little track time without taxing their car as well as groups for the well experienced track hounds. As you may know, the Club trip next year will be to Bowling Green for a couple of track days at the new NCM Motorsports Park. I will be getting an itinerary from the NCM of the track exercises they will be putting us through. I'll use this information to create exercises for us to practice at ECR or Brookhaven prior to the trip. This way we can be well ahead of the learning curve when we arrive at Bowling Green next year.

Drag Racing: September 7th at Texas Motorplex in Ennis. [Click here](#) for more info.

Check the Club website for all upcoming events.

MEMBERS BUSINESS MEETING MINUTES

Lone Star Corvette Club
LG Motorsports, Plano, TX
August 9, 2014

Robert Shellberg, President, called the business meeting of the Lone Star Corvette Club to order at 12:10pm. He thanked LG Motorsports for hosting our meeting and providing lunch. He introduced the 2014 LSCC officers:

Rick Herrick, Vice-President
Gaila Hodges, Newsletter Editor
Mike Kreiger, Competitive Events Officer
Bryan Baines, Technology Officer
Karen Pitalo, Financial Officer
Sharon Troster, Treasurer
Phil Pitalo, Membership Officer
Bob Paton, Recreational Events Officer
Jean Hill, Recording Secretary
Bob Young, Public Relations Manager
Johnny Downs, NCM Ambassador
Craig Satterfield, GM Representative
John Raiden, Classic 2015 Officer

Robert announced Bob Young will be retiring as Public Relations Manager and anyone wishing to be considered for this position can contact any Board member with the volunteer's name. The Board will appoint the new PR manager

during the September Board meeting.

Recording Secretary, Jean Hill, requested a motion to approve the July business meeting minutes as published in the August newsletter. A motion was made, seconded, with no discussion, and approved.

Karen Pitalo, Financial Officer, reported the following balances:

Savings - \$15,800.69
Operating Fund - \$69,662.26
NCM Track Fund - \$0.00

The balance of the track fund \$5,042.07 was transferred to the operating fund and the track fund account closed. The check presentations to NCM will be made during the members' meeting on Saturday, August 30th, in Bowling Green and a deed to the third acre given to LSCC.

A motion to accept the financial report was made, seconded, with no discussion, and passed.

Phil Pitalo, Membership Officer, reported 600 active memberships with a total of 1139 active members. A motion was made to approve new members as published in the August newsletter, seconded, with no discussion, and approved. Phil announced two families celebrating their 10th anniversary as Club members. He also presented Ken and Jean Hill with Lifetime Membership pins and said several more families have already committed to Lifetime memberships. He welcomed and introduced 14 new members/guests.

Robert led us in singing Happy Birthday to everyone celebrating birthdays in August.

With no further business to discuss, the business meeting was adjourned at 12:30pm.
