NEXT MEETING

Saturday, July 8, 2017

Start Time is 11:30 am

[Pack Automotive Museum](#)

**2070 Diplomat Drive
Farmers Branch, TX 76051**

Our next meeting is at The Pack Automotive Museum and will be our annual open board meeting. Actually, all meetings are open but each year we make a special emphasis to invite the club to a meeting. The board meeting starts at 9:30 AM. If you're curious, plan to attend.

I never thought I would write an article about distracted driving, but after seeing a tragic display at the NCCO car show at The Grand Casino I feel compelled to say something. At the show, there was a car so badly damaged that one could not readily identify the make. The grandmother was driving three grandkids to Tulsa when traffic was stopped on the freeway due to low visibility. The car was rear ended and knocked forward into the car in front. The grandmother lived for a couple of hours, two grandkids killed instantly. The surviving child was taken by Care Flight to a hospital where she was soon released. The pickup truck that hit the car was driven by a 17 year old boy who never touched the brakes! He was basically unhurt. The grandfather, with much emotion, made plea to discontinue distracted driving.

I immediately thought about Andy Pilgram's remarks at the Classic two years ago. I shared this at the car show. As soon as the child seat is turned forward, the child is being taught to drive through observation by the drivers, most likely their parents and grandparents. That crushed car and loss of innocent lives was a stark reminder of the dangers of distracted driving. It's frightening to see how many people are on their cell phones while driving. It can wait.

Thanks to our sponsor – Classic Chevrolet and The Thompson Group.

Good Friends, Great Cars - See you on the road

After having one of the longest Springtimes in my recollection, we are being ushered, ever so gently, into a North Texas Summer. For your comfort, keep in mind that Summer is always cooler in a Corvette.

We have a couple of unusual meetings coming up in July and August, and I think you'll want to attend both.

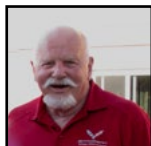

July 8th: Thanks to **Robert Shellberg** working with **Kurt Chase**, a fellow LSCC member and host of his own radio show, [The Automotive Edge](#), we will be guest of the [Pack Automotive Museum](#). This museum is an unusual mixture of models and manufacturers that represents some of the most eclectic antique, restorable, vintage, classic, racing, one-offs and celebrity associated cars and trucks offered under one roof. Last count, the museum houses nearly 400 vehicles.

August 12th: LSCC will get an early peak at Lou Gigliotti's new [LG Motorsports](#) new Track and Resort in Westminster, Texas. [See Channel 5 News' video here](#). Lou has been a great contributor to our Corvette Classic, offering many thrilling road course rides to raise money for our charities. You won't want to miss this!

July 4th is coming soon. Be safe and celebrate the great event. Below and on p. 41 are a couple of my favorite shots from last year's Addison Kaboom Town.

LSCC Visits the NCM – Twice!

Our club made not one, but two visits to the National Corvette Museum in June.

On June 5, about 30 LSCC members were at the NCM Motorsports Park in Bowling Green. Despite some rain over two days, because of Mike Bell's hard work, drivers got in quite a few fun-filled laps over the road course.

In addition, most everyone also enjoyed both a Corvette assembly plant tour and a National Corvette Museum tour. NCM's Stephanie Morrill adjusted the tour schedule to accommodate LSCC because of the rain.

Mike Krieger did an outstanding job instructing all our members. Each and every driver learned, improved and was very glad they came.

Then, less than two weeks later, on the 16th, I was part of a group of LSCC's in five cars participating in the Hot Rod Power Tour. Our last stop was in Bowling Green, Kentucky. We had lunch in the NCM Café, followed by a tour of the Museum. The time was enjoyed by all, especially those making their very first visit.

On the power tour, we drove our cars mostly on back roads to seven cities in seven days. Led by Glen Averhoff, our group, along with about 2,000 other "hot rodders", covered almost 1,500 miles.

NCM Anniversary – Aug. 31 to Sept. 2

In the 2 decades since the Museum opened, the scope of the vision has blossomed to include changes such as the dedicated special exhibit hall, dedicated PDI delivery area, restoration area, full service store, interactive exhibits and a full motorsports park.

Every year around the Labor Day weekend we celebrate the Grand Opening of the Museum in 1994 with a participant focused event. This year marks the 23rd Anniversary milestone and focuses on the diversity of the people that Corvette has brought together for a look back on the Museum's history and forward to the future! Enjoy 3 days of activities in and around the Museum including access to interesting and unique road tours, special video presentations, raffles, the annual open Membership meeting and more during this event in honor of your help and support! The event will also include the Lifetime/HOF Inductee dinner, 10/15/20/25-year member recognition, Ambassador Luncheon, and the "Corvette Hall of Fame" Induction Ceremony and banquet where we will induct new members into the prestigious and elite group of recipients who have made a significant contribution to Corvette history.

Hall of Fame inductees for 2017 are Peter Brock, Jim Minneker, and Tommy Morrison. Individual seating and group tables are available.

Anniversary registration is no charge for Lifetime members, \$20 for members and \$30 for non-members with deadline for online registration 5:00pm central, Thursday, August 17,

2017.

For more information and to register, go to http://www.corvettemuseum.org/event/anniversary-celebration/?instance_id=616.

We have a hotel room block for LSCC members. Contact, me, Johnny Downs, for rate and reservation instructions.

More NCM Members

In May, four LSCC members joined the NCM. Two more signed up in June. Thanks to James and Mary Ann McMichael for becoming Family Members.

With the help of Stephanie Morrill at the NCM, I came up with some interesting information. As of today, 301 members of LSCC are also members of the National Corvette Museum. The breakdown is as follows –

Individual	67
Senior Individual	3
Family	115
Lifetime	116
Total	301

Thanks go to that huge number of folks, but there is still a bunch of you that need to join us. Become a member, receive the benefits and support the preservation of our car – the Corvette.

If you are not a member of the National Corvette Museum, you can join for as little as \$37.50 for an individual or \$75.00 for a family. For membership or anything NCM please contact Johnny Downs, 214/384-8565, 903/564-3069 or ediewoww@aol.com.

The Hot Rod Power Tour Made a Stop at the NCM

Competitive Events

Dennis Corder, Competitive Events Officer

Autocross. At Brookhaven College. The next one is on July 15th. Speeds in Autocross are slower, in absolute terms, when compared to other forms of racing but the activity level, measured in discrete turns per minute, can be higher than even Formula One due to the large number of elements packed into each course. The donation is \$15 per car. Helmets are required but loaners are available.

Drag Racing. We're on summer break for now. Next event will be Sunday, Sept 10th at Wichita Raceway Park - Iowa Park (Wichita Falls). Contact Allen Kaus at 972-467-0271 if you have any questions.

Open Road Racing. Sandhills Open Road Challenge is a 55-mile rally style open road race through the scenic Nebraska Sandhills on August 9th - 12th. Contact Mike Black at OpenRoadRacing@LoneStarCorvetteClub.com. This is not the only open road race that the group goes to during the year. Please check the web site for other events and times.

Rally. The club does not sponsor rallies at this time but I will tell you about the SCCA group that will be holding the "DFW Map Rally" on Saturday, Aug. 19th. They offer the popular GTA (Games, Tours, Adventures) rally, often known as the "gimmick rally". Speed is not a factor on these events. The teams are given a set of route instructions. These instructions tell the team where to go so that all teams follow the same path to the ending point of the rally. Watch (<http://www.texasscca.org/rallytime>) for more information on this event and I will post on the bottom of our rally page when I have more information.

HPDE. Contact Mike Krieger. This is NOT RACING. You drive at your own pace; instructors will not force you into an uncomfortable situation. This is performance-driving education that will help you in your everyday driving and/or the next spirited drive you take.

The next PCA two-day event at MSR Cresson will be on September 23rd & 24th. Registration will open July 23rd.....Mark it on your calendar.

As always, watch these web pages on our club site for updates and new listings.

For Women ONLY Performance Driving School

85% full so there's still room!

Special Event for the special women in your life.

Designed to build CONFIDENCE in her driving.

Held at Motorsport Ranch Cresson on July 15 & 16.

This event will be a little different from our normal events that you have come to know and love. This one is especially designed for Women Only who will enjoy a relaxed learning environment while developing driver-awareness, car-control skills and wisdom with speed. Making this a fun experience, while gaining confidence and skills in their driving ability, all free from the testosterone factor usually at the track.

Event fee \$375 per driver.

Finally, we need YOU to help us round of the rest of the 2017 events calendar. We are seeking event coordinators for a range of upcoming events. Whether you are interested in car shows, cruises, social gathering, tours, or any other type of outing, there is bound to be something for you on our list. Check out the Recreational Events page on the club website for information on how to get involved with event coordination. And, don't worry if you have not coordinated an event before. Rest assured, we are here to help!

Cars & Drivers Needed for Plano Lions Club 4th of July Parade

Bob Young - Coordinator

I know this is VERY short notice but the Club has been asked again by the Plano Rotary Club to provide drivers and ten (10) Corvette convertible and/or coupes with tops stowed to drive their officers in The Plano Lions Club 4th of July Parade. It will be held on Tuesday, July 4, 2016. It has been a Plano tradition for over thirty years. The Club has participated in the parade for the past two years. Though short in length the parade is very well attended by Plano residents. It should be a great opportunity to get some exposure for the Club.

The parade gets underway at 9:00 am. The Rotary Club's position in the parade is very near the front so we should be finished no later than 10:00 am, giving you plenty of time to celebrate the 4th with your family. (Total driving (creeping) time should be less than 30 minutes.)

We'll meet in the former Albertson's parking lot at 15th Street and Custer at 7:30 am and then proceed as a group to our position in the parade to decorate our cars. This year's theme is "Plano Honors our Heroes." (Independence Day decorations are optional. We will be using clear tape to put Rotary Club banners on our doors.)

Because we will be driving Rotary Club officers, you will not be able to bring along a companion to ride with you.

Sign up on the Website. Plano Lions Club 4th of July Parade - 7/4/2017

Please give me a call at 972-596-5181 if you have any questions.

Thanks for your support.

It's Showtime Again for the Mecum Auction

Craig Satterfield - Coordinator

This year the fun begins on Wednesday, September 6th and continues four days until Saturday, September 9th. This event requires over 100 of our members and guests to drive all types of vehicles from every era and style. This event is not only one of the most fun things we do, it also benefits the Club with thousands of dollars every year. In fact, in the last six years, we have raised almost \$47,000 for the Club.

This year the Mecum Auction will be broadcast nationwide on NBC Sports Network. We will be in the same place we have been the past six years.

We anticipate about 1,200 cars going across the auction block over the four days. We will need a minimum of 40 volunteers per shift to make the auction run smoothly. This is a great opportunity for Club members to invite car buff friends to come with you to volunteer and enjoy the ride.

To participate, please go to the Club Events page to sign up for the shift you plan to work. There will be one shift on Wednesday and two shifts on the rest of the days. If you are a newcomer, I would encourage you to begin your day on the first shift to go through the official training process. Please read the guidelines when you sign up. Free parking will be provided for our volunteers.

Please sign up as quickly as possible because the slots fill in quickly. See the schedule below for reference.

On a personal note, I would like to thank all the Club members who have volunteered in the past and come back every year with their experience and enthusiasm. I am proud that our Club continues to impress the Mecum representatives with our organization. I am grateful for the opportunity to serve both Mecum and LSCC in this great event.

27th Annual Eureka Springs Corvette Weekend

October 5 – 8, 2017
“We want you!”

Phil Davies

Johnny and I were yakking the other day and he was saying LSCC has been attending this event since 1998. In fact, he continued with a tiny-winy tear in his eye and stumble in his voice “LSCC has never won the club participation award. Even when we had 60 plus cars, Tulsa Vette Set always beat us out”. With that, I was thinking it would sure be cool if LSCC could bring home that elusive plaque. After all this will be the 20th attempt. Now for the pitch, “Let’s win this one for JD”.

LSCC Corvettes Signed Up for 2017 Eureka Springs Corvette Weekend

So how are we going to win the club participation? We’re going to cheat by bringing the most cars; pretty simple don’t you think. Here is what I need you to do as a LSCC member. Go the LSCC web page and sign-in as a member, scroll down to the 26th Annual Eureka Springs Corvette Weekend information panel, hit the “register here” button. You are now where you can sign up and view all the hotel information. I will be notified via email once you register and will contact everyone via email with further details.

Out of all the events LSCC attends, this one is probably the most unique. Unique in the sense that seven Corvette clubs come together to put on the four-day event. Here is a list of the clubs and the events they provide: 1) Central Arkansas Corvette Club (Rides for Kids); (2) Kansas City Corvette Assoc. (Show & Blindman Autocross); (3) Lone Star Corvette Club (Poker Run); (4) Northwest Arkansas Corvette Club (Parade of Champions); (5) Tulsa Vette Set (Fuel Economy Run); (6) Air Capital Corvette Club (Nursing Home Private Show); and (7) Razorback Corvette Club (Registration).

Kristina and I have been LSCC members for nearly 10 years and I think this will be our 8th year attending this event, so we obviously have enjoyed it as have many others who've been going much longer than we have! ☺ If you have never been on a LSCC caravan, I would like to reach out and invite you to a super fun trip this October. After all, who does not like to drive the best car made on some of the most beautiful roads in America, enjoy lies with friends during a nice meal and sharing in a well-run, activity-filled weekend with other Corvette enthusiasts. If this has a spark of interest, well, all you need to do is sign up on the LSCC website, book a hotel and save the date.

As you can see from the website, as in the past, we will have two departure dates. The shortest, most direct route leaves on Thursday, October 5th, and is mostly on divided highways and typically includes the scenic Pig Trail Byway through the Boston Mountains.

For those who have an extra day and want to experience some additional beauty, curvy roads and desire a little culture, we will leave on Wednesday, October 4th. Caravans on both days will gather and leave from the Oklahoma welcome Center; however, the earlier one will head for Broken Bow where we will stop for lunch. After lunch, we will head north thru Ouachita National Forest to our hotel in Rogers, AR. After a restful night, we will head to Bentonville to visit the Walmart Museum and Crystal Bridges Museum of American Art. A sit down lunch is being planned at the Eleven Restaurant in the Crystal Bridges Museum. After lunch, we are looking into two private museum tours: the "Collection Highlights" and the "Temporary Exhibition" (Chihuly: In the Forest). www.crystalbridges.org. From there we will head to our hotel in Eureka Springs.

If this will be the first time for you to Eureka Springs, there are lots of things to check out in the well-preserved town set in the Ozark Mountains of northwest Arkansas. A trolley is available from most hotels to take you off for wonderful day of shopping and investigating all the historical gems of this idyllic town. A short drive out of town will take you to Thorncrown Chapel, War Eagle mill, Turpentine Wild Cat Refuge or the suspended bridge, as a small sample of ideas.

Highlights of the Corvette-related events include the fuel economy run on Friday morning (navigates about 80 miles of scenic country roads; you compete with others in your class for the best fuel economy) and a scenic photo run the same day. Of course the car show is Saturday morning followed by the poker run and parade of champions that evening. By the way, we'd love to have LSCC volunteers to help put on the Poker Run as that's LSCC's contribution to the weekend...and it is a blast...so be ready to chime in when the time comes! What are you waiting for...let's hit the road and save the wave. You'll get lots of practice waving to Corvettes as you cruise around town!

Tom Rainey won First Place in '84 Corvettes and Newer at MOM's 8th Annual Memorial Day Car Show benefitting the Green Valley School.

Willis and Linda Jones won a Class Award for their Crystal Red C7 Convertible at the Central Oklahoma Corvette Club's Corvette Show in Edmond OK.

LSCC at The Grand Casino

Rick Herrick - Coordinator

LSCC had a grand time at NCCO car show at The Grand Casino in Shawnee . Of course, for some of us, the trip wouldn't be complete without rain. I left for the caravan departure point as the rain ended in Dallas. And then there was the road spray. We had four Corvettes in the caravan plus Tweety's support vehicle. Yep, Tweety's display is so big, he needs a support van driven that was driven by Di-anne. LSCC was well represented. Not everybody registered on our website and several came for the day. I think we had 18 registered which made LSCC runner up for the club participation award. I met Mel and Lois Thomason from Kaw City, OK. They joined LSCC at Eureka Springs 18 or 19 years ago! They have a beautiful, white C4, which took third place in C4 category. We had two in the winner's circle for Custom Corvettes – Tony Pittman and capable Navigator Antony took 2nd place. Twetty's Corvette and display put him in first place. Congratulations to our winners and a big thanks you to those who attended. I'm hopeful we can have a few more attend next year.

NCM Motorsports Park HPDE Track Day

June 5th & 6th

Mike Krieger & Mike Bell - Coordinators

The National Corvette Museum embarked on one of the most exciting and significant expansion projects in the nearly 20-year history of the Museum when, on June 28, 2013, it broke ground on a 184 acre Motorsports Park. The \$20 million, dual-track attraction provides motorsports enthusiasts with a new favorite destination. The two circuits, "East" and "West" can be combined into multiple configurations ranging from a high speed loop of 1.96 miles to an extended 3.15 mile technical course. The teams at Corvette Racing and Pratt and Miller advised the Museum on the layout, incorporating features from their most challenging track, the Le Mans circuit. The facility welcomes all makes and models of vehicles, including motorcycles.

NCM MOTORSPORTS PARK

Thank you to the businesses, clubs, and individuals who believed in the vision for a motorsports park at the National Corvette Museum. This world-class facility exists today because of the initial support of those who committed and contributed to help purchase the land for this project when it was only a dream!

Carolyn Atkins, Recording Secretary

Lone Star Corvette Club

Casa Cha Cha

June 3, 2017

Rick Herrick, President called the business meeting of the Lone Star Corvette Club to order at 12:13 a.m.

Rick introduced the LSCC 2017 officers:

Rick Herrick, President

GH Hodges, Vice President

Terri Krieger, Financial Officer

Sharon Norris, Treasurer

Joe Carrion, 2017 Classic Officer

Gary Nesta, Membership Officer

Joe Hester, Technical Officer

Tony Pittman, Recreational Events Officer

Dennis Corder, Competitive Events Officer

Carolyn Atkins, Recording Secretary

Norm Glowicz, Newsletter Officer

Johnny Downs, NCM Ambassador

Robert Shellberg, Classic Chevrolet Liaison

Linda Shellberg, Public Relations Manager

Gary Nesta, Membership Officer introduced 4 new members/guests. He also reported LSCC has 1,257 members and 678 memberships as of June 1, 2017. A motion was made, seconded and approved without discussion for all new members listed in the June Newsletter. Anniversary members were recognized.

Carolyn Atkins, Recording Secretary requested a motion to approve the May 2017 Business meeting minutes as published in the June Newsletter. A motion was made, seconded and approved without discussion.

Terri Krieger, Financial Officer reported on the checking and savings account balances. A motion was made, seconded and approved to accept her report without discussion. Terri informed the LSCC membership her term is up in December. Talk to Terri if you are interested in becoming the Financial Officer. She thanked all the volunteers who worked registration at the Classic.

Joe Carrion, 2017 Classic Officer reported on the Classic. Joe thanked all the Classic coordinators and volunteers. Joe encouraged the LSCC Membership to attend the NCCO Car Show on June 10. They brought 21 cars to the Classic this year.

Phil Key, Navigator Coordinator, encouraged the LSCC members to volunteer to mentor a new number. We just need our members to welcome our new members through email or phone call and help answer questions and encourage them to get involved.

Rick asked all LSCC members with birthdays in June to stand and we all sang Happy Birthday to them.

With no further business to discuss, the Business meeting was adjourned at 12:32 a.m.

1992 Corvette Convertible - This award-winning car (as depicted with 40+ plaques on the wall behind it) is an eye popper whether in a show or on the road! The original LT1 motor (350 CI, 300 HP) has just 33,826 pampered miles on it. The car has a 4-speed automatic transmission, 4-wheel disc brakes, *very cold* air conditioning, Delco-Bose sound system, black leather bucket seats, and tinted power windows. The exterior is very desirable Bright Aqua Metallic paint, with the original black convertible top. Nitto tires have less than 1,000 miles on them. The engine is show car immaculate. Always garage kept, this car has been meticulously maintained! Receipts available upon request. Own your very own classic show car and road beauty today. As a bonus, a one-of-a-kind personalized car tag Corvette talk for "92C4LT1" purchased in March, 2017, a \$500 value, is included. These tags have a registration until the year 2022.
