Next Meeting - November 14th

Start Time is 11:30am

Sneaky Pete's

2 Eagle Point Rd

Lewisville, Texas 75077

972-434-2500

I'm always proud of our Club, and never more so than at our October Meeting at Classic Chevy. Watching the back of a pick-up fill to over-flowing with teddy bears and assorted other stuffed animals to be given to abused kids put a smile on my face and in my heart. To all of you who took part in our teddy bear drive, thanks a million! You are the best of the best.

And speaking of taking part: a big thanks to Members who are standing up, the first time, for an Officer position. We have several members who are running for election for a second year in their position, and that is great. But I know how hard it is to take that first step and I want to thank Tony Pitman, Ron Jones, Joe Hester, and Sharon Norris, for accepting nominations in October. We'll be taking nominations again in November, so give it some thought, ask some questions, and if you're in, let somebody know!

Officer Elections will be conducted by paper ballots mailed to each Member's home address again this year. If your home address has changed in the last year, be sure you make that correction in your Member Profile on the LSCC website. If you're not sure how to do that, contact Glen Averhoff, Membership Officer, and he'll walk you through it.

So there it is, two of the great privileges of being part of LSCC: giving back to our community, and taking your turn as a Club leader. Both require some sacrifice, and both are well worth it!

Happy Thanksgiving, everyone!

2ND GEAR

Rick Herrick, LSCC Vice-President

The Eureka Springs trip was a blast! We left on Wednesday with Johnny Downs leading a group thru southeast Oklahoma and southeast Arkansas. The scenery was beautiful and the roads provided a nice opportunity to let the Corvette do what it was made to do. We spent the night in Hot Springs and never saw an Interstate. How nice! The next day we proceeded to Eureka Springs thru back roads, which is the only way to get there. We placed well in the fuel economy run and ok in the car show. I'm sure winners of various events are mentioned later in this newsletter. LSCC got 2nd place for club participation! Two couples were recently married at Eureka Springs, the Hughling's celebrated their 2nd anniversary and the Krull's their 1st anniversary. CONGRATULATIONS! New members note – trips are the best way to identify with your club.

Elections are in progress and additional nominations will be received during the November meeting. Give thought to how you might want to participate. Let someone know if you're interested in an office.

Our Holiday Party will be celebrated on December 5 at Texas Motor Speedway. We'll have a seated dinner, a DJ, and raffle items that will include among other items, a TV and a special item compliment of the NCM and the Shellberg's. You must show up to find out what it is. We have the option of going thru the Tunnel of Lights at a cost of \$20.00 per car plus a toy.

In January, presentations will be made for the rotating charity. For our new members, proceeds from the Classic are distributed to three charities, the NCM, TMS Charity Fund, and a rotating charity voted upon by our membership. Presentations are made in January, voting takes place in February. The member sponsor or a spokesperson for the organization will make short 3-5 minute presentation. Please notify the new Vice President if you want to propose a charity.

Our next two meetings are at Sneaky Pete's. PLEASE PLAN TO ATTEND.

Thank you Classic Chevrolet and The Thompson Group for being fantastic sponsors.

See you on the road. Good friends, great cars.

Great things come in small packages. This month's NCM News is short, but full of great information.

Free Membership

Last month I promised some news about a free NCM membership. Here it is.

The free membership is available to our members because our club is a Lifetime Business/Club member of the NCM.

Perks include:

- Free one year e-membership
- Receive 5% Corvette store discount
- Subscription to weekly NCM E-news
- E-mailed membership card

Eligibility rules are

- New members only
- Not valid for upgrades or renewals
- Can upgrade after one year to Individual or Family membership at 25% discount

The link to enroll a member will be available in a few weeks. When it is up, we will notify everyone.

Website

Years behind schedule, the antiquated NCM website is finally being replaced.

If you have not been on the NCM website in the last month, please check it out. Experience a fresh new look with simplified navigation to help you connect and find the information you are looking for.

Scheduled to go live by November 1 is an all new membership/user system for membership interaction, event registration, donations and eventually new content accessible only to NCM members.

Planned to come on in the first quarter of 2016 are new Corvette store pages and content. This phase will include much improved search tools and features to make your online shopping experience a breeze. Greatly improved raffle purchase processing will be a part of this phase.

See the new look website at <http://www.corvettemuseum.org/>

Christmas Shopping

Plan to attend the November club meeting. We will have a nice selection of Corvette merchandise from the NCM. Get your shopping done November 14.

If by some chance we do not have what you want, please check out all the great stuff in the Corvette store on the NCM website shown above.

I can help you with another great gift for that hard to buy for person. It is a hexagon brick! Permanently place that person's name in the Museum, or their car description, commemorate their trip to the Museum, or use your imagination with one of these bricks. They are \$200 for NCM members and \$250 for non-members. The optional alder wood mini-hex is \$50.

LSCC Volunteers

For many years Stephanie Morrill has brought a trailer full of merchandise and lots of helpers from the NCM to Eureka Springs. It is one of their largest events in terms of merchandise sales. This year several of her helpers from Bowling Green had to drop out at the last minute.

Stephanie asked if Edie and I might ask a few club members if they would be willing to help in the NCM merchandise tent. We asked a few members. They volunteered and then more members heard about it and they volunteered. By Saturday we had more volunteers than we could fit in the tent.

What a great club!

Thanks to all who offered. I do not have all your names. Thanks to all who worked. I think I have all your names.

Competitive Events

Mike Krieger, Competitive Events Officer

CEO Replacement Needed....NOW!

Competitive Events Officer needed for the LSCC 2016 year. This is without a doubt the easiest Board of Directors position in the club. The reason being, there is already a crew of people in place to run each of the individual competitive events; Open Road Racing, Drags, Auto-X, Road Rally's and DE Track Days. All you have to do is sit in on the BOD meeting just prior to each regular club meeting, vote on current items, bring up any issues your staff may have (which is rare) and perhaps throw in your two cents on discussions. The only prerequisite to hold this position is a willingness to get involved and have a good time doing it. The job also comes with On the Job Training and a double your money back guarantee.

As for upcoming events; the last Drag Race event will be held Sunday, Nov 1 at Ennis. Track events are winding down for winter; check the [ECR Calendar](#) regularly for their monthly open track day. Also check [PCA](#) and [Apex](#) Schedules for DE Track events and [SCCA for Road Rally's](#).

Keep the rubbers side down!

Autocross

John Slaughter, Coordinator

The LSCC autocross will be held on the third Saturday of each month beginning in March and ending in November.

We will be holding our events at Brookhaven College. Brookhaven is located at 3939 Valley View Lane (Valley View Lane and Alpha Road) in Farmers Branch. We will be racing on parking lot P2. P2 is concrete rather than asphalt. This is the link of the Brookhaven [campus map](#).

Setup will begin at 8:30 am. For those helping with set up, be there at 8:30 am. The more help we have the quicker we get to start. Drivers should be there no later than 9:00 am to register and sign waivers. We begin racing at 9:30 am.

The fee to drive is \$15 per car. All drivers and passengers must be members of LSCC. Drivers and passengers must wear a helmet when on the course. Non-members must remain in a designated spectator area and may not enter the pits when anyone is on the course.

Dates for the autocross is: **November 21st** (rain date) .

I look forward to seeing you there.

The last of the usual line up of monthly car shows, get-togethers, and cruise in's to attend are winding down for the Holiday/Winter break. Spots are still available for the [Dallas Veterans Day Parade](#). Many cities and communities will be having Toy Drives and Christmas parades in the coming weeks as well. Road Trips

Phil Davies, Out-of-Town Events Coordinator

For those who are new to the Club or have not taken advantage of the fun times to be had in the Club, let me encourage you to sign up for any of the shorter trips. The number one advantage to the trips is getting comfortable with the LSCC Corvette culture. The day or weekend trips offer a reduced sized group with a common goal of having fun. Trips are typically geared around a drive, either for scenery or a destination, food or a car show. No matter what the reason, there will be time for visiting whether it is around meals or the famous "Lot Lizard" time of sitting around telling lies--the best time to get to know others in the Club.

EUREKA SPRINGS CORVETTE WEEKEND

September 30th - October 4th

Good friends, great cars, great roads, great weather, great food and, of course, great shopping. That describes the 2015 edition of the Eureka Springs Corvette Weekend. LSCC members in 40 cars from Texas, Oklahoma, Arkansas and even South Carolina converged in Eureka Springs, Arkansas the first week of October.

Caravans of Corvettes left Texas on Wednesday and Thursday. The Wednesday caravan drove scenic road, through Oklahoma and Arkansas for two days before reaching Eureka Springs. The first day began with the group driving through Southeastern Oklahoma to Beavers Bend State Park on the Mountain Fork River for lunch. The trip continued over the beautiful and curve filled drive in the Winding Stair Mountains into Arkansas and on to Hot Springs. The day was not without incident, as a bolt punctured Grady Cherry's tire just after lunch. He was forced to limp into Broken Bow, Oklahoma and spend the night as the local Chevy dealer shipped in a replacement tire. Back on the road Grady met us in Eureka Springs.

The route Thursday took the group up scenic Highway 7 to Russellville for a great lunch including homemade "Corvette cookies". Then it was the last leg into Eureka Springs on more great curvy "Corvette roads".

The Thursday caravan, led by Curt and Sharon Troster, drove straight through in one day. But it was not without incident. Ray and Denise Kaspers broke down and had to be towed to a dealer for repairs. This was not entirely unexpected as the Kaspers were in a BMW, trying to hang with Corvettes. They did get going and made it to Eureka Springs.

Partying around the pool at the Quality Inn kicked into high gear as the caravans arrived. The only break in the action was for the poker run organizational meeting held by new leaders Dick and Olivia Krull.

Friday morning most folks headed over to registration and picked up a few items at the NCM tent. Then, the ladies headed downtown for shopping. Most of the guys avoided downtown, several leaving town altogether on the fuel economy run. This year it was a beautiful 96 mile drive into southern Missouri around Table Rock Lake. We learned on Saturday that three LSCC cars won awards in the competition.

Friday afternoon was car washing time as many prepared for the Saturday car show. As the day wore on washing waned and partying took over. For the first time since 2012, we did not have a wedding of LSCC members on Friday. So, we celebrated anniversaries, two years for John and Kandy Hughling and one year for Dick and Olivia Krull. Dick also had a birthday party with cake.

Saturday morning members entering the car show were up and out to Pine Mountain Village for the event. As had been the three previous days, the weather was perfect, sunny in the 60's. Lots of beautiful Corvettes were in the show. I do not know the number, but the registration total for the entire event was 396. This was up from last year's 363, which is a good sign.

As a prelude to the awards ceremony, Bobbie Jo Lee entertained everyone singing some great country songs. As many know Bobbie Jo works with Adam in NCM Insurance at the Museum.

Awards presentation began with the fuel economy run. The winners were:

'05-'13	Auto	Preston Pollard & David Orrick	1st Place	30.84 MPG
'06-'13	Z06	Johnny Downs & Glenn Averhoff	1st Place	31.73 MPG
ZR1		John Hart & GH Hodges	2nd Place	23.45 MPG

The car show awards were next. It was looking bleak as LSCC was shut out in the C1 through C6 classes. Then in C7, Rick and Virginia Herrick broke the ice with a runner-up award for their new 2016 Coupe.

A few minutes later we really struck gold as the Pine Mountain Choice Award was given to Mel & Lois Thomason for their pristine 1996 convertible.

Finally, the club participation awards were handed out. The Tulsa Vette Set, who always wins, won again with 41 cars. LSCC finished second with 34 cars registered. If memory serves me, and it does not always, this is the closest we have ever come to winning. We might have a shot next year, if everyone registers.

As soon as the show ended, most of the LSCC members drove out to their stops on the poker run route. It was awesome seeing so many Corvettes moving very quickly, to say the least, from stop to stop on some really curve filled roads south of Eureka Springs. The card stops were swamped at times. We later found out why, 155 Corvettes entered the poker run. That is an increase of almost 50 over last year. All in all, everything went very well. That is a tribute to Dick and Olivia and all of the volunteers (especially card hand checker Jimmy Stahr).

Not much partying at the pool on Saturday, as the poker run took up the partying time. Those who were back by 8:00 were treated to the parade of the champions. Several LSCC cars what won awards participated and received a huge cheer as they passed our hotel.

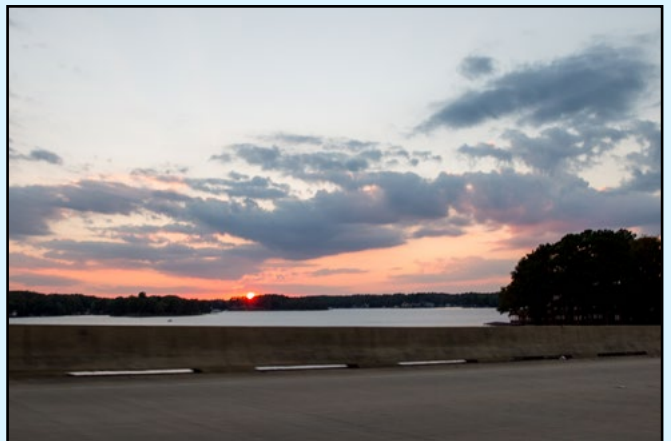

That pretty much ended the fun in Eureka Springs for this trip. On Sunday morning people left in small groups at different times headed home. As they drove out of Eureka Springs, they were probably thinking about good friends, great cars, great roads.....

Thank you GH Hodges for the photos

OCTOBER 18, 2015

Approximately 30 new members attended a fun mixer with several board members and coordinators at Ken Smith's "office". Everyone was able to meet each other in a fantastic setting among Ken's cars and collectibles. After the Mixer, several people were able to enjoy dinner at Babe's Chicken. It was a super evening and we have some wonderful new members in the club.

Special Thanks to Gaila Hodges for coordinating this event and to all the help and support she received from Pam Jones, Terri Krieger, Jean Young and Virginia Herrick. Very Special Thanks to Ken Smith for allowing us to host the Mixer at his "office".
