Texas Motor Speedway

3545 Lone Star Circle
Ft Worth, TX 76177

Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

Road Trips – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

Day Trips – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

Open Road Racing – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

Drag Racing – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

Autocross – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

NCRS – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

Car Shows – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in Dallas Autorama.

Displays and Parades – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

Lone Star Corvette Classic – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

Club Meetings – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

John M. Raiden
President

OK April, we get the point that perhaps showers just weren't enough. For the 1st time in anyone's memory we needed to cancel a Club meeting due to inclement weather. Our decision wasn't done without a great deal of discussion and as it turned out it was a good one. A special thank you goes out to The Thompson Group as they had already prepared for our meeting including ordering lunch. They fully understood our decision; personal and property safety will always be our first concern. Weather also caused us to re-schedule the day trip to the Audie Murphy/American Cotton Museum in Greenville. Check the calendar for the new date.

The election on the Bylaws revisions and nominations & election of a Membership Officer will be held during the May meeting at Texas Motor Speedway. We are scheduled for the Media building in the Infield but will post a notice if that changes.

May is CLASSIC MONTH! Hopefully you are already registered for one or more activities and more importantly signed up to Volunteer for one of the many positions available. The Classic doesn't just happen, it takes many, many volunteers who give of their time to make sure this major event runs smoothly. A lot of us have been doing this for a long time, it's time for others to get involved, this is your Club – we need your participation. There are currently have over 130 volunteer opportunities available, checkout the website and sign-up – we can use your help. The Live & Silent auctions generate the funds, we donate to our 3 charities; The National Corvette Museum, Speedway Children's Charities and our 2019 rotating charity, TXFallenPD. Your support is important, so come to the Classic and participate in our auctions! As a LSCC member you can enter your car in Show-N-Shine for no charge, however the Judged class will still cost you \$55.00. A special display for Veterans is included again this year, but you must be registered for one of the car shows to participate.

Don't wait until the last minute to register, do it now!

Thank you to our sponsor – Classic Chevrolet & The Thompson Group

"Good Friends, Great Cars"

Want to have a Club Fun Day? Join us on May 5th (Yes, Cinco de Mayo!) at Dallas Karting Complex in Caddo Mills. LSCC members and guests will be able to race around the track in 60 mph racing go-carts. Doesn't that sound like fun? We will have a discounted racing fee and each racer will be required to purchase insurance for a low cost. Helmets will also be required and are available for a rental fee, if you do not have your own. If this is something that you might be interested in, please go to the LSCC website to register. If you are like me and want to check out their website to see all the fun ahead of time, go to www.dallaskartingcomplex.com If you have any questions, contact Ken Burks, Recreational Events Officer for more information.

The 30th Annual Lone Star Corvette Classic will be held May 17th – 19th at the Texas Motor Speedway and the Marriott DFW Hotel. This event attracts many people from Washington, Virginia, Georgia and Missouri as well as our neighborhood adjacent states to Texas. There are many events to participate in over the 3-day event so be sure that you go to the LSCC website to see what interest you and register. Fees will be noted and payment is required at time of registering. If you would like to volunteer, select the day, time and event that you want to assist with. Volunteers are still needed for events with many time slots available. Each opportunity has a brief description of the duties, time involved and the number of people needed. Without your time and help, none of this would be possible. If this is your 1st Classic don't worry, we have many experienced members that will show you what to do and it is an excellent opportunity to meet other club members as well as out of town participants. The Classic is solely run on all-volunteers, and benefits our charities, and without you there would be no Classic! If you have any questions, contact Ralph Teehee, Classic Officer.

Our next meeting will be at Texas Motor Speedway on May 11th. Please check the LSCC calendar for updates on the meeting location. There will be **no lunch or cake served** at this meeting. Those who have registered for the Classic will be able to pick up their activity packets. The meeting email reminder will also have the meeting location.

Thank you to Classic Chevrolet and The Thompson Group for being our sponsor.

Volunteers Needed

As has been the case for 20 years, the National Corvette Museum will have merchandise available at the Classic this month. Also, as has been the case for 20 years, volunteers are needed in the merchandise booth.

No experience is needed, just a desire to help the NCM. The major benefit is the opportunity to meet new Corvette friends and visit with old Corvette friends.

People are needed for several two hour Big news this month concerning the NCM is not news but a time slots on Friday at the Marriott Hotel and Saturday at TMS. Just go to "Volunteer for Classic 2019" on the club website or contact me. I guarantee it will be fun.

Collector Car Insurance

The other day one of our members mentioned a concern about their collector car insurance. As with most collector car policies, he had a mileage limit. I believe it was 3,000 miles. He was concerned because he is going on the NCM Caravan this August and might run over his limit. Fortunately, his policy is with NCM Insurance. He can raise his limit for this trip and lower it back to 3,000 next year. Mileage limits with NCM Insurance are available from 1,000 to 6,000 miles, and even unlimited.

Along this same line, another really great feature of NCM Insurance is rollover miles. An example of how this works is, let's say you have a 6,000 mile limit. You report your mileage at the beginning of the policy year, you only drive 5,000 miles, report your ending mileage and rollover 1,000 miles to the next year giving you 7,000.

Finally, probably the greatest feature of an NCM collector car policy is agreed value. An agreed value is established on the policy, and if there is a total loss you are paid that amount. If you have added dress-up accessories and/or wheels to your Corvette, at the very least you will have some difficulty collecting for those in the event of a loss on a "regular" policy. With agreed value add the cost of those items to the book value of the car up front. You will recover your investment, no questions asked, if a loss occurs.

In 2010, we switched three cars from regular auto insurance to NCM Collector Car coverage. Not only did we acquire the benefits I've mentioned, we saved over \$2,100 per year. Adam Boca with NCM Insurance will be here for the Classic, a great time to talk with him and get a quote. Can't wait? Reach Adam at Adam@corvettemuseum.org or 270/777-4520.

Lone Star Classic

The Lone Star Classic is fast approaching. The NCRS Flight Judging program is **FULL**. If you were considering entering your Corvette for Flight or Concours judging you should contact Ray Kimminau.

To register for the Classic as an NCRS participant for the Texas Chapter NCRS Judging for either Flight Judging or Concours Judging.

You will need to first register on the LSCC registration form - after you select either "Judged" or "Show & Shine" you will receive a question about NCRS participation. Complete the LSCC registration. The next step is to complete an NCRS online registration. Go to <https://www.ncrs.org/> | NCRS | National Corvette Restorers Society. and select "Services" - Coming Events - Event Registration - then scroll down to Texas Chapter Meet 5-18-19. Log in and complete the NCRS registration form.

Total Corvette registration for this event is (8) cars . The NCRS cars will be grouped together at a location under the TMS grandstands.

The Concours Judging Program is a new venue that allows Corvettes with modifications to participate in the NCRS judging activities. Many of these modified Corvettes are well presented but would not fare well under the traditional Flight Judging system; thus, owners now have an avenue for display and judging. Modified Corvettes will be judged in two categories - Stock Division and Modified Division. The Stock Division offers two awards (Blue Ribbon and Red Ribbon) while the Modified Division also offers two awards (427 Award and 327 Award). Full details on the registration process are not yet available, and I should have them for the next newsletter. Probably both NCRS and LSCC registration will be required.

If you already own a Corvette, or are planning to purchase one and would like to know more about the NCRS and our Texas chapter, feel free to contact us at ncrstx.org.

Autocross It was a little chilly for the first race of the season, but we still had a great time navigating a challenging course around cones at Brookhaven College's parking lot. The next one is set for May 4th. This will be a good time to practice for the LSCC Classic. The requested donation is \$15. Helmets are required and loaners are available.

Drag Racing The season is underway, and I know the LSCC team is ready to regain their title. Please check with Martha Kaus for dates and other information. The drag racers are always looking for some new members to join them.

Open Road Racing Big Bend Open Road Race was in April led by Mike Black. Big Bend is not the only open road race that the group goes to during the year so if you have any interest, please contact Mike at OpenRoadRacing@LoneStarCorvetteClub.com. Please check the web site for other events and times.

Rally The club does not sponsor rallies at this time but the SCCA group holds numerous rallies throughout the year. Watch (<http://www.texasscca.org/rallytime>) for more information on these events and I will post on the bottom of our rally page when I have more information.

For High Performance Driving Education (often known as "Tracking your car"), please talk to Mike Krieger. This is **NOT RACING**, this is legally driving at speed in a very controlled environment. High performance driving education will help you in your everyday driving and on the next spirited drive you take.

25th Annual Tri-City Corvette Club Car Show

May 3 - 5, 2019

[Phil Davies](#) - Coordinator

Mark your calendars for this new road trip for LSCC that is in the planning stage. The show's format will be similar to the Wichita Falls car show, meaning we will gather the morning of Friday, May 3rd, and caravan via back roads through the East Texas piney woods to the Holiday Inn (HI) located in Beaumont, TX. Friday night Tri City Corvette Club hosts a Hospitality Night, providing free food and drink. On Saturday morning, we will get up and prep our cars for the car show which is located in the HI parking lot. In addition to the car show, there is a Valve Cover Race available for those interested, a chance to WIN a NEW 2019 Corvette Stingray (Compliments of MOORE GM) and a FREE Photo Plaque with a picture of your car. If this trip is of interest to you, please sign up on the LSCC website and I will be in touch via email as I finalize the trip details.

[Sign Up Here with LSCC if Interested](#)

Sunday morning, **May 5th**, you will be free to head home, or as an add-on for those who have the time, we'll head to Keels & Wheels Concours d'Elegance for a classic car and vintage wooden boat show in Sea Brook, TX. The Automobile Marques for 2019 are: 100 years of Bentley, Lamborghini and Shelby. I am told they anticipate 200 classic cars and 75 – 100 vintage wooden boats.

Houston Space Center (Possible Tour)

If there is enough interest, we can enjoy a personal tram tour of NASA dedicated to our group only and be one of the first daily visitors to Historic Mission Control, an astronaut training facility and Rocket Park, including the iconic Saturn V rocket. Afterward, we can walk through the Space Center at our leisure....and then truly head home from there.

Again, please sign up on the LSCC website if you're interested in coming along for this new adventure!

National Corvette Museum 25th Caravan

August 27 thru September 1, 2019

[Curt Troster](#) - Coordinator

Held once every 5 years the 2019 National Corvette Caravan and NCM 25th Anniversary celebration is truly a once in a lifetime experience. LSCC has blocked 60 rooms at Hilton Garden inn in Little Rock Arkansas our first stop in our caravan to Bowling Green, and 60 rooms at Hilton Garden Inn in Bowling Green where the celebration occurs.

In January we began accepting names on this page the LSCC website. The first 60 people registered are being offered rooms at these 2 hotels. The members that registered after the first 60 will be placed on a waiting list as rooms become available. Four years ago on the 2014 caravan, everyone on the waiting list got into the Bowling Green Hilton Garden Inn but if you don't want to take a chance you might want to consider backup plans. Go to www.corvettecaravan.com/lodging. You may contact Katie Elison at the NCM (270-467-8846) or Katie@corvette-museum.org for more info on local hotels. This will be LSCC's big trip for 2019 and we have 75 cars already registered. It is very important that you register on this site first as it will get you on our list for blasts of important info.

Registration has also opened up for the Anniversary Celebration and 2019 Caravan on www.corvettecaravan.com. We will be part of the S.TX caravan so be sure you put this as your caravan. You must do this also to participate on the trip. Other activities you may want to do will be forthcoming on other sites. You may also want to visit the southern texas website for more info and other caravan info such as T-shirts and other caravan items avail. Local Leader Curt Troster has clings and flags avail. There is a link on the main caravan page to their site. Note we are part of S. Texas not Central Tx. Our caravan will be leaving from TMS on Tue. morning Aug 27 where we will be joining both the San Antonio group from S. Tx and the New Mexico-Az caravan. We will join other caravans as we enter Arkansas and in Little Rock then on to Bowling Green on Wednesday.

If you register and find that your plans have changed and you need to cancel, please contact the Event Coordinator, Curtis Troster, at curtis.troster@xerox.com so he will be able to remove your name(s) from the list.

2019 NCM National Parks Tour

[Mike Krieger](#) - Coordinator

This year, because of the 25th Annual Caravan to the National Corvette Museum, the NCM has cut way back on the number of Museum in Motion Tours from 20+ to only 7 or so. You might have noticed in this month's "America's Sports Car" that the National Parks Tour is listed on the calendar of events as **"Tentative" for the end of September**. If you are not one of the 30 or so LSCC members that have already joined me on one of the past 4 tours, this could very well be your last chance. If you are at all interested in attending one of the best MiM tours ever, you should drop an email to the NCM Events Manager, bryce@corvettemuseum.org and ask to be put "on the short list" for the National Parks Tour (make sure you note that you are an LSCC member). **No Payment Will Be Necessary** until Bryce has enough requests to make the trip fly....then at that time you will be contacted to see if you are still interested and if you are, you will need to make a payment.

For those who haven't spoken to someone who attended one of the past tours, or remember reading one of the past articles, ([CLICK HERE](#) for Oct 2018 Newsletter, see pages 27-35) here is what the trip is all about; it starts in Williams AZ on Sunday where we have our meet and greet dinner. On Monday morning, we head for the Grand Canyon for sightseeing and then onto the Navajo Bridge before moving into our hotel room for 3 nights in Kanab UT. Tuesday we spend the day in Zion National Park followed by Wednesday at Bryce Canyon National Park. Thursday is a travel day with stops at Glen Canyon Dam, lunch & tour at Monument Valley before finishing at our hotel in Moab UT for two more nights. Friday morning we visit Arches National Park, have a group lunch in Moab and finish the day off with a Sunset tour of Canyonlands National Park. Saturday morning it's all over and we head off for new adventures. Hotel rooms, 4 group meals, tour of Monument Valley, and tour guide for the week are included in the cost of the trip.

Bryce is only blocking 20 rooms for this trip; we have averaged 50 cars per year for the past two years so don't put this off....you may miss the boat.

29th Annual Eureka Springs Corvette Weekend October 3-6, 2019

Calling all LSCC Club members to join us for our annual trek to the idyllic setting of Eureka Springs, Arkansas for numerous fun events, local sites to explore including wonderful eateries and shopping and gorgeous scenic drives nearby. Oh ya, and there's a wonderful Corvette show to attend as well...located in a quaint shopping center.

Who knows we may win the Club participation award again but that'll take loads of y'all to sign up for this great trip as the Tulsa Corvette clubs typically come out in droves. Here is what I need you to do as a LSCC member. Go the LSCC web page and sign-in as a member, then go to the LSCC calendar and register there for this October event. You will see all the hotel information there; I will be emailing everyone later about further trip details. You will register separately for the Eureka Springs Corvette Weekend on this website: <http://eurekaspringscorvette.org/> but please mention you're part of the Lone Star Corvette Club (LSCC) when you register.

Out of all the event LSCC attends, this one is probably the most unique. Unique in the sense, seven Corvette Clubs come together and club members put on the four day event. Here is a list of the clubs and the events they provide 1) Central Arkansas Corvette Club (Rides for Kids); (2) Kansas City Corvette Assoc. (Show & Blindman Autocross); (3) Lone Star Corvette Club (Poker Run); (4) Northwest Arkansas Corvette Club (Parade of Champions); (5) Tulsa Vette Set (Fuel Economy Run); (6) Air Capital Corvette Club (Nursing Home Private Show); and (7) Razorback Corvette Club (Registration).

Our Club has taken responsibility for the poker run at this event for yearrrs. Our Club members volunteer to run the event once we get there, but **we need an overall coordinator who works with local folks to choose the poker run route, coordinate the minimal supplies needed (like decks of cards), order the awards and get**

them distributed to the winners once the poker run is over. Please consider volunteering for this critical role. It is a key way to give back to both Lone Star Corvette Club and the Eureka Springs Corvette Weekend event!! Please contact John Raiden, LSCC Club President, if you're interested.

We'll leave on Thursday, October 3rd, and drive mostly on divided highways until lunch and take the scenic Pig Trail Byway through the Boston Mountains to Eureka Springs.

Those caravanning will gather and leave from the Oklahoma welcome Center and head for Salisaw for lunch. After lunch, we'll head for the Pig Trail which most of us know as a delightful curvy road made for Corvettes or you can head straight to Eureka Springs on a less challenging route.

If this will be first time for you, there are lot of things to check out in the well preserved town of Eureka Springs set in the Ozark Mountains of northwest Arkansas. A trolley is available from most hotels to take you off for wonderful day of shopping and investigating all the historical gems of this idyllic town. A short drive out of town will take you to Thorncrown Chapel or the suspended bridge or War Eagle Grist Mill.

If shopping and eating is not your thing, then let's check out the fuel economy run. The fuel economy run is on Saturday morning navigates about 80 miles of scenic country roads; you compete with others in your class for the best fuel economy. You say you do not want to compete. No problem, follow the route instructions and enjoy the sights, sounds and the smells of the countryside. So what are you waiting for...Sign up today!

CLASSIC AUCTIONS: HOW YOU CAN HELP

[Linda Shellberg](#) - Live Auction Coordinator

[Mary Ann Scheppler](#) - Silent Auction Coordinator

How can I help? We hear that all the time from LSCC members, especially when we're talking about raising money for our beneficiaries. We all want to do our part, and one of the best ways to do that is to come up with items to auction off at the Lone Star Corvette Classic.

The Classic is an annual 3-day Event held each May at Texas Motor Speedway. The Classic Auction now generates around \$25K, which is split 40% to Speedway Children's Charities, 40% to The National Corvette Museum, and 20% to our Rotating Charity.

Here's some items that sell very well in the Silent Auction:

- ☐ Toiletries, makeup, and perfume baskets
- ☐ Car cleaning supply baskets
- ☐ Wine baskets
- ☐ Corvette-related jewelry
- ☐ Framed Corvette-related prints, posters and photographs
- ☐ "Man-Cave" or Garage items
- ☐ Corvette and car-related books and paperbacks
- ☐ New or gently-used after-market Corvette accessories
- ☐ Corvette-related luggage, bags, purses, billfolds
- ☐ Restaurant gift certificates
- ☐ Hand-made craft items
- ☐ Diecasts and hot wheels

For the Live Auction, these bring big money:

- ☐ Items with celebrity autographs, especially Corvette-related
- ☐ Tours and tickets to exclusive places (charter plane tours)
- ☐ Hotel gift certificates
- ☐ Rare or high-end jewelry
- ☐ Rare Corvette memorabilia (book signed by Ed Cole, for example)
- ☐ Certificates for wheels, exhausts, headers
- ☐ Hand-made quilts

What you can do:

- ☐ Ask the people you do business with for donations
- ☐ At the Club Meetings, if you win something in the RAFFLE you already have, donate it to the Auction
- ☐ Ask the restaurant where you eat regularly to donate a gift certificate
- ☐ When you're at a yard sale, garage sale or craft fair, pick up inexpensive items that can be grouped into gift baskets

You can bring your items with you to the monthly Club meetings; if you have a large item, let us know ahead of time – Linda - lrbag@aol.com; Mary Ann – mascheppler@gmail.com. We need everything no later than the Club Meeting in May. Let's get busy!

TXFallenPD - Nominated by Steve Jones

Steve Jones

TXFallenPD Honoring The Fallen

Throughout history, there have been more officers killed in the line of duty in the State of Texas than in any other state or territory. In 2018 we lost eleven officers, these brave men and women show up every day to protect us, not because it's their job, but because it is a calling!

The TXFallen Tribute Event began in 2008 as a police bike race honoring the lives of Texas officers killed in the line of duty. Over the years it has grown into a community fund raising event benefiting the Texas Police Chiefs Association Foundation. Through this their Officer Death Benefit Fund provides monetary assistance within 24 hours to the families of officers working in Texas who die in the line of duty. In 2018 they were able to provide each family with a check for \$5000 to help with immediate financial needs.

The bike race and event takes place each fall at the shops of Highland Village in Highland Village Texas. The 2019 dates for the event have not been finalized. There are many opportunities for you to get involved, such as, sponsorships, donations, and participation in the event itself. Since 2008 we have raised over \$210,000 for the Fallen Officer Fund. Help us reach our goal of \$50,000 this year!

The Texas Police Chiefs Association's Fallen Officer Fund is a registered 501(c)(3). Please visit our web site at: txfallenpd.com.

Next Generation Corvette Reveal Event

DON'T GET LEFT BEHIND

The Next Generation Corvette is the most anticipated Corvette ever. It's the sum of each generation before it, but will stand alone as the new standard of performance. Sign up to receive updates straight from the source and be the first to know about the Next Gen Corvette.

Come along for the ride

The rumored next generation Corvette, C8, is getting close to becoming a reality. It will feature a mid-engine design and *will be* revealed, according to Chevrolet, at a stand alone event on 7.18.19. These are renderings from Corvette Forum by **Chazcron** based on spy photos and from photos taken on April 11th at the reveal announcement in New York City. Base pricing is predicted to be only *slightly* higher than existing C7 Corvettes which is causing a 180+ day inventory of the current models while everyone waits to purchase a new C8. So, contact Robert Shellberg, Classic Chevrolet Club Liason, if you're interested in deals and opportunities on a new 2019 Chevrolet Corvette. Check the NCM at www.corvettemuseum.org for upcoming details or <https://www.cupcoming-vehicles/next-hevrolet.com/generation-corvette>.

Hot Springs Corvette Weekend...A Small but Mighty Group!

By Phil & Kristina Davies - Coordinators

Eight shiny clean Corvettes waited at the Oklahoma Visitors Center to start on what turned out to be a trip involving drizzle, rain, intense fog and sunshine. Papa Poblanos in Broken Bow had our long table ready where the Thorntons joined us for a delicious lunch stop.

The forests clothed in the new green of spring along with budding dogwoods made for a delightful drive through back roads. As we jumped off the main road to visit Queen Wilhelmina Lodge, the fog rolled in big time. The Kaspars radioed once wondering if we'd left them behind only to hear they were within a minute of the lead Vette. As you'll see from these photos, it was more than murky and of course the wonderful views from this ridge road were invisible...disappointing but no one complained! And then there were nine filthy dirty Vettes cruising into Hot Springs :>).

Taken by John Glennie just before his wife took the camera away from him!

Wind blown but not daunted!

There is a gorgeous view of from the ridge-top but not today!

That evening several of us modeled Denice Kaspar's Zoom designs and had a blast, men and women alike!

LSCC Models Extraordinaire

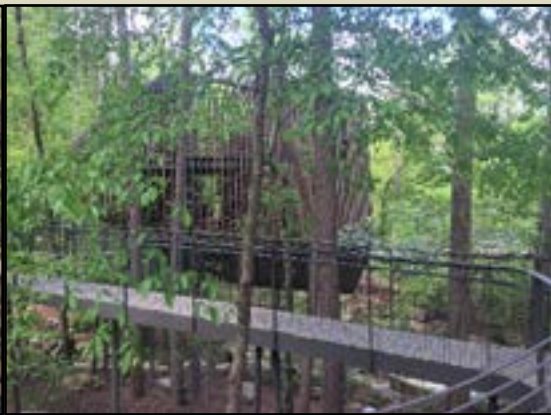

Most of us met the next morning and took a short drive to the Garvan Woodland Gardens, a spot Phil heard about from a co-worker. The Azaleas and Dogwoods were the stars of the show but all of the 210 acres of landscaped gardens and water features were so pleasant, peaceful and well laid out. The \$2M tree house was an amazing engineering feat we hadn't expected! The cool surprise at the end of our time there was the local peacock strutting his stuff just for us..what a treat! We also stopped by the \$5.8M Anthony Chapel designed by acclaimed architects influenced by Frank Lloyd Wright.

Serene views

\$2M tree house

For lunch, several of us hit the Ohio Club, the oldest bar in Hot Springs. For over 100 years the Ohio Club was the place to be. It all started in 1905 as a Bar and Casino. The Ohio Club was a stop off place for Al Capone, Bugsy Segel, Bugs Moran, Lucky Luciano, just to name a few of the gangsters and it was also visited by many Major League Ball players since they had spring training in Hot Springs in the early 1900's. Babe Ruth was the most famous to visit. Some went on the poker run and others checked out the historical spas. That evening most of us gathered together at Rolando's for another great meal, crazy stories and much laughter! Being able to walk to everything from the host hotel was terrific, especially when you wanted ice cream or shopping!

Mysteriously all the Corvettes got cleaned up and staged in the Hot Springs Convention Center, looking like a premier car collection! The only known car problem was our Corvette's rear window started separating from the top so we didn't enter ours; the local judge found Phil and asked him where it was so they were looking for it. Phil enjoyed looking at all the cars and visiting with everyone for a change; several LSCC members had great visits with Ken Lingenfelter. Several of us got Classic brochures distributed and made as many contacts as we could.

The rest of the gang, including the Kemmets and Gallineaus, did Lone Star Corvette Club proud. We think we had 14 from LSCC but that wasn't enough to win the Club participation award; it was close. The Gallineaus won the Everett Award, first place in the C5 Coupe category, the Best Engine Award and Under Hood Art Award!! The Carrions won a Sponsor Award and Anthony Kemmet won first place in C6 Wide Body category and Don Koesling, a rookie, won third place in C7 Convertible category!

Don and Marcia Koesling won a class trophy for their Vette

Friday, Saturday and Sunday were beautiful although a bit chilly but great for exploring. The rookies fit in great and were a pleasure to have along. It was a small but mighty group (Davies, Garays, Glennies, Kaspars, Kimminaus, Koeslings, Carrions, Raidens, Spineks, Thorntons, Bob Paton, Don Segreti)...Thanks for coming y'all!!! Hopefully next year we'll be a mighty large group!

Below are several comments from the group:

Many thanks to Phil and Kristina, y'all planed and led a wonderful trip. Cyndi and I enjoyed the route and stops along the way to Hot Springs and in town. The beautiful scenery was only topped by the warm fellowship we experienced with our LSCC friends. We are looking forward to our next trip.

Thanks again. John and Cyndi Glennie.

Ditto on John's comments like always a wonderful trip. This was our best trip to Hot Springs.

Thanks again,
Joe & Gail Carrion

We echo that!
Thank you! We had a blast.
John and Melinda Garay

Thank You so much for organizing and arranging a wonderful trip! I cannot begin to tell you how much fun I had. I especially want to extend a very special "THANK YOU" to the rest of the group in welcoming me and treating this rookie like I was a member for years. I can't wait for my wife Kathy to meet you all!!! Don Segreti

Big thanks to Phil and Kristina for organizing and leading a GREAT trip! Denice and I would also like to thank our fabulous "models" and "cheerers" in the fashion show...we hope that you all had as much fun as we did! And thanks for attending the dinners, too!

Hope to see you all, soon! Regards, Ray and Denice Kaspar

We had a great time and enjoyed it all. Thanks to Phil & Kristina for organizing this adventure. Although we departed on Saturday about awards time (and I hope everyone that was entered got an award) we did not miss anything. Good food, great company, and our favorite transportation vehicle. CORVETTE.

Thanks to all, Ray & Pat Kimminau

Thank you once again for all the planning on the Hot Springs trip, as usual it was a great trip. Also, big thank you to Ray for the dinner dude trips in Hot Springs, well done. I hope everyone had an uneventful and safe trip home, we ended taking a scenic drive on AR 7, (Central Ave) out of HS as stocked up on donut holes & coffee at Duncan Donuts on our way out of town. Nice drive connecting to I-30 at Arkadelphia.
