## Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

### Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

**Road Trips** – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

**Day Trips** – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

**Open Road Racing** – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

**Drag Racing** – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

**Autocross** – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

**NCRS** – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

**Car Shows** – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in the Dallas Autorama.

**Displays and Parades** – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

**Lone Star Corvette Classic** – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

**Club Meetings** – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

John M. Raiden  
President

For those who did not attend the February Club meeting you missed presentations from three of the initial four nominees to be our 2019 Rotating Charity; TXFallenPD, The Veterans Resource Center and Wish for Wings. Details on these charities was outlined in our February Newsletter as well as in the e-mailed ballot. LSCC has a long history of supporting charities, both through our major fund raiser The Lone Star Corvette Classic as well as through the year with charities that are recommended by our members.

Speaking of the Classic and other "short" names we tend to use in our meetings and in some of our communications that are perhaps confusing and misunderstood by new members. We use the term Classic to refer to our annual event, rather than going with the longer name typically just to save time and space. We know it can be confusing since our Club sponsor is Classic Chevrolet and we also tend to just refer to them as Classic. We also tend to short name many of our popular trips such as saying "Boerne" rather than the Texas Corvette Association Open Car Show, "Hot Springs" rather than Hot Springs Corvette Weekend or "Wichita Falls" rather than North Texas Corvette Roundup. As a board, we are aware of these nicknames and the issues they may cause to newer members looking for them on our calendar and we are committed to do a better job in providing more details, so everyone understands what we are talking about. If we use a name or acronym you don't understand, please let us know. This is especially true during a monthly Club meeting, these meetings are for the benefit of our members, if there is something you do not understand, please ask for more details.

Registration for the Lone Star Corvette Classic, a.k.a The Classic is open, and we are looking forward to your participation. There are many activities spread over the 3-Day event that hopefully peak your interest, cruise & dinners, autocross and car shows. Speaking of car shows; you may not be aware that as a LSCC member you can display your car in Show-N-Shine for free, Judged class will still cost you \$55.00. We will also have a special display for Veterans again this year, but you must be signed up for one of the car shows to participate. Don't wait until the last minute to register, **do it now!**

**Thank you to our sponsor – Classic Chevrolet & The Thompson Group**

***"Good Friends, Great Cars"***

Spring is right around the corner and soon we will be enjoying nicer weather and our corvettes a bit more. Our annual Stockyards Run had about 40 corvettes that made the drive from TMS to the Stockyards and it was just the beginning to that experience. Thank you Tom Rainey for getting this event together. We all enjoyed the drive and great food at Cooper's BBQ Restaurant. We have many events coming up in March and I encourage you to participate. Be sure to check out the LSCC [calendar](#) and see all the fun that is waiting for you.

Interested in doing something new? Corvette Word of Dallas will be sponsoring, "Corvettes and Coffee" the first Saturday of every month. Enjoy complementary coffee and donuts with the Corvette World of Dallas family and Corvette community. It is a great day for you to get appraisals on your current Corvette or to shop for a NEW one. You will also receive 15 % off in the Pro Shop all day. To register, please email Brittney DeVine-Daugherty at [bedevine@corvetteworlddallas.com](mailto:bedevine@corvetteworlddallas.com).

Do not forget that you are still able to sign up to volunteer for Good Guys. This year it will be held March 8-10<sup>th</sup>. Last year was the first time that my son and I volunteered and we both had a blast. We met so many people and at the same time saw many cool cars while ticket stubbing. This event brings many visitors from all over so be sure you check it out!

If you are looking for a weekend getaway, head on up to Lawton, Oklahoma March 22-24<sup>th</sup> for the Southwest Oklahoma Corvette Club Weekend (SWOCC). This is Oklahoma's first Corvette show of the 2019 show season. During this 3-day event, there are many things to do such as a welcome dinner, show-n-shine, corvette cruise and poker run! Registration is required and hotel bookings will open soon. Check out the LSCC [website](#) for more details.

Our next club meeting is one that you do not want to miss. It will be a week earlier than normal and will be at LG Motorsports Park in Anna, TX. Pro Racing Champion and successful businessman, Lou Gigliotti, brought this unique first class Motorsports facility to life. Lou has been a great contributor to our Corvette Classic, offering many thrilling road course rides to raise money for our charities. We are thrilled and honored to have an opportunity to have our meeting here.

Be sure to click on the LSCC [calendar](#) and [website](#) for more details on all upcoming events!

### Dollie Cole Inducted Into the Corvette Hall of Fame

Dollie Cole, long time friend and supporter of Lone Star Corvette Club, has been elected to the Corvette Hall of Fame and will be inducted during the 25<sup>th</sup> NCM Anniversary after the Caravan this August. She was elected in the Enthusiast category, and if you saw her at our Lone Star Classic you will agree that she was the enthusiast's enthusiast.

In 2000, Dollie was Chairman of the Board of the NCM. In that year Stephanie Morrill, NCM Membership Manager, secured Dollie's attendance as a celebrity guest at our Lone Star Classic. This was the first of many annual trips by Dollie to support our Classic until her passing in 2014. She set the tone on that first trip. The night she arrived, we took her to dinner. Not only did she refuse our attempt to pick up the check, but she paid the entire bill. She also demanded her hotel be billed to her, not the club, as was planned.

In all the years Dollie Cole attended the Classic, LSCC never paid a dime of her expenses. She said in no uncertain terms that she was there to help the club raise funds for charity, not take money from our causes.

Typically, when Dollie came to the Classic, she brought a former Corvette Racing 18-wheeler, with a huge awning, driven by her son Nick. It was used for autocross and Sunday track events. She also brought many items for our silent auction, and being the queen of shopping, she also spent quite a lot on purchases at the auctions, supporting our charities.

Dollie also brought a love for her "Corvette family". She made a point to befriend hundreds over the years. When making her Dollie Cole Choice at the Classic car show, she took it very seriously. Not only did she look at the cars, but she spoke with the owners learning their stories. This resulted in really great choices.

LSCC was honored to write a letter to the NCM supporting Dollie's nomination to the Hall of Fame. Upon her election we received a letter of thanks from Dollie's daughter Anne Cole Pierce.

As described in the National Corvette Museum announcement, Dollie Ann Cole was a force of nature. Although she was happily married to Ed Cole, President of General Motors, she was never content with just being the auto executive's wife. She instead gained a reputation as a respected businessperson, a staunch defender of the automobile industry, and a strong supporter of Corvette.

Colorful and outspoken, she lived life to the fullest, doing everything from being a model, to becoming an accredited test driver and pilot, as well as the Senior Editor for a publishing company. She was also known for getting things done when no one else could. When privateer racing efforts got stuck, sometimes all it took to get some clandestine support from GM engineering was to let Dollie know about it.

Dollie also provided leadership for several charitable organizations in support of disabled people, children, animals, and families of fallen officers. She served on several national and local boards, including PBS, The Smithsonian National Air and Space Museum, and the National Corvette Museum, where she presided as its Chair in 2000 and 2001.

"Dollie took her position on the board very seriously," Museum Executive Director Wendell Strode remembers. "When the Museum was really struggling, she pushed for a new business plan against strong opposition. She leveraged her contacts in corporate America and GM to open doors to find ways to generate revenue for the Museum. She hosted some large fundraising events for us, and on more than one occasion she would even write a check so that we could be involved in some activity that would make us more visible locally and nationally. Dollie was very proud of her affiliation with the National Corvette Museum. She worked hard to get others excited, involved, and proud of the Museum that represented America's sports car."

The other Hall of Fame nominees for this year are Briggs Cunningham in the Racing category and Tom Peters for GM/Chevrolet.

### NCM Raffles

The Museum has temporarily suspended the sale of raffle tickets outside of Kentucky.

A person not affiliated with NCM notified the Museum that it is illegal to sell tickets outside of Kentucky with only a Kentucky gaming license. Whether this is true or not, the Museum must err on the side of caution. So, until further notice, raffle tickets will only be sold to visitors to the Museum, or by phone or online to residents of Kentucky.

In the meantime, the NCM is investigating the claim. In addition, the museum will determine which states accept the Kentucky gaming license and will investigate the process and cost of obtaining approval in states that do not. The hope is that this issue will be resolved shortly.

## NCM Bash April 25-27

Another reason to attend the Bash – you can purchase raffle tickets there!

Kickoff of the 2019 NCM on site event season, the Bash traditionally marks the roll out of the next model year Corvette, the place you can see them up close and in detail. Bash 2019 will provide enthusiasts a chance to see and touch the new 2020 corvette. Based on the total lack of information from Chevrolet on the “C8”, the 2020 could be the last C7. Whether C7 or C8 the new 2020 will be the centerpiece of the Bash.

For more information go to [CorvetteMuseum.org/explore/events/Michelin-ncm-bash/](https://CorvetteMuseum.org/explore/events/Michelin-ncm-bash/)

This year, the NCM Motorsports Park is conducting a two-day high-performance driving event immediately after the Bash for any of you that might want to get on the track and learn how good your ‘Vette really is.

Usually 10 to 15 cars from LSCC make the trip to Bowling Green for the Bash. Normally we do not caravan, so this is not a club trip. However, I do have a room block for LSCC members only at the Hilton Garden Inn. Your stay can be extended to include the track event.

For Bash room block information, NCM membership information, or answers to Caravan questions contact Johnny Downs, 214/384-8565, 903/564-3069 or [ediewoww@aol.com](mailto:ediewoww@aol.com).

**Membership** in the NCRS Texas Chapter has many benefits such as restoration techniques from professionals, technical information, and publications can assist you in finding rare parts to restore or maintain your Corvette.

As a member of the Texas Chapter, you'll receive a copy of our newsletter, The Tailpipe, which is published quarterly. You also will have access to all the knowledge, help, and advice of other chapter members and the entire NCRS family.

Please visit [www.ncrs.org](http://www.ncrs.org) for the complete show for judging schedule and a list of available hotels in the area.

### Scheduled NCRS Events for 2019

Queen City Regional - April 11 - 13  
Sharonville, OH

New England Regional - May 16 - 18  
Boston, MA

National Convention - July 14 - 19  
Greenville, SC

Northern Calif Regional - Sep 19 - 21  
Lake Tahoe, CA

Texas Regional - Oct 24 - 26  
Frisco, TX

### Lone Star Classic - LSCC / NCRS Registration

To register for the Classic as an NCRS participant for the Texas Chapter NCRS Judging for either Flight Judging or Concours Judging.

You will need to first register on the LSCC registration form - after you select either "Judged" or "Show & Shine" you will receive a question about NCRS participation. Complete the LSCC registration. The next step is to complete an NCRS online registration. Go to <https://www.ncrs.org/> | NCRS | National Corvette Restorers Society. and select "Services" - Coming Events - Event Registration - then scroll down to Texas Chapter Meet 5-18-19. Log in and complete the NCRS registration form.

Total Corvette registration for this event is ( 8 ) cars . The NCRS cars will be grouped together at a location under the TMS grandstands.

**The Concours Judging Program** is a new venue that allows Corvettes with modifications to participate in the NCRS judging activities. Many of these modified Corvettes are well presented but would not fare well under the traditional Flight Judging system; thus, owners now have an avenue for display and judging. Modified Corvettes will be judged in two categories - Stock Division and Modified Division. The Stock Division offers two awards (Blue Ribbon and Red Ribbon) while the Modified Division also offers two awards (427 Award and 327 Award). Full details on the registration process are not yet available, and I should have them for the next newsletter. Probably both NCRS and LSCC registration will be required.

If you already own a Corvette, or are planning to purchase one and would like to know more about the NCRS and our Texas chapter, feel free to contact us at [ncrstx.org](mailto:ncrstx.org).

**Autocross** - Please come out and join us for the first autocross of the 2019 season on March 16<sup>th</sup> at Brookhaven College in Farmers Branch. This will be a great time to get warmed up for the upcoming season and the LSCC Classic. A donation of \$15 per car is requested. Helmets are required and loaners are available.

**Drag Racing** - The first contest for the 2019 spring season will be Sunday, March 31<sup>st</sup> at Texas Motorplex in Ennis. There's a small fee to enter and even a smaller fee if you just watch the races for the day. If you enjoy the feel of acceleration, and like to hang out with some great LSCC friends, then drag racing could be a great event for you!

**Open Road Racers** - The first race of the year is coming up in April at Big Bend and registration for this event is full. The Road Race group is having a rookie orientation in March and if you've ever thought about Road Racing you might want to attend. Please contact Mike Black at [OpenRoadRacing@LoneStarCorvetteClub.com](mailto:OpenRoadRacing@LoneStarCorvetteClub.com) for more information. The Big Bend Open Road Race is not the only race that the group does during the year. Please check the web site for other events and times.

**HPDE** - For High Performance Driving Education (often known as "Tracking your car"), please contact Mike Krieger. This is **NOT RACING**, this is legally driving at speed in a very controlled environment. High performance driving education will help you in your everyday driving and on the next spirited drive you take.

These events continue through the winter season but as always you have to register well in advance. To be placed on the "Track Hound Newsletter" mailing list and receive information on local HPDE events, [CLICK HERE](#).

**Rally** - The club does not sponsor rallies at this time but I will keep you up to date on the SCCA group that holds local rallies. The next event is the "Sweetheart Ride Road Rally" on March 31<sup>st</sup>. Sounds like a fun day of driving in the country side. These are mostly 'gimmick' type rallies where you drive on normal city streets, answer some questions, and finish at a local restaurant. Watch <http://www.texasscca.org/rallytime> for more information on these events.

# GoodGuys 9th Annual Spring Lone Star Nationals

Friday, March 8, 2019 to Sunday, March 10, 2019

[Ric Atkins](#) - Coordinator

The Club has once again been offered the opportunity by The GoodGuys Rod & Custom Association to be the Host Club at their 9th Annual Lone Star Nationals to be held at the Texas Motor Speedway on Friday, March 8th, through Sunday, March 10th, 2019.

As the Host Club, we provide volunteers to assist with the event. As we have done in the past, we need volunteers to help park participants' cars in designated areas for judging on Saturday and the Winners' display on Sunday. In addition, we have volunteer opportunities on Friday, Saturday, and Sunday verifying participants' tickets (Stubbing) at the entrance to the South Tunnel at TMS. You are welcome to sign up friends and family members in addition to yourself. Multiple shifts are encouraged.

Details of all volunteer opportunities are provided on the [LSCC Website](#).

# 21st Annual Corvette Weekend

Hot Springs Convention Center Hot Springs National Park

April 18 - 20, 2019

[Phil Davies](#) - Coordinator

*A personal invitation to new members!*

Last year, after a few years of absence, Mike Krieger thought it was time for LSCC to attend the Hot Springs Corvette Weekend event and what a blast it turned out to be. Mike has other commitments this year and Kristina and I will be coordinating this year's trip. Using last year's template, we will meet at the rest stop/OK Visitor Center on 75 just north of the Red River Thursday morning, April 18<sup>th</sup>, at 9 am. After a short driver's meeting, we will run back roads to Broken Bow for lunch. After lunch, we will head north then east thru Ouachita National Forest to our hotel to Hot Springs, AR.

The nice thing about the Hot Springs car show is it's indoors; so it's guaranteed to be nice and dry, not too hot or cool no matter what's going on outdoors.

This event attracts Corvettes from across America. The following events are scheduled: Scenic/Poker Run, Autocross, Valve Cover Races, Corvette Night Light Show, an awe-inspiring Corvette Parade up & down mountains, Fashion Show with a Corvette Icon modeling. Also included are Top Quality Vendors and the World's Greatest Indoor Corvette Show. Registration includes a taste of the South on Saturday at lunch with Southern fried Catfish/Chicken with all the fixings, fried pie and tea. Beside all these great activities, this event is in a great location, close to the bath houses, shopping and restaurants.

If you are fairly new or have never been on a LSCC caravan, I would like to reach out and invite you to a super fun trip this April. After all, who does not like to drive the best car made on some of the most beautiful roads in America and enjoy lies with friends during a nice meal? If this has a spark of interest, all you need to do is sign up on LSCC website and save the date, and we will communicate most of the info through e-mails.

The poster is for the Texas Corvette Association's 27th Annual Open Car Show, held on Saturday, April 27th, 2019, in Boerne, Texas. It features a red background with a faint image of a clock tower. The Texas Corvette Association logo is in the top right corner, and a '40th Anniversary' badge is next to it. The main title 'Open Car Show' is in large white letters. Below it, the date 'Saturday April 27th, 2019' is written. Two white diamond-shaped callouts provide registration and judging details. The bottom section lists event activities like food, music, vendors, and a silent auction, along with the website 'texas-corvette-association.com'. Logos for Fiesta San Antonio, Camaro, and Boerne are at the bottom left, and the SJRC logo is at the bottom right.

# 25<sup>th</sup> Annual Tri-City Corvette Club Car Show

May 3 - 5, 2019

[Phil Davies](#) - Coordinator

**Mark your calendars** for this new road trip for LSCC that is in the planning stage. The show's format will be similar to the Wichita Falls car show, meaning we will gather the morning of Friday, May 3rd, and caravan via back roads through the East Texas piney woods to the Holiday Inn (HI) located in Beaumont, TX. Friday night Tri City Corvette Club hosts a Hospitality Night, providing free food and drink. On Saturday morning, we will get up and prep our cars for the car show which is located in the HI parking lot. In addition to the car show, there is a Valve Cover Race available for those interested, a chance to WIN a NEW 2019 Corvette Stingray (Compliments of MOORE GM) and a FREE Photo Plaque with a picture of your car. If this trip is of interest to you, please sign up on the LSCC website and I will be in touch via email as I finalize the trip details.

[Sign Up Here with LSCC if Interested](#)

Sunday morning, **May 5th**, you will be free to head home, or as an add-on for those who have the time, we'll head to Keels & Wheels Concours d'Elegance for a classic car and vintage wooden boat show in Sea Brook, TX. The Automobile Marques for 2019 are: 100 years of Bentley, Lamborghini and Shelby. I am told they anticipate 200 classic cars and 75 – 100 vintage wooden boats.

After visiting the show you can head home, or again, for those who have the time, we will spend the night in a hotel (TBD) and on Monday May 6<sup>th</sup> we will head to the Houston Space Center for a visit or possible tour

[Click Here for the Keels & Wheels Concours d'Elegance Information](#)

### Houston Space Center (Possible Tour)

If there is enough interest, we can enjoy a personal tram tour of NASA dedicated to our group only and be one of the first daily visitors to Historic Mission Control, an astronaut training facility and Rocket Park, including the iconic Saturn V rocket. Afterward, we can walk through the Space Center at our leisure....and then truly head home from there.

Again, please sign up on the LSCC website if you're interested in coming along for this new adventure!

Take care,

# National Corvette Museum 25th Caravan

August 27 thru September 1, 2019

[Curt Troster](#) - Coordinator

Held once every 5 years the 2019 National Corvette Caravan and NCM 25th Anniversary celebration is truly a once in a lifetime experience. LSCC has blocked 60 rooms at Hilton Garden inn in Little Rock Arkansas our first stop in our caravan to Bowling Green, and 60 rooms at Hilton Garden Inn in Bowling Green where the celebration occurs.

In January we began accepting names on this page the LSCC website. The first 60 people registered are being offered rooms at these 2 hotels. The members that registered after the first 60 will be placed on a waiting list as rooms become available. Four years ago on the 2014 caravan, everyone on the waiting list got into the Bowling Green Hilton Garden Inn but if you don't want to take a chance you might want to consider backup plans. Go to [www.corvettecaravan.com/lodging](http://www.corvettecaravan.com/lodging). You may contact Katie Elison at the NCM (270-467-8846) or [Katie@corvette-museum.org](mailto:Katie@corvette-museum.org) for more info on local hotels. This will be LSCC's big trip for 2019 and we have 75 cars already registered. It is very important that you register on this site first as it will get you on our list for blasts of important info.

Registration has also opened up for the Anniversary Celebration and 2019 Caravan on [www.corvettecaravan.com](http://www.corvettecaravan.com). We will be part of the S.TX caravan so be sure you put this as your caravan. You must do this also to participate on the trip. Other activities you may want to do will be forthcoming on other sites. You may also want to visit the southern texas website for more info and other caravan info such as T-shirts and other caravan items avail. Local Leader Curt Troster has clings and flags avail. There is a link on the main caravan page to their site. Note we are part of S. Texas not Central Tx. Our caravan will be leaving from TMS on Tue. morning Aug 27 where we will be joining both the San Antonio group from S. Tx and the New Mexico-Az caravan. We will join other caravans as we enter Arkansas and in Little Rock then on to Bowling Green on Wednesday.

If you register and find that your plans have changed and you need to cancel, please contact the Event Coordinator, Curtis Troster, at [curtis.troster@xerox.com](mailto:curtis.troster@xerox.com) so he will be able to remove your name(s) from the list.

# 2019 NCM National Parks Tour

[Mike Krieger](#) - Coordinator

This year, because of the 25<sup>th</sup> Annual Caravan to the National Corvette Museum, the NCM has cut way back on the number of Museum in Motion Tours from 20+ to only 7 or so. You might have noticed in this month's "America's Sports Car" that the National Parks Tour is listed on the calendar of events as **"Tentative" for the end of September**. If you are not one of the 30 or so LSCC members that have already joined me on one of the past 4 tours, this could very well be your last chance. If you are at all interested in attending one of the best MiM tours ever, you should drop an email to the NCM Events Manager, [bryce@corvettemuseum.org](mailto:bryce@corvettemuseum.org) and ask to be put "on the short list" for the National Parks Tour (make sure you note that you are an LSCC member). **No Payment Will Be Necessary** until Bryce has enough requests to make the trip fly....then at that time you will be contacted to see if you are still interested and if you are, you will need to make a payment.

For those who haven't spoken to someone who attended one of the past tours, or remember reading one of the past articles, ([CLICK HERE](#) for Oct 2018 Newsletter, see pages 27-35) here is what the trip is all about; it starts in Williams AZ on Sunday where we have our meet and greet dinner. On Monday morning, we head for the Grand Canyon for sightseeing and then onto the Navajo Bridge before moving into our hotel room for 3 nights in Kanab UT. Tuesday we spend the day in Zion National Park followed by Wednesday at Bryce Canyon National Park. Thursday is a travel day with stops at Glen Canyon Dam, lunch & tour at Monument Valley before finishing at our hotel in Moab UT for two more nights. Friday morning we visit Arches National Park, have a group lunch in Moab and finish the day off with a Sunset tour of Canyonlands National Park. Saturday morning it's all over and we head off for new adventures. Hotel rooms, 4 group meals, tour of Monument Valley, and tour guide for the week are included in the cost of the trip.

Bryce is only blocking 20 rooms for this trip; we have averaged 50 cars per year for the past two years so don't put this off....you may miss the boat.

# CLASSIC AUCTIONS: HOW YOU CAN HELP

[Linda Shellberg](#) - Live Auction Coordinator

[Mary Ann Scheppler](#) - Silent Auction Coordinator

How can I help? We hear that all the time from LSCC members, especially when we're talking about raising money for our beneficiaries. We all want to do our part, and one of the best ways to do that is to come up with items to auction off at the Lone Star Corvette Classic.

The Classic is an annual 3-day Event held each May at Texas Motor Speedway. The Classic Auction now generates around \$25K, which is split 40% to Speedway Children's Charities, 40% to The National Corvette Museum, and 20% to our Rotating Charity.

## **Here's some items that sell very well in the Silent Auction:**

- ☐ Toiletries, makeup, and perfume baskets
- ☐ Car cleaning supply baskets
- ☐ Wine baskets
- ☐ Corvette-related jewelry
- ☐ Framed Corvette-related prints, posters and photographs
- ☐ "Man-Cave" or Garage items
- ☐ Corvette and car-related books and paperbacks
- ☐ New or gently-used after-market Corvette accessories
- ☐ Corvette-related luggage, bags, purses, billfolds
- ☐ Restaurant gift certificates
- ☐ Hand-made craft items
- ☐ Diecasts and hot wheels

## **For the Live Auction, these bring big money:**

- ☐ Items with celebrity autographs, especially Corvette-related
- ☐ Tours and tickets to exclusive places (charter plane tours )
- ☐ Hotel gift certificates
- ☐ Rare or high-end jewelry
- ☐ Rare Corvette memorabilia (book signed by Ed Cole, for example )
- ☐ Certificates for wheels, exhausts, headers
- ☐ Hand-made quilts

## **What you can do:**

- ☐ Ask the people you do business with for donations
- ☐ At the Club Meetings, if you win something in the RAFFLE you already have, donate it to the Auction
- ☐ Ask the restaurant where you eat regularly to donate a gift certificate
- ☐ When you're at a yard sale, garage sale or craft fair, pick up inexpensive items that can be grouped into gift baskets

You can bring your items with you to the monthly Club meetings; if you have a large item, let us know ahead of time – Linda - [lrbag@aol.com](mailto:lrbag@aol.com); Mary Ann – [mascheppler@gmail.com](mailto:mascheppler@gmail.com). We need everything no later than the Club Meeting in May. Let's get busy!

## TXFallenPD Honoring The Fallen

Throughout history, there have been more officers killed in the line of duty in the State of Texas than in any other state or territory. In 2018 we lost eleven officers, these brave men and women show up every day to protect us, not because it's their job, but because it is a calling!

The TXFallen Tribute Event began in 2008 as a police bike race honoring the lives of Texas officers killed in the line of duty. Over the years it has grown into a community fund raising event benefiting the Texas Police Chiefs Association Foundation. Through this their Officer Death Benefit Fund provides monetary assistance within 24 hours to the families of officers working in Texas who die in the line of duty. In 2018 they were able to provide each family with a check for \$5000 to help with immediate financial needs.

The bike race and event takes place each fall at the shops of Highland Village in Highland Village Texas. The 2019 dates for the event have not been finalized. There are many opportunities for you to get involved, such as, sponsorships, donations, and participation in the event itself. Since 2008 we have raised over \$210,000 for the Fallen Officer Fund. Help us reach our goal of \$50,000 this year!

The Texas Police Chiefs Association's Fallen Officer Fund is a registered 501(c)(3). Please visit our web site at: [txfallenpd.com](http://txfallenpd.com).

## Corvette Magnetic Ride Control Upgrade

By Ric Atkins

As described in an announcement by Chevrolet Performance, Corvette development engineers have new tools which help them better analyze Magnetic Ride Control (MRC) data recorded on the bench, on the road, and on the track. These tools have resulted in major improvements in Tour, Sport, and Track modes for all MRC vehicles. The improvements are so significant that all 2019 MRC Corvettes will include the new calibration.

Chevrolet Performance is now making these new calibrations available to all customers already in possession of a 2014-2018 7<sup>th</sup> Generation Corvette with MRC. These upgrades greatly improve ride quality and handling feel, and have been rigorously validated and tested to ensure all chassis systems work together.

Each Tour, Sport, and Track calibration is independently tuned for its respective chassis. The new calibrations exhibit a much more refined balance of the heave, pitch, roll, wheel, handling, and temperature compensation algorithms. In Tour and Sport Modes the driver will feel major improvements in impact isolation and integration. Ride motion and balance are also greatly enhanced. Parking lot and low-speed (25 mph and less) ride motions are more compliant and less jarring. Sport mode also improves the handling precision and balance. Like Tour mode, Sport mode will exhibit the same impact and body motion improvements over the original Sport mode. In Track mode, the balance and response to driver inputs are more linear, and vehicle dynamics, based on throttle response, have been greatly improved. Drivers should notice more linear behavior near and at the limit of adhesion.

For 2015 and 2016 Z06 customers who have the Z07 package, there is an option to update the Tour and Sport calibrations and keep the original Track calibration.

For 2018 vehicles, some of the final improvements for MRC upgrades were part of the 2018 production release. Thus, the improvements for 2018 vehicles are also very significant but not quite as dramatic as the 2014 to 2017 packages.

There's some additional information about this upgrade in the following thread:

<https://www.corvetteforum.com/forums/ask-tadge/4081600-answered-magnetic-ride-performance-calibrations.html>

As the owner of a 2016 Stingray with MRC, I was more than a little curious about this upgrade, which is priced at \$350. So I contacted my service advisors at The Thompson Group at Classic Chevrolet and made an appointment to do the software re-flash. The upgrade was downloaded directly from Chevrolet Performance via a high-speed data link. It took less than an hour from the time the car was pulled into the service bay. I was able to drive the car back home with instructions to allow the vehicle to sit for 8 to 10 hours prior to "spirited driving". The need for this is in the service bulletin as – The MRC damper system has a built-in temperature offset correction as part of the calibration. Allowing the vehicle to sit will allow the damper temperature offset in the calibration to accurately reset. The vehicle is still functional prior to sitting for 8-10 hours; however, the temperature offset correction will be less accurate, resulting in a less optimized operation until the damper temperatures normalize.

I am happy to report that the recalibration does improve the ride and handling of our Stingray in Tour and Sport modes as described above. We rarely drive our Stingray on a track or on the street in Track mode, so please report your own results of that when you have your MRC update installed.

How to schedule yours:

Contact Steve Buchholz at 817-410-6122 or Jacob Lazo at 817-410-6121. Provide your VIN and answer any questions they ask in order to determine the exact model and chassis configuration of your Corvette.

If you have questions about this, please send me an email at [ric@classicfleet.com](mailto:ric@classicfleet.com)

## LSCC Officer and Coordinators

Revving fun and friendship since 2009

**John Raiden, LSCC President**

This April, John and Rebecca Raiden will celebrate 10 years as members of LSCC. During that time John has held multiple roles on the LSCC board. We asked John some questions about his service and following are his thoughts on his road trip to becoming club president.

### **How did you decide to run for the board?**

I was approached by Linda Shellberg in the Fall of 2013 about running for the 2015 Classic Officer and agreed to do so without any arm twisting. After serving as Classic Officer in 2015 & 2016 I retired from the LSCC board but continued to serve as Vice President of Lone Star Corvette Classic, Inc. and served there as VP through 2017 when I was elected President for 2018. I now serve as President of LSCC and Treasurer of Classic, Inc.

### **What is the best thing about your role on the board?**

I have enjoyed my 10 years in LSCC and from the beginning I decided to become involved and subsequently have been offered and accepted more important roles in the club and feel I have the skills to handle these roles. I like being able to manage projects to successful conclusions, i.e., our Classic event and like being an active participant in directing the activities of LSCC. I believe I have the disposition and ability to contribute to the success of the club.

### **What special skills are needed to fulfill your duties?**

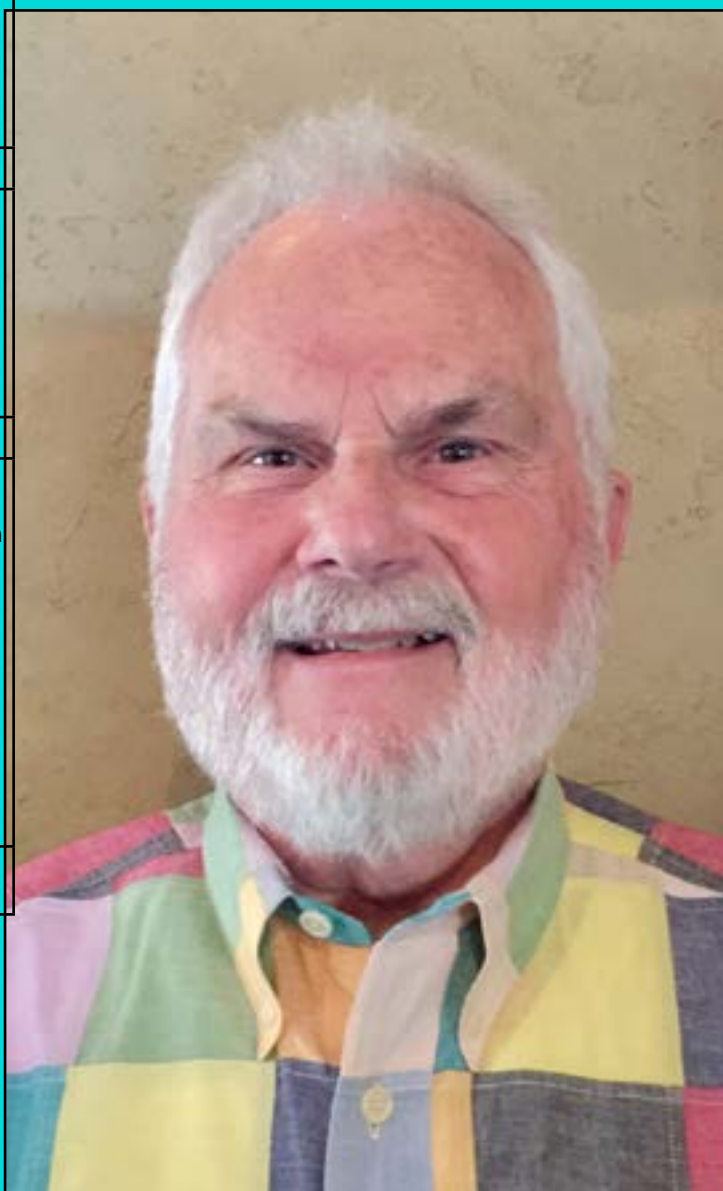

Each position I have held has its own skill set. As President you need to be organized and be able to interact with other board members as well as serve as the club spokesperson, both within and outside the club. You must be even tempered, openminded and willing to listen to others as it relates to club activities and financial matters. A good understanding of LSCC and Classic, Inc. operations and prior service on either BOD should be a requirement. As Vice President you are required to locate and coordinate monthly meeting locations across the DFW area to accommodate as many members as possible. Planning and organizing the annual Christmas party also falls under the VP's duties. Both of these activities require an ability to understand and negotiate contracts, deal with outside vendors and work within a set budget.

### **How much time does it take each month for you to do club business?**

As President, more time is generally required the week leading up to a monthly meeting with agenda preparation and making sure any concerns of other board members are addressed and included. On average I believe I will probably spend 5 -10+ hours a month on club business as President. Even though this is a volunteer position, my background and mindset, i.e., the "Scotch/Irish work ethic" I inherited, will no doubt add to that time as I strive to make sure everything is perfect.

### **What advice would you give someone considering running for board president?**

Get involved with club activities by volunteering as opportunities, time and interests arise, participate in club trips, attend monthly meetings and get to know other members and officers. I found that participating in our trips was a great way to get to know other club members as you had more time to visit than at a club meeting. Step up and coordinate an activity or trip that is of interest to you. Let others know of your interest to serve on the board and don't hesitate to nominate yourself. I am convinced that the more you know about the club, the more members you know, the more gratification and fun you will have. I have met some really special people through LSCC, and Rebecca & I really enjoy the dinners, trips and friendships we have made over the last 10 years.

## LSCC Officer and Coordinators

A new member with a passion to serve

Ellie Mendez, LSCC Vice President

Ellie Mendez and his wife Marlene are serving LSCC full throttle! As a member for just over a year Ellie and Marlene have committed to ensuring the club has a meeting place each month. Ellie is a first time board member and wants to assist members in enjoying their club!

### ***How did you decide to run for the board?***

It started with Rick Herrick's speech at Brookhaven on November 2018. He was speaking from the heart and it resonated with me. I like to volunteer with different organizations so why not with a club that I belong to and it takes member engagement to keep it going.

### ***What is the best thing about your role on the board?***

I think it's the ability to assist the club in trying new things, new venues and meeting many members. Everybody in the club has a voice and this platform allows me to hear members concerns, ideas and suggestions in growing the club.

### ***What special skills are needed to fulfill your duties?***

Being a people person and task oriented are key. As VP, you represent the club in a key position and every member is important regardless of the phone call, email, suggestion and/or concern. Being open minded and putting club priorities first is very important. Having a great support system from other members and past Board Members is greatly appreciated!

### ***How much time does it take each month for you to do club business?***

Honestly not too much. You oversee setting up monthly meetings, the Christmas party and a monthly column in the newsletter called 2<sup>nd</sup> Gear. It sounds like a lot of work, but the column is the only monthly task.

### ***What advice would you give someone considering running for the board?***

Get involved!!!! This is OUR club and it takes a village to keep it going. We have some fantastic members that are always willing to help and support you. You will never be alone if have questions or need help. Everyone is always a phone call or email away. Being in a club is not about just saying you're in a club, but about being a difference maker and finding ways to improve it so you and others can enjoy it. Talk to a past officer and don't be afraid to ask questions, they are always willing to help.

Perhaps the best way to let John Raiden and Ellie Mendez know that their service is appreciated is to come along for the ride. Enjoy the club and consider how you might serve.

This was most challenging to clean up our Pace Car after driving 1385 miles. The funny part is when the Judge was looking for dust in my grill, I turned on the strobe lights. This totally distracted her. She stood straight up and gave me a thumbs up. LOL!

## *In Loving Memory*

It is with deep sorrow that we remember two Lifetime Members.  
Godspeed dear friends!

### Don Davis

Don Davis typified what makes LSCC such a great club. He was the Open Road Racing coordinator even before that was a recognized position. Under his leadership, LSCC was a force to be reckoned with at the Big Ben Open Road Race from as far back as 2002. For over a decade Don was the Open Road Race "cheerleader".

During that time, LSCC won a number of team championships at Big Bend. At club meetings Don made open road racing sound like so much fun that Edie and I decided to give it a try. We participated in our first race in 2006. Don took care of us from the beginning, making us feel a part of the team and assuring that we had an awesome experience, and amazingly he did that for everyone.

Johnny Downs

### Dianne Pollard

A member for over ten years, Diane Pollard enjoyed LSCC road trips with her Corvette friends. Whether visiting the National Corvette Museum or enjoying a stop at the Biltmore during a club trip, Diane loved seeing the country and being with friends.

Her husband Preston expressed deep appreciation to LSCC for the support he has felt during this difficult time. Your cards, calls, and presence at services honoring Diane have meant a great deal to him.
