### NEXT MEETING

Saturday, October 14, 2017

11:30 am until 1:30 pm

**Classic Chevrolet**

[1101 W Highway 114](#)  
[Grapevine, TX 76051](#)

Just bought a new Corvette? Or just love them? You've come to the right place!  
The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.  
Our Club slogan says it all:

### **Good Friends... Great Cars!**

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

**Road Trips** – The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a nine-day caravan to Vettes on the Rockies held in Winter Park, Colorado. Past trips have taken us to the Black Hills of South Dakota, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

**Day Trips** – Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

**Open Road Racing** – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

**Drag Racing** – Another “go fast” group within the Club are the Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

**Autocross** – Others in the Club prefer to sharpen their driving skills by competing in Autocross. An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

**NCRS** – Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

**Car Shows** – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in the Dallas Autorama. On the first Saturday of each month, you’ll find a bunch of us at Cars & Coffee in Plano, “kicking tires” and telling tall tales about our cars.

**Displays and Parades** – The public loves to look at our Corvettes. Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

**Lone Star Corvette Classic** – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course.

100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

**Club Meetings** – The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.”

I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

Rick Herrick  
President

**WE NEED YOU!** Officer nomination takes place this month during our meeting at Classic Chevrolet! All positions are open and several incumbents cannot serve in their current position again. See last month's Red Line for those offices. The only requirement to hold an office is that you must have been a member for 12 months. Holding office is an enjoyable and rewarding experience. Job descriptions are stated in the By-laws which are available on the website. Or ask an officer.

**Ken and Jean Hill, Bob Paton, and Jim and Fran-nie Weidemier** made our donation of \$10,200 to the NCM last month during the board meeting at the Hall of Fame Induction event. Congratulations to **Norm Glowicz**. Our newsletter received 3<sup>rd</sup> place in the Best Newsletter competition! Congratulations also to **Johnny Downs** for receiving NCM Master Ambassador recognition for the 13th year!

We will be presenting our donation to Patriot Paws at the October meeting. One of their older graduates will be present and will demonstrate his skills. Please join us. Virginia and I visited the new expansion to their facility in Heath, TX and were most impressed. Training requires two years at a cost of about \$33,000. We heard several wonderful stories of the connection between their dog and their Veteran. There will be a graduation ceremony on November 4 which is open to the public. If interested in attending, ask for time at the meeting.

Many thanks to **Craig Satterfield** for his leadership at the MECUM auction!! Thanks also to those who volunteered. In spite of selling fewer cars this year, MECUM donated \$8,000 to LSCC! MECUM says LSCC is the best, most professional group of volunteers they see at any site.

Registration for the **Dallas Veterans Day Parade** is open. We have slots as usual for 40 WWII veterans and 30 Korean Conflict veterans. In addition, we may have one or more sponsors who may want to have veterans in the parade. I give preference to those who have driven in the past as they ride the same veteran. Several past drivers are no longer members so there will be new drivers needed. I'm hearing that some of the veterans may not ride this year due to fatigue. Some obviously have passed away or are physically unable to ride. I've reached out to a couple of other places – still waiting for answers. I try to use as many of you as possible. Please don't take offense if you are not called upon.

**Thanks to our sponsor – Classic Chevrolet and The Thompson Group.**

### ***Proud to be a Texan...***

You know those monster trucks that hurtle down the highway? The ones about which we, in our sleek sports cars, might mutter a few unkind words?

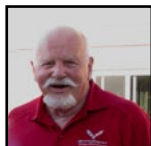

Hurricane Harvey barged into the lives of millions of Texans recently, and he overstayed his welcome. Much of the Texas gulf coast was deluged with high winds and massive flooding. As fast as the floodwaters began holding residents hostage, the citizens jumped into action to help each other. Texans demonstrated on the world stage that they are self-reliant people who wait for no one when neighbors are in need. Almost simultaneously, something called the *Cajun Navy*, a group nearly 200 of Louisiana's finest ordinary citizens with boats, were on the way to help. One TV report of a rural citizen told of awakening in the night to flood water in the house. Already aware that his over-extended sheriff's department was unable to respond before daylight, this flood victim placed a call to the Cajun Navy. He and his family were rescued within 30-minutes.

An amazing group of Texans, organized by *CP Offroad* in Tomball, TX, rained down on SE Texas with 200 boats, 300 trucks (yeah, those monster trucks mentioned above) and 600 volunteers from around our state. That number swelled with people bringing boats from around the country just to help. A Houston mother of two toddlers used her laptop computer to devise a network between pleas for help on social media to a volunteer rescue dispatch center. And, what can you say about JJ Watt raising over \$37 Million?

With the urgency and precision of a Jan Magnussen C7R pit stop, these volunteers worked in concert with local, state, and federal rescue partners to provide a simply amazing response that was far more robust than leaving it to those agencies alone. If this whole Harvey experience doesn't reassure your faith in humanity and your pride in Texas, nothing will.

***Great Cars and Good Friends***

The National Corvette Museum celebrated its 23<sup>rd</sup> Anniversary over the Labor Day weekend. LSCC members were very involved.

### Lifetime Members

On the first night of the celebration the Museum honored its Lifetime Members with a dinner in the NCM Conference Center. LSCC members in attendance included Jim and Frannie Weidemier, Mike and Pam Dale, Lon and Anne Helton, Bob Paton, Tuna and Susan Dobbins, Glenn and Andrea Johnson, Paul and Barbara Mariano and Johnny and Edie Downs.

### Awards

On the first day of the celebration a lunch was held for NCM ambassadors. Awards were presented for best newsletters and websites. Of the many clubs entered LSCC won Third Place – Best Newsletter, a great honor.

A number of Master Ambassador awards were presented. These have a lot to do with museum membership and support from the Ambassadors' club. Thanks to LSCC Johnny and Edie Downs received their 13<sup>th</sup> consecutive Master Ambassador award.

### LSCC Donation

On the third day of the Anniversary, the NCM Board of Directors held its open membership meeting in the Chevrolet Theater. The first order of business was the presentation of a huge check in the amount of \$10,200 from LSCC to the NCM. Bob Paton did the honors with most of the Lone Star members mentioned elsewhere in this article present.

It is not confirmed, but I believe this is the largest donation by a club this year. These funds will be used for the acquisition and display of the Museum's historic automobiles and memorabilia.

### Membership Anniversary

Shortly after the Board/Membership meeting the Chevrolet Theater hosted the 10/15/20/25 Member Recognition. LSCC's own Ken and Jean Hill were presented with pins honoring them for 15 years of NCM membership.

### New Color

A number of 2018 Corvettes were on display at the Museum during the Anniversary, including the new Carbon 65 model in Ceramic Matrix Gray. But the big attraction was a fender painted orange. It was the just announced new color, Sebring Orange Metallic Tintcoat. Although metallic, the shade is very near that of the 1969 color, Monaco Orange. It is bright. A production date has not been announced.

### NCM Board Members-Update

I found out about this at the NCM Anniversary, so I am adding this bit of good news. In last month's newsletter I related that LSCC has four members on the NCM Board of Directors. Unknown to me at the time, Paul and Barbara Mariano had joined Lone Star. Paul is an NCM Board Member. That brings the number of LSCC members on the Board to five! Paul and Barbara live in North Carolina and are members of the Queen City Corvette Club of Charlotte.

Help Edie and I remain Master Ambassadors in 2018. Join the NCM, buy a brick or make a donation. To do any of those or just for information contact me at 214/384-8565, 903/564-3069 or ediewoww@aol.com.

For information about anything NCM, or to join this great organization at special pricing, please contact me, Johnny Downs, 903/564-3069, 214/384-8565 or ediewoww@aol.com.

# Competitive Events

Dennis Corder, Competitive Events Officer

Our **Autocross** is at Brookhaven College. The next event will be on Oct. 21<sup>st</sup> with a rain date in November. Speeds in *Autocross* are slower, in absolute terms, when compared to other forms of racing but the activity level, measured in discrete turns per minute, can be higher than even Formula One due to the large number of elements packed into each course. The donation is **\$15 per car**. Helmets are required but loaners are available.

**Drag Racing**, Next event will be Sunday, Sept 17<sup>th</sup> at Paris Drag Strip located 5 miles east of Paris on US82. Then back to Ennis on Oct. 29<sup>th</sup> for the last scheduled event of the year. Join the *Killer Vette Drag Race Team* and get in on all the fun! Contact Allen or Martha Kaus at 972-467-0271 if you have any questions.

**Open Road Racers**, It's time to start thinking and planning for next year! Big Bend will be April 18<sup>th</sup> - 21<sup>nd</sup> in 2018. Wouldn't it be fun to blast past the police at the side of the road at any speed you like and all they do is wave! Keep watching for upcoming meetings on this event.

Contact Mike Black at [OpenRoadRacing@LoneStarCorvetteClub.com](mailto:OpenRoadRacing@LoneStarCorvetteClub.com). Please check the web site for other events and times.

**Rally**, the club does not sponsor rallies at this time but I will tell you about the SCCA group that will be holding the "**Clear Blue Sky Rally**" on **October 7<sup>th</sup>**.

- ☐ Any four-wheel, street legal vehicle with two people who are old enough to read is eligible to enter.
- ☐ Entry fee: \$25.00. SCCA members get a \$5.00 discount. Preregistration here at [MotorsportReg.com](http://MotorsportReg.com) gets you the event rules early.

**HPDE**, talk to Mike Krieger. This is **NOT RACING**. You drive at your own pace; instructors will not force you into an uncomfortable situation. This is performance driving education that will help you in your everyday driving and/or the next spirited drive you take.

The next two day event at MSR Cresson will be October 7-8. Registration is open.....mark it on your calendar.

The two day event at MSR Cresson on December 9~10 with registration opening Oct.9<sup>th</sup>.

Apex Driving Academy HPDE will be on Oct. 28<sup>th</sup> on 1.7 mile CCW at Motorsport Ranch.

They will also hold an event on Nov. 17<sup>th</sup> at Motorsport Ranch in the 3.1 mi CCW direction.

We're working on a special "**LSCC Members Only**" event at Eagles Canyon Raceway on Saturday, November 4<sup>th</sup>. Mike Krieger has spoken to the new owner's of ECR about holding a LSCC member track day including a group just for women. They will have their own class and track time with instructors. Here's the catch, in order to keep this a "Club Only" event, we need commitments from a minimum of 35 drivers (men & women). We also need 12 to 15 women to make the Women's only group happen. The price is tentatively \$200 which includes water, sports drinks and snacks during the day along with lunch. We'll run Beginner, Experienced, Instructor, and Woman's sessions. We will have loaner helmets available at the track for those who may need one. At this point, it will be drivers only on track, no passengers (track instructors only), everyone will need a helmet on track and rag tops are OK if ran in the Beginner group.

**As always, watch these web pages on our club site for updates and new listings.**

## New Coordinators Needed!

It's time for you to get involved!

Corvette Club members, you may be aware the time is fast approaching for our annual Election of Officers. The Officers are limited to two terms and there will be a lot of vacancies to fill. I want to make you aware our **Coordinators** have no term limits and many of these great Corvette friends have been in their position for several years, consistently serving the Club month after month. These Corvette friends have done a great job with extreme dedication while in their positions. It's time to give them some much-needed thanks and relief. We've already heard from the Coordinators for Autocross, Raffle, and Merchandise. You can show them your appreciation by following in their footsteps as the Coordinator for those positions, giving them the chance to relax and enjoy the Club the way you do. You will have big shoes to fill, however your Club needs new blood to work all positions, Officers and Coordinators alike. Whether you have experience or not, let a Board Member know you are willing to serve. We have all learned on the job and now is the time for you to step forward and learn from these people before they leave. So, raise your hand and say, "Yes, I can do it!"

## GO-FUND-ME

LSCC Member Shawn Brumley suffered severe injuries in March of this year due to a fall from a ladder in his home. Injuries to his head required brain surgery, and he is now in physical therapy learning to live with paralysis in his left arm and leg. While Shawn is recovering well, he has a long, expensive road ahead, and is not able to work yet. You can provide support to Shawn and his family with a donation for medical expenses. Click on this link: <https://www.gofundme.com/shawn-brumleys-medical-fund>. Good Friends, Great Cars!

## LSCC Bylaws, Section XII, Article 5 is Revised

E. The duties of the Recreational Events Officer will include, but not be limited to:

1. Coordinate road trips, including trips to car shows with a primary emphasis of fund raising and/or recreation. In the event the nature of the event is ambiguous, the Club President shall make the decision whether responsibility of the event is Recreational or Competitive.
2. Coordinate car displays.
3. Coordinate dinner cruises.
4. Coordinate swap meets, detail days, shade tree events, etc.
5. **Ensure that Club insurance requirements are met for Club sanctioned events that meet coverage criteria as outlined by the Club's insurance carrier. This includes ensuring that event coordinators complete the required Independent Club Event Liability (ICEL) forms and collect the required, current, properly formatted, and signed waivers from event participants. The Recreational Events Officer will submit the completed ICEL to the insurance agent and ensure that all documents are delivered to the Recording Secretary for archival.**

# 2017 Sulfur Springs Corvette Classic

Bob Paton - Coordinator

October 27 & 28

This is a great show and the members of the host Sulphur Springs Corvette Club do it right. Meet us there, or make it even better by joining the caravan to the show. The Friday caravan will meet at 2:30 in Garland in the Bass Pro parking lot located at 5001 Bass Pro Drive - I-30 Exit 62. Try to arrive early as we plan on leaving for Sulphur Springs around 3:00 pm Friday afternoon. We will drive I-30 to exit 124 in Sulphur Springs.

If you do not caravan, directions are I-30 to exit 124, Hwys 11/154, north to downtown, left on Jefferson to Alliance Bank on northwest corner of square. Or, put 100 Jefferson St., West in your GPS. See you in Sulphur Springs.

The Friday night dinner and entertainment will be a "Friday Fabulous Fifties at the Hangar" featuring an Elvis Tribute by Josh Davis. There will also be a "50's" costume contest, so ladies bring your poodle skirts and guys, what can we say: you may have to watch "American Graffiti" again. The Friday night event always sells out so it is extremely important to make your reservation ASAP. Please note: All attendees must be registered for the Saturday show.

For more information and show entry form go to the Sulphur Springs Corvette Club website: <http://www.ssvetteclub.com>.

On Saturday there is the Corvette Show on the square. All that, plus a historic old downtown with great restaurants and shops to fill the day, not to mention the GLASS bathrooms on the square. Rooms are available at the Hampton Inn (903-439-4646) for Friday night. This is the host hotel and will fill up quickly, so call soon.

Other hotels are the Holiday Inn 903-885-6851, LaQuinta Inn 903-885-8181 and Best Western 903-885-7515. Mention "Corvette Rate" when you call.

What better way to wind down the car show season! Hope to see you there.

# Eagles Canyon HPDE

Mike Krieger - Coordinator

A HPDE Track Day at Eagles Canyon Raceway is planned for the Lone Star Corvette Club on November 4, 2017. Eagles Canyon will have a group just for women including classes and track time with instructors.

Here is the catch. To keep this a "LSCC MEMBERS ONLY" event, we need commitments from a minimum of 35 drivers (men & women). LSCC needs 12 to 15 ladies to make a "Girls Only" group. The current price is \$200 per person which includes water, sports drinks, and snacks during the day plus lunch. We will run Beginner, Experienced, Instructors, and Women's sessions. If we have enough demand (12 to 15 drivers) for a Touring Group, Eagles Canyon will rearrange the groups to make one possible. The desire is to have a rotation of four groups to give us at least five run sessions for each group.

The cost of \$200 each for 35 drivers is the breakeven point for the track rental. That is why commitments are needed to make this event happen. During instruction the only passengers allowed are the instructors. Helmets are required. Club helmets will be available if you need one. Rag Tops are OK to run in the Beginner group. Passengers are allowed during parade laps, which we may be able to run during the lunch break. No helmets are required during parade laps which will have a maximum speed of 35 MPH.

## 32<sup>nd</sup> North Texas Corvette Roundup

by Johnny Downes

On September 22<sup>nd</sup> and 23<sup>rd</sup>, the Wichita County Corvette Association held their 32<sup>nd</sup> North Texas Corvette Roundup. A bunch of LSCC members brought their cars to Wichita Falls for a weekend of checking out beautiful Corvettes, seeing old friends, making new friends and participating in some good Lot Lizard parties.

The fun started on Friday afternoon as Lone Star members; coming from three assembly points in the metroplex area, met at the Jolly truck stop outside Wichita Falls and caravanned together to the show site at the Holiday Inn. Other LSCC members arrived later Friday, and still more made the short drive on Saturday morning.

For those arriving Friday, WCCA hosted a delicious hamburger cookout that evening. After everyone got their fill of the great food, it was out to the parking lot and not one, but two LSCC Lot Lizard parties.

Most of our members were out early Saturday morning cleaning and detailing their cars for the show later in the day. By late morning the LSCC folks had their chairs out and were into fellowship with all the other show entrants.

If they got tired of sitting there were plenty of Corvettes to check out, lots of Corvette merchandise to buy from the National Corvette Museum booth and a food truck with some very good "walking tacos". Also prominently displayed on the show field was the 2016 Roundup Best of Show, an amazing 1967 Corvette mod rod. The Cyber Gray/Red convertible is owned by LSCC's Ken Smith who was there at the car most of the day to answer questions.

When registration closed, the final show count was 80 entries, 16 more than 2016. Of those, 31 were Lone Star Corvettes, a very good turnout.

The awards dinner was held Saturday evening. It began with a social hour at 6:00 p.m. "Social" and "Lone Star" usually go together and sure enough most of the early arrivals were wearing their teal LSCC shirts. Later, a delicious barbecue dinner was served.

The guest speaker was Stephanie Morrill, Membership and Guest Services Manager of the National Corvette Museum. Stephanie, along with her Daughter Madison and Shawn Sweeney also brought all the great Corvette merchandise. The highlight of her presentation, at least from my perspective was when she asked for all in attendance who were members of the NCM to stand. At least half that stood were wearing those teal shirts. It was a great display of our club's support of the Museum.

Following Stephanie's talk, a short auction was held to benefit the WCCA's charities. Several LSCC members purchased items to support the host club.

The evening concluded with the awards presentation. Lone Star members brought away 17 plaques, including several special awards. Tony Pittman, and Ed and Shelley Haven won Sponsor's Choice awards. Best Paint of the entire show was taken by Mark and Shellie Benton.

The highlight of the ceremony was the first time presentation of the Founders Award. It will only be given this year and next, commemorating WCCA's 40<sup>th</sup> anniversary. It was presented to the couple that best represented all the good and positive things about the Corvette hobby. The winners were LSCC's own Phil and Kristina Davies.

Two more Lot Lizard parties, one outside, one inside, concluded a great weekend in Wichita Falls. The show winners were:

**1992 Corvette Convertible** - This award-winning car (as depicted with 40+ plaques on the wall behind it) is an eye popper whether in a show or on the road! The original LT1 motor (350 CI, 300 HP) has just 33,826 pampered miles on it. The car has a 4-speed automatic transmission, 4-wheel disc brakes, *very cold* air conditioning, Delco-Bose sound system, black leather bucket seats, and tinted power windows. The exterior is very desirable Bright Aqua Metallic paint, with the original black convertible top. Nitto tires have less than 1,000 miles on them. The engine is show car immaculate. Always garage kept, this car has been meticulously maintained! Receipts available upon request. Own your very own classic show car and road beauty today. As a bonus, a one-of-a-kind personalized car tag Corvette talk for "92C4LT1" purchased in March, 2017, a \$500 value, is included. These tags have a registration until the year 2022.

Asking: \$17,500.00.
