Happy New Year!

I look forward to working with the newly elected board. We are a seasoned team as Norm Glowicz, Newsletter Editor, is the only new board member. The board is here to serve you, the club members. Bring us your ideas!

We ended the year with 1,266 members, and increase of over 20 from a year ago! Many new members attended the outstanding Christmas party at Texas Motor Speedway (TMS). We want to get more engaged this year. Our primary means of communication is thru our website and email. Please be sure you and you companion have a working email address. Consider using an email other than your work email. Often emails or attachments are blocked.

Participation and volunteerism is key to the livelihood of LSCC. The best way to meet members is to participate in events. Participation drives our motto, **Good Friends, Great Cars**. Activities include car shows, day trips, weekend trips, and of course our annual long trip. For those who like to press the pedal a little harder, high performance driving, drag racing, and open road racing are options. And we have our annual Classic in May, the proceeds of which provide about 75% of our charitable contributions.

The rotating charity is one of three charities that receive funds from the Classic. Presentations for our rotating charity will be in February. Every charity must be proposed by a member and be a viable 501 c-3 that we will verify. Voting will be at our March meeting. Presentations may be made by a spokesperson for the charity. If you want to nominate a charity, let me know. A brief description of the charity is needed for the newsletter.

Thanks to our sponsor – Classic Chevrolet and The Thompson Group.

Good Friends, Great Cars - See you on the road

2ND GEAR

GH Hodges, LSCC Vice-President

Happy New Year!

As many of you already know, an undeniable truth is that the more involved you get, the richer your membership experience will be. Whether you hold an elective office or coordinate an event, the more you invest your time and talent, the more you will enjoy the Club. Remember, LSCC is a club of volunteers. Trips and events don't happen without the generous contributions of self by our fellow members. Even if your contributions seem small to you, they all add up for a club that means so much to so many people.

Thank you for re-electing me as LSCC Vice President. Serving on the LSCC Board is a privilege that I take seriously. You have again elected an outstanding group of dedicated and talented people to serve in 2017.

Rotating Charity Nominees – Prepare Now

At the beginning of each year the Membership of LSCC elects our annual rotating charity. Presentations can be made by our Club members or by representatives from charity nominees. Reflecting the importance of these presentations, the Club will again be renting a meeting room at Brookhaven College that affords an excellent audio/video system to enhance the presentation. This year those presentations will take place at our February meeting. If you have a charity in mind, please be responsible for the following guidelines. They must be followed so that our members can absorb all the information:

- Nominees are asked to limit presentations to 3-5 minutes plus a couple minutes for Q&A.
- Any audio/video support material should be provided at the meeting on a USB flash drive for use with the Brookhaven system.
- Nominees should email the Newsletter editor a maximum 250-word (MS Word) description of their charity that will be published in the March Newsletter.
- Because not everyone followed to the College's published rules for bringing dogs on campus, there will be **NO ANIMALS ALLOWED** at the meeting.

**Now, let's rev up the New Year with...
Great Cars and Good Friends!**

NCM News

With the beginning of the New Year, the NCM's Calendar of Events is just about set for 2017. So, this month we will provide at list and describe the ones that are coming up soon.

But first, thanks to all of you who make it a Merry Christmas at the National Corvette Museum by becoming members during our "free brick" promotion. The latest LSCC members to join the Museum family are: Phil Adams, John Glennie, Don Stewart.

The NCM grew by seven memberships from our club during the last three months.

Now, about the great NCM events planned for this year. Fourteen events are on the schedule. Five are at the Museum and a record nine are Museum in Motion events. The MiM's are similar to our club trips, to interesting locations across the country. Among the destinations this year are Tennessee, California, Utah and Florida.

The NCM Bash is the first, and arguably the best event at the Museum this year. What makes it so great is that it marks the rollout of the next model year Corvette, the place where you can see them up close and in detail. Bash 2017 will provide enthusiasts the chance to see the new 2018 Corvette Stingray up close as well as getting all the latest information about the 7th Generation Corvette. Seminars will feature speakers discussing 'What's new in the 2018 model year', as well as using your 7th generation navigation system. As in past years there will be a large contingent of GM engineers and designers from Warren Tech Center, and the Bowling Green Assembly Plant ready to answer your every question.

If there is truth to the rumors about a new ZR1, or a mid-engine Corvette, this is where you will see and touch it.

A special one-time event at this year's Bash will be the Corvette Racing recognition dinner. This will honor Doug Fehan, Gary Pratt, Jim Miller and all of Corvette Racing for their many successes, including their 100th victory and IMSA championship this year. If you are a fan of Corvette racing this is a not to miss opportunity. Most, if not all of the Corvette Racing team will be there.

The Bash is April 27-29, in Bowling Green. We have some rooms blocked for LSCC. If you are interested, I will send you reservation information.

If all I have described is not quite enough to get your commitment, how about the Bash, followed immediately by a

cruise to eastern Tennessee to drive the famous Tail of the Dragon with 318 curves in 11 miles. Then follow that with two days at the beautiful Biltmore Estate in Asheville, NC. All you have to do is register for the Museum in Motion Dragon Run. For all the details, go to www.corvettemuseum.org/event/mim-dragon-run/.

Another MiM that needs mentioning, even though it is not until September, is the MiM National Park Tour. Our own Mike and Terri Krieger are planning this great trip to Arizona and Utah September 17-23. Parks visited include Grand Canyon National Park, Bryce Canyon National Park, Zion National Park, Archers National Park and Canyon Lands National Park. Some LSCC members are already planning to make this tour. Details and registration should open this month at www.corvettemuseum.org/event/mim-national-parks-tour/.

NCM 2017 Events

For more details go to www.corvettemuseum.org/event/.

For information on Museum events, membership or anything NCM, please contact Johnny Downs, 214/384-8565, 903/564-3069 or ediewoww@aol.com.

Competitive Events

Dennis Corder, Competitive Events Officer

Open Road Racing

Open road racing starts on Jan. 2nd with registration into the Big Bend Open Road Race. The dates for the race are April 19th - 22nd. Mark your calendar. Talk to Mike Black, open road racing coordinator and past winner of this event. He will stress to you the importance of registering early (1 minute after midnight) as there are only a limited number of competitors.

The 2017 BBORR takes place on US Highway 285 South from Fort Stockton to Sanderson and back (about 59.0 miles each way - or 118.0 miles). This part of the road is closed by the police for the racers. Sit back, buckle up and get ready for the ride of a lifetime. There are different classes of racers depending on the speed you want to average over this distance. Speed classes start at a boring 85MPH all the way to unlimited. When we traveled to Vets and Jets this last September, I took the group down I130 at about 100 miles per hour. The smile on everyone's face at the end was something to see so I know this is not hard for our cars to do this and the speed classes go all the way up to unlimited for the ones that are experienced. This event alone brings in hundreds of people to these small West Texas communities from all over the U.S. and Europe.

This year's Big Bend Open Road Race will have something for everyone, so make plans now to be a part of this exciting event in West Texas. The event starts off in Sanderson on Wednesday, and Thursday with activities for the racers including registration, technical inspection, rookie school, practice runs, and qualifying. A Welcome Party will be held on Thursday at 5 p.m.

On Friday, the activities move to Fort Stockton for additional racer functions and a Car Show from 4:00 p.m. - 5:30 p.m. in Rooney Park. Everyone is invited to come and meet the drivers and see their cars.

On Saturday, the Annual After Race Party in the Park will be held in Rooney Park from 12:30 - 5:30 p.m. The racers will end up here after they cross the finish line. There will be music, food, and drinks and lot and lots of FUN!!! Everyone is invited to come out and see the cars, take pictures, get autographs, etc. **Don't miss out on this racing event.** www.bbrr.com

High Performance Driving Education

These events continue through the winter season but as always you have to register well in advance. The morning starts out with a driver's meeting. Drivers are already pre-assigned into one of three or four different levels of run groups (pending event) with in-car instructors assigned accordingly. Each run group has instructional classes each day in-between their 4 to 5 on-track run sessions over the course of the day. Each time a Beginner or Novice driver goes on the track they will have an assigned instructor seated beside them for live feedback, guidance, instruction and evaluation at the end of the course to be able to further guide us in serving your performance driving needs. This is a great way to learn about your car and what it and you can do!

All other competitive events are done for the season and will start again in the spring.

And as always, watch our web site for more information.

Recreational Events

Tony Pittman, Recreational Events Officer

1ST On The First Corvette Show on January 1st at Spring Creek Barbeque in McKinney, Texas: The 8th Annual 1st on the First show kicks off a New Year of fun Corvette events. It's the 1st car show of the year and entry fee is only \$5.00. See website to register and for more information.

F^{ORT} Worth Stockyards Tour in Ft. Worth, Texas at the Stockyards on January 30th: This is a traditional club event. Current plans are to round up at TMS in the morning and "herd" down to the Stockyards on the FM 156 trail. After corralling the 'Vettes, we will go the the water tower for our annual photograph and then watch the longhorns stroll through the Stockyards. Visit our website for more information and to register for this event.

LSCC 2017 Big Trip – “Sunshine Tour”

Wow I am excited! We have 30 cars signed up for this trip. If this is your first time hearing about the trip, refer to last month's newsletter and keep reading ☺. We are planning to leave Thursday, March 9, and returning Monday, March 20th. In the interest of saving space in the monthly newsletter, I plan to highlight a few of the trip's points of interest each month. Since announcing the trip at the November meeting, many folks are contributing great ideas and I am working to tighten up the trip routing and itinerary. We will be heading southeast to Florida with the trip's ultimate destination being Key West ("It's 5:00 somewhere") seeing a lot of cool things along the way. Like...

- ❑ USS Alabama <http://www.ussalabama.com/battleship-uss-alabama/>
- ❑ Amelia's Cars & Coffee at the Concours D' Elegance https://www.ameliaconcours.org/Data/Sites/1/media/2017_CCC_application.pdf
- ❑ St Augustine <https://www.trolleytours.com/st-augustine/reasons-to-visit>

St. Augustine is brimming with nearly 500 years of history. For those who wish to see it all and soak in as much of the city's fascinating heritage as possible, we have a private 1 hour, 8 mile, narrated tour with the Old Town Trolley Tour Company. The Old Town Trolley Tour takes you to all of the most important historic sights. After the narrated tour, you will be allowed to get off as often as you wish and spend as long as you want to investigate points of interest to you. Points of interest are the Fountain of Youth, the City Gates, the Spanish Quarter, historic St. George Street, Castillo de San Marcos, Flagler Memorial Presbyterian Church, Grace United Methodist Church and so much more.

It is and always will be controversial. But driving your car on the hard-pack sands of Daytona Beach is a Florida tradition. Pioneers did it with horses and buggies. Stock car racers did it with roaring engines until 1959. And thousands of people still drive on the beach every year. It is the ultimate scenic drive and a habit that Florida cherishes. Our trip has plans to include this Floridian tradition if conditions allow for safe passage for Corvettes.

Who has not heard of Cape Canaveral, later renamed the **John F. Kennedy Space Center (KSC)**. I mean if you new nothing about space you probably watched "I Dream of Jeannie" on TV that was based on the space program. KSC is one of ten National Aeronautics and Space Administration field centers. Since December 1968, the Kennedy Space Center has been NASA's primary launch center of human spaceflight. Launch operations for the Apollo, Skylab and Space Shuttle programs were carried out from Kennedy Space Center Launch Complex 39 and managed by KSC. This is another option if we have time to do it. I am looking into a tour for our group.

☐ Key West

Located closer to Cuba than to Miami, Key West is Florida's irreverent southernmost subtropical paradise, a unique confluence of history, climate, natural beauty, cultural diversity, architecture and unabashed romantic appeal. Palm-lined streets with gingerbread mansions and tin-roofed conch houses were home to Ernest Hemingway, Tennessee Williams, Elizabeth Bishop, Robert Frost and Jimmy Buffett, a few of the famous people who discovered solace and inspiration in the island city whose Bahamian and Cuban heritage in large part was inspired by Bahamian wreckers, commercial fishermen, spongers and Cuban cigar makers.

- ☐ Rev's Institute (home of S/N 004 Grand Sport)—We've mentioned this before but it turns out it is closed the entire month of March :>{; however, a local Corvette club is hosting a dinner at their private community center for us. More to come on that.
- ☐ Ford and Edison Winter Estates
- ☐ Don Garlits Museum
- ☐ Destin
- ☐ New Orleans

The above will be highlighted in future newsletters.

For those who are newer to the Club, road trips are the one of the best opportunities to meet members and make new friends. As always, this will be a hop-in, hop-off trip, meaning, if you have friends or family along the way, by all means stop and visit and then catch up with the group when you can. The LSCC calendar is updated, so we hope you sign up for the trip. We will share more details with those who sign up. For those going on the trip, we really appreciate your prompt response to emails ☺. We look forward to having you along!!

Lone Star Awards Presented

A highlight of the Christmas Party was the presentation of the esteemed LSCC Star Award to two very worthy members.

Any member who is not on the LSCC Board of Directors is eligible to be nominated by any LSCC member. a unanimous vote by the Board of Officers is required. The nominee must be a member for a minimum of 18 continuous months, be recognizable by the majority of the Club members as having made a major contribution(s) to the Club; and has consistently contributed to the LSCC for a sustained period of time that reflects a positive image on the Club

Craig and Laura join a very [distinguished list](#) of LSCC members who have earned this important award.

The 2016 Lone Star Award Recipients Craig and Laura Satterfield

Rotating Charity for 2017

It's time to select the Rotating Charity for 2017. Each year, LSCC members select an organization to share in the proceeds of the Lone Star Corvette Classic Auctions. In 2016, our permanent recipients, Speedway Children's Charities and The National Corvette Museum, along with Heroes On The Water, received a total of \$20K for their programs.

For an organization to be considered, the following criteria must be met:

- The organization must be nominated by an LSCC Member
- The nominating Club Member must email the name of the organization to the current LSCC President prior to the January Club meeting
- The organization must be able to verify that they have a 501 (c)(3) tax status if requested
- It is highly recommended that the organization or the nominating Member be present at the January Club meeting; all nominated charities will be given 3-5 minutes during the Meeting to talk about their programs and activities
- The organization must submit a short article for the February newsletter within 7 days after the January Club meeting, describing their purpose and activities

If you have a favorite charity, now's the time to help them out! And remember, these funds come from the LSCC Classic Auction, so the best way to help your charity is to donate and volunteer!

MEMBERS BUSINESS MEETING MINUTES

Lone Star Corvette Club

Casa Cha Cha

December 10, 2016

Rick Herrick, President called the business meeting of the Lone Star Corvette Club to order at 12:20 p.m.

Rick Herrick, President wished everyone a very Merry Christmas! He also thanked GH and Gaila Hodges for a successful Christmas party.

Rick introduced the LSCC 2016 officers:

Rick Herrick, President
GH Hodges, Vice President
Terri Krieger, Financial Officer
Sharon Norris, Treasurer
Joe Carrion, 2017 Classic Officer
Glen Averhoff, Membership Officer
Joe Hester, Technical Officer
Tony Pittman, Recreational Events Officer
Dennis Corder, Competitive Events Officer
Carolyn Atkins, Recording Secretary
Gary Nesta, Newsletter Officer
Johnny Downs, NCM Ambassador
Robert Shellberg, Classic Chevrolet Liaison
Linda Shellberg, Public Relations Manager

Glen Averhoff, Membership Officer introduced 2 new members/guests. He also reported LSCC has 1,268 members and 683 memberships as of December 1, 2016. A motion was made, seconded and approved without discussion for all new members listed in the December Newsletter. Anniversary members were recognized. Glen thanked Ron Spinek for all his work helping with the Membership renewals in 2016.

Carolyn Atkins, Recording Secretary requested a motion to approve the November Business meeting minutes as published in the December Newsletter. A motion was made, seconded and approved without discussion.

Terri Krieger, Financial Officer reported on the checking and savings account balances. A motion was made, seconded and approved to accept her report without discussion.

Joe Carrion, 2017 Classic Officer reported he still needs volunteers for the Classic. He informed the Membership that this year we will be having a Scavenger Hunt on Friday in Roanoke called Roaming Roanoke in place of the Treasury trip.

Rick Herrick, President reported we will be receiving nominations in January for our club Rotating charity. Presentations will be made at the February meeting. Each charity will also provide a write up for the Newsletter.

Tom Snodgrass thanked the LSCC Board for their service in 2016. He delivered the Officer Election results for 2017 LSCC Officers:

President: Rick Herrick
Vice President: GH Hodges
Technical Officer: Joe Hester
2017-2018 Classic Officer: Joe Carrion
Treasurer: Sharon Norris
Recreational Events Officer: Tony Pittman
Competitive Events Officer: Dennis Corder
Recording Secretary: Carolyn Atkins
Newsletter Officer: Norm Glowicz
Membership Officer: Gary Nesta
Financial Officer: Terri Krieger

Rick asked all LSCC members with birthdays in December to stand and we all sang Happy Birthday to them.

With no further business to discuss, the Business meeting was adjourned at 12:38 p.m.
