## Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

### Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

**Road Trips** – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

**Day Trips** – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

**Open Road Racing** – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

**Drag Racing** – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

**Autocross** – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

**NCRS** – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

**Car Shows** – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in Dallas Autorama.

**Displays and Parades** – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

**Lone Star Corvette Classic** – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

**Club Meetings** – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

John M. Raiden  
President

A special Texas Size thank-you to all who attended our August Club meeting at Cooper's BBQ in the Stockyards. We had one of the largest turnouts in my memory with over 240 members in attendance. Ellie was busy helping the Cooper's staff pull out more tables and chairs to accommodate everyone. Your participation is appreciated. We have a fun venue lined up for the September 14<sup>th</sup> meeting – Hula Hut in Little Elm, Mexonesian style food in a beachie-style setting on Lake Lewisville, don't miss it.

Our nomination process has been finalized, and we have at least one nominee for all the Board positions. The new election timing we approved earlier this year was specifically designed to allow incoming officers a 3 month window to work with the current officers in getting familiar with their job duties before taking office in January.

This is your Club so please consider getting involved by volunteering your talents and consider becoming a co-ordinator.

#### **Important Volunteer opportunity reminder:**

Mecum Auction - September 4th thru 7th, Hutchison Convention Center in Dallas. Help is needed on Thursday the 5<sup>th</sup> for the 1<sup>st</sup> shift from 8 am to 3 pm.

Goodguys – September 27th thru 29th, Texas Motor Speedway, Fort Worth.

Check the website calendar for details on these opportunities.

As I mentioned at the August Club meeting, the Live & Silent Auctions during the Classic generated \$29,000.00 for our charities and \$11,600.00 was donated to the National Corvette Museum in August. We will be donating to Speedway Children's Charities in November a gift of \$11,600.00 and \$5,800.00 to TXFallenPd in October. Thank-you to all who participated in the Classic.

Continue checking the Club website as day trips and local car shows pop up and we'll keep you posted.

**Thanks to our sponsor – The Thompson Group at Classic Chevrolet**

### **Safe travels to everyone attending the 25<sup>th</sup> NCM Anniversary & National Corvette Museum Caravan!**

September is now here and soon temperatures will be cooler (we hope). There are several activities planned this month so please be sure to look at the [calendar](#) on the website. The events below still need volunteers.

**MECUM Auction** – If you have not volunteered for this event, you are missing out. Last year was the first time that my family and I volunteered and we were so glad that we did. We had a great time seeing and driving many different cars across the lot. This year Mecum will be September 4th – 7th. Contact Craig Satterfield with any questions.

**Goodguys** – As the host club, we are able to assist with various things such as stubbing (verifying participants' tickets at entrance and my favorite), assist parking cars in certain areas or controlling access to winners' circle parking area. This event takes place September 27th – 29th. Contact Bob Young with any questions.

Thank you to all who attended our last month meeting at Cooper's. We had an all-time high of attendance for this year with over 240 members! Guess everyone loves barbeque.

Be sure to put on your floral shirts, boogie shorts and flip-flops and join us at a fun island shack setting for our next club meeting on September 14<sup>th</sup>. We will be at Hula Hut in Frisco, which is located on Lake Lewisville and offers a unique Tex-Mex with a Polynesian and surfer twist that all culminates into the finest Mexonesian Style Cuisine. Hope to see you there.

**Thank-you to the Thompson Group for being our sponsor.**

**NCM News**

The biggest news is that very likely when you read this September club newsletter almost 200 of your fellow members will be in Bowling Green, Kentucky, for the National Corvette Museum's 25<sup>th</sup> Anniversary. A lot about that trip will be in next month's NCM News.

Several of our news items came from the NCM ENews, so it is a good time to mention that you can subscribe and do not have to be an NCM member. Just go to [www.corvettemuseum.org/subscribe/](http://www.corvettemuseum.org/subscribe/).

Use AmazonSmile and Benefit the NCM

This is not new, but I just became aware that Amazon will donate 0.5% of the price of your eligible AmazonSmile purchases to the Museum. AmazonSmile is the same Amazon you know. Same products, same prices, same service. Designate the National Corvette Museum by clicking this link (<http://smile.amazon.com/ch/74-2519972>) and log into your Amazon account.

Museum Purchases Property

As a part of increased emphasis to fulfill its mission to "promote the restoration, preservation and conservation of America's Sports Car," the NCM has purchased the 7.5-acre Fraternal Order of Police Lodge No. 13 property at 150 Corvette Drive. The land, adjacent to Museum owned property, was originally owned by the NCM but has been home to the 8,000 square foot FOP Lodge for the past 17 years.

The new NCM Collections Building will be used for office space for the Collections team, and storage of a growing collection of donated cars and other items.

2020 Stingray Pricing Announced

The following appeared in the August 15 NCM E-news: With its new mid-engine configuration and sleek, modern design, the 2020 Chevrolet Corvette [Stingray](#) offers unprecedented performance at a starting price of \$59,995 (including Destination Freight Charge of \$1,095, excluding tax, title, license, dealer fees and optional equipment).

"Most people thought when we moved the Corvette to mid-engine it would no longer be attainable, but we knew we couldn't mess with a winning formula and the 2020 Stingray proves it," said Brian Sweeney, Chevrolet U.S. vice president.

The 1LT will start at \$59,995, the 2LT trim package will start at \$67,295 and the top-level 3LT trim package on the 2020 Corvette Stingray will start at \$71,945 (including DFC, excluding tax, title, license, dealer fees and optional equipment). Specific details on each trim level are covered in the graphic that follows.

# 2020 MID-ENGINE CHEVROLET CORVETTE STINGRAY STARTS AT \$59,995

**Membership** in the NCRS Texas Chapter has many benefits such as restoration techniques from professionals, technical information, and publications can assist you in finding rare parts to restore or maintain your Corvette.

As a member of the Texas Chapter, you'll receive a copy of our newsletter, *The Tailpipe*, which is published quarterly. You also will have access to all the knowledge, help, and advice of other chapter members and the entire NCRS family.

Please visit [www.ncrs.org](http://www.ncrs.org) for the complete show for judging schedule and a list of available hotels in the area.

### Scheduled NCRS Events for 2019

Northern Calif Regional - Sep 19 - 21

Lake Tahoe, CA

Lone Star Regional - Oct 24 - 26

Embassy Suites Hotel & Convention Center  
Frisco, TX.

The next event for the DFW area, and also for Texas, will be the Lone Star Regional in Frisco. This event will be held at the Embassy Suites Complex in Frisco, October 24 - 26, 2019.

**The Concours Judging Program** is a new venue that allows Corvettes with modifications to participate in the NCRS judging activities. Many of these modified Corvettes are well presented but would not fare well under the traditional Flight Judging system; thus, owners now have an avenue for display and judging. Modified Corvettes will be judged in two categories - Stock Division and Modified Division. The Stock Division offers two awards (Blue Ribbon and Red Ribbon) while the Modified Division also offers two awards (427 Award and 327 Award). Full details on the registration process are not yet available, and I should have them for the next newsletter. Probably both NCRS and LSCC registration will be required.

If you already own a Corvette, or are planning to purchase one and would like to know more about the NCRS and our Texas chapter, feel free to contact us at [ncrstx.org](http://ncrstx.org).

**Autocross** is held at Brookhaven College. The next event will be on Sept 15<sup>th</sup>. Speeds in *Autocross* may be slower when compared to other forms of racing, but the activity level can be higher than even Formula One due to the large number of elements which are packed into each course. The turnout for our monthly events has been great this year so come on out and join in on the fun. The requested donation is **\$15 per car**. Helmets are required and loaners are always available.

**Drag Racing**, next events will be on Sept 29<sup>th</sup> and October 6<sup>th</sup> at Xtreme Raceway Park in Ferris. Join the *Killer Vette Drag Race Team* and get in on all the fall season drag racing fun! Contact Martha Kaus at 972-467-0271 if you have any questions.

The **Open Road Racers** are at the Sandhills Classic in Nebraska as I write this. The next event is the Silver State Classic Challenge on September 12<sup>th</sup> - 15<sup>th</sup>. This race covers 90 miles of fenced, two lane highway with long straights, twisty sections and dips. This is the fastest road race in the world, with a record average race speed of 219.6430 mph. Please contact Mike Black at [Open-RoadRacing@LoneStarCorvetteClub.com](mailto:Open-RoadRacing@LoneStarCorvetteClub.com) if you have any questions.

**Rally**, the club does not sponsor rallies at this time but the SCCA group will be holding their ONTO Fall Rally on October 19<sup>th</sup>.

- ☐ Any four-wheel, street legal vehicle with two people who are old enough to read is eligible to enter.
- ☐ Entry fee: \$25.00. SCCA members get a \$5.00 discount.

For more information check out the Texas SCCA website.

For **High Performance Driving Education** (often known as "Tracking your car") contact [Mike Krieger](#). This is NOT racing; this is legally driving at speed in a very controlled environment. To be placed on the "Track Hound Newsletter" mailing list and receive information on local HPDE events, [CLICK HERE](#).

As always, please watch our club site for updates and new listings.

# Mecum Auctions Dallas 2019

[Craig Satterfied](#) - Coordinator

## **VOLUNTEER OPPORTUNITY**

September 4th - September 7th

LSCC has been asked once again to work the Mecum Auction at the Kay Bailey Hutchinson Convention Center. If you enjoy looking at and driving classic cars, this is the event for you! Ask anyone who has worked any of the previous Mecum events and you will be sure to hear what a "BLAST" it was - especially if they got the chance to drive a car across the block while the auction was being broadcast on the NBCSN channel. Mecum pays the club for each car it moves at the auction. This event is a major fund raiser for our club.

# 2019 NCM National Parks Tour

[Mike Krieger](#) - Coordinator

This year, because of the 25<sup>th</sup> Annual Caravan to the National Corvette Museum, the NCM has cut way back on the number of Museum in Motion Tours from 20+ to only 7 or so. You might have noticed in this month's "America's Sports Car" that the National Parks Tour is listed on the calendar of events as **"Tentative" for the end of September**. If you are not one of the 30 or so LSCC members that have already joined me on one of the past 4 tours, this could very well be your last chance. If you are at all interested in attending one of the best MiM tours ever, you should drop an email to the NCM Events Manager, [bryce@corvettemuseum.org](mailto:bryce@corvettemuseum.org) and ask to be put "on the short list" for the National Parks Tour (make sure you note that you are an LSCC member). **No Payment Will Be Necessary** until Bryce has enough requests to make the trip fly....then at that time you will be contacted to see if you are still interested and if you are, you will need to make a payment.

For those who haven't spoken to someone who attended one of the past tours, or remember reading one of the past articles, ([CLICK HERE](#) for Oct 2018 Newsletter, see pages 27-35) here is what the trip is all about; it starts in Williams AZ on Sunday where we have our meet and greet dinner. On Monday morning, we head for the Grand Canyon for sightseeing and then onto the Navajo Bridge before moving into our hotel room for 3 nights in Kanab, UT. Tuesday we spend the day in Zion National Park followed by Wednesday at Bryce Canyon National Park. Thursday is a travel day with stops at Glen Canyon Dam, lunch & tour at Monument Valley before finishing at our hotel in Moab, UT for two more nights. Friday morning we visit Arches National Park, have a group lunch in Moab and finish the day off with a Sunset tour of Canyonlands National Park. Saturday morning it's all over and we head off for new adventures. Hotel rooms, 4 group meals, tour of Monument Valley, and tour guide for the week are included in the cost of the trip.

Bryce is only blocking 20 rooms for this trip; we have averaged 50 cars per year for the past two years so don't put this off....you may miss the boat.

## NEWS FLASH!!

The NCM has a cancellation for the National Parks Trip for the week of Sept 22 -28th and they are giving LSCC first dibs on the slot. Trip information can be found here: <https://www.corvettemuseum.org/explore/events/>. The person to contact for this last remaining spot is Maci Hensley [maci@corvettemuseum.org](mailto:maci@corvettemuseum.org) or call during business hours (270-467-8804). Make sure you identify yourself as a LSCC member.

# North Texas Corvette Roundup

[Johnny Downs](#) - Coordinator

September 20 – 21, 2019

For over 30 years LSCC members put the trip to the Roundup in Wichita Falls at the top of their “must do” list. The show ceased to exist after 2011 but has been back in force for the last three years. The folks at WCCA have seen to it that great fun has been had by all. As evidence LSCC has had over 30 cars at the show three years running.

If you have not been with us to a Corvette show, this is the perfect place to start. It is barely over 100 miles to the show. So, join us and caravan on Friday, come on your own Friday evening or Saturday morning. You can easily make it before the show opens.

One of the greatest things about the show is that the entire event is held at the Holiday Inn. You never have to leave the property.

A Friday night “feed” and social activities at the convention center kick off the show weekend. The awards dinner and auction will also be held there Saturday night. The car show will fill the day Saturday with food trucks on premises to satisfy your hunger and thirst.

Tentatively, we will have three caravan assembly points on Friday. The first two will depart at 2:00 p.m. One will leave the TMS parking lot just south of the south Tunnel and Speedway Club. The second will meet at the Shell station on the north side of US 28 in Lindsay, about four miles west of I-35. A third group will assemble at the roadside park just north of Decatur on US287. There they will join the group from TMS as they come by about 2:30. All three groups will then combine at the Jolly Truck Stop, just outside Wichita Falls, to caravan to the hotel.

The hotel always fills to capacity, so it is imperative to make a reservation now at the

# 29<sup>th</sup> Annual Eureka Springs Corvette Weekend October 3-6, 2019

Calling all LSCC Club members to join us for our annual trek to the idyllic setting of Eureka Springs, Arkansas for numerous fun events, local sites to explore including wonderful eateries and shopping and gorgeous scenic drives nearby. Oh ya, and there's a wonderful Corvette show to attend as well...located in a quaint shopping center.

Who knows we may win the Club participation award again but that'll take loads of y'all to sign up for this great trip as the Tulsa Corvette clubs typically come out in droves. Here is what I need you to do as a LSCC member. Go the LSCC web page and sign-in as a member, then go to the LSCC calendar and register there for this October event. You will see all the hotel information there; I will be emailing everyone later about further trip details. You will register separately for the Eureka Springs Corvette Weekend on this website: <http://eurekaspringscorvette.org/> but please mention you're part of the Lone Star Corvette Club (LSCC) when you register.

Out of all the event LSCC attends, this one is probably the most unique. Unique in the sense, seven Corvette Clubs come together and club members put on the four day event. Here is a list of the clubs and the events they provide 1) Central Arkansas Corvette Club (Rides for Kids); (2) Kansas City Corvette Assoc. (Show & Blindman Autocross); (3) Lone Star Corvette Club (Poker Run); (4) Northwest Arkansas Corvette Club (Parade of Champions); (5) Tulsa Vette Set (Fuel Economy Run); (6) Air Capital Corvette Club (Nursing Home Private Show); and (7) Razorback Corvette Club (Registration).

Our Club has taken responsibility for the poker run at this event for yearrrs. Our Club members volunteer to run the event once we get there, but **we need an overall coordinator who works with local folks to choose the poker run route, coordinate the minimal supplies needed (like decks of cards), order the awards and get**

**them distributed to the winners once the poker run is over. Please consider volunteering for this critical role. It is a key way to give back to both Lone Star Corvette Club and the Eureka Springs Corvette Weekend event!!** Please contact John Raiden, LSCC Club President, if you're interested.

We'll leave on Thursday, October 3rd, and drive mostly on divided highways until lunch and take the scenic Pig Trail Byway through the Boston Mountains to Eureka Springs.

Those caravanning will gather and leave from the Oklahoma welcome Center and head for Salisaw for lunch. After lunch, we'll head for the Pig Trail which most of us know as a delightful curvy road made for Corvettes or you can head straight to Eureka Springs on a less challenging route.

If this will be first time for you, there are lot of things to check out in the well preserved town of Eureka Springs set in the Ozark Mountains of northwest Arkansas. A trolley is available from most hotels to take you off for wonderful day of shopping and investigating all the historical gems of this idyllic town. A short drive out of town will take you to Thorncrown Chapel or the suspended bridge or War Eagle Grist Mill.

If shopping and eating is not your thing, then let's check out the fuel economy run. The fuel economy run is on Saturday morning navigates about 80 miles of scenic country roads; you compete with others in your class for the best fuel economy. You say you do not want to compete. No problem, follow the route instructions and enjoy the sights, sounds and the smells of the countryside. So what are you waiting for...Sign up today!

# DALLAS VETERANS DAY PARADE

## YOUR HELP is NEEDED

[Rick Herrick](#) - Coordinator

WWII & Korean Veterans are needed for the Dallas Veterans Day Parade on November 11th. If you know a Veteran, please ask them if they are interested in participating. If so, we will add them to our list, and you can drive them in your Corvette – coupe or convertible. Briefly, staging begins downtown at 9:00 – 9:30 am. The parade begins at 11:00 am, and we move out about 20 minutes later. Hopefully we will pass the reviewing stand around 12:30 am. At that point you can find your way out of town. Many drivers take their Veteran to lunch. As of now, no group lunch plans are scheduled, watch for more details to follow.

If you have an addition or question, contact Rick at [rherrick946@gmail.com](mailto:rherrick946@gmail.com).

# **LSCC BIG TRIP 2020**

**Black Hills Corvette Classic**

**Yellowstone National Park**

**Grand Teton National Park**

**Glacier National Park**

**July 15, 2020 – July 28, 2020**

[Mike & Michele Woolsey](#) - Coordinators

Next year will be the 49<sup>th</sup> year for the Black Hills Corvette Classic. The Sioux Falls Corvette Club typically expects about 400 Corvettes to attend. Assuming that next year's event is similar to this year's, there will be plenty to see and do at this all Corvette extravaganza including: a banquet, drag racing, autocross, a show and shine, multiple sight-seeing drives including "Breakfast with the Presidents", opportunities to ride the "1880 Train" and more.

Some samples of what you will have the opportunity to see in the Black Hills South Dakota area:

- ☐ The Badlands
- ☐ Wall Drug
- ☐ Mount Rushmore
- ☐ Crazy Horse
- ☐ Devil's Tower
- ☐ Deadwood (Bill Hickok's last stand)

We will depart the Black Hills after the BHCC has concluded and head towards Yellowstone National Park. On the way we will visit the site of Custer's Last Stand (Little Bighorn battlefield). We will make our way to Yellowstone over the incredibly scenic beautiful Bear Tooth Highway and then spend almost 3 days in the greater Yellowstone/Grand Teton National Parks area. The grandeur and breadth of the experience at Yellowstone is almost impossible to describe. From Old Faithful, the Grand Canyon of the Yellowstone, Prismatic Spring to the varied abundance of wildlife it will be an adventure you won't forget. Be sure to get photos of your Corvette with the Tetons in the background. Be sure to visit Jenny Lake in Grand Teton National Park.

The next stage of the trip involves a run north to Glacier National Park. Along the way we will have an extended drive along Flat Head Lake and will plan to stay outside the western entrance to the park. The following day we will have a leisurely drive on the stunning Going to the Sun Road viewing lakes, glaciers, waterfalls and truly magnificent mountain vistas. Bears, mountain goats, and Big Horn Sheep populate the park. Hopefully they will want to see us as much as we want to see them. We are going to take our time, so there will be plenty of opportunities to enjoy short hikes and set up the perfect photo. If you enjoyed Trail Ridge Road, you are going to love this drive.

We will then turn south for the run to Texas. Never fear, there will be opportunities for more sight-seeing. Strap on your tourist smile and bring your camera, we are going to have some fun! More to follow in the coming months.

**For those that may not have two weeks:**

The full trip will take 14 days, however there will be natural opportunities to head back to the house should you only plan to make a portion of the trip. We will leave on a Wednesday and travel directly to Spearfish, SD where we will check-in Thursday afternoon and kick-off the festivities. The BHCC event is over Saturday night, which would allow Sunday, Monday and Tuesday to reach the DFW area and spend only 1 week on the road. A second opportunity to head back early would be after Yellowstone and before Glacier National Park.

**Hotel Reservations:**

As usual, blocks of hotel rooms will be made available wherever the vendors will allow.

***There is a good chance that we will have to make our reservations early for the Yellowstone and Glacier National Park areas. More information coming soon.***

## PRESIDENT

**John M. Raiden** - Thank you for the nomination to continue as your President for 2020, I look forward to this opportunity to continue serving the Lone Star Corvette Club. I will continue to work hard to keep LSCC as one the country's top Corvette Clubs as well as to continue the steady, calm and positive leadership of my predecessors. I previously served as LSCC Vice President in 2018 and Classic Officer in 2015 & 2016. I am a founding board member of Lone Star Corvette Classic, Inc., the 501c(3) entity that operates our annual Classic event and have served as its President and am currently it's Treasurer.

Rebecca and I joined LSCC in April of 2009 and we have been very active participating in many LSCC trips/activities, and we volunteer annually for the Corvette Classic where I served as the Vendor Coordinator in 2011 thru 2014 and again for 2017 thru 2019. I regularly volunteer for the Mecum Auction, Good Guys Rod & Custom Show and the Dallas Veterans Day Parade, serving as coordinator for the Mountain Creek Facility Veterans the last 5 years. I also was the Trip Coordinator for our annual TCA/Boerne trip in 2017 and 2019 and will head up this year's trip to the Brazos River Corvette Club show in Granbury in October.

I served 4 years in the U. S. Army Security Agency, including a 12-month tour in Vietnam where I was awarded the Bronze Star Medal and an 18-month assignment to the National Security Agency. I have a BBA in Mgmt. from NTSU and enjoyed a 34-year career in the commercial finance field, the last 23 with Caterpillar Financial Services, holding various management positions in Credit, Operations and Sales. I retired in March of 2008 and haven't looked back - just forward through a Corvette windshield.

My past community volunteer activities include 8 years on the Highland Village Park Board, 1 as Chairman and 4 years as Treasurer & 1 year as Secretary of our neighborhood association here in Fort Worth.

Rebecca and I celebrated our 50th anniversary in March; we have 1 daughter and 2 grandchildren. Thank you for your support, I look forward to serving as your club President in 2020.

## VICE-PRESIDENT

**Ellie Mendez** – My wife Marlene and I have been members of the Lone Star Corvette Club since September 2017. In this short time, we have volunteered for many events such as Good Guys, Lone Star Corvette Classic and Mecum Auctions. We have also participated in the Adventure Driving Tours and the Classic Ride or Drive Charity Fundraiser. Our son who is also a member enjoys volunteering when possible. Lone Star Corvette Club has given us the opportunity to make many new friends, have lots of fun and give back to the community and organizations. I have been married for 24 years and have 2 wonderful kids, Melissa and Derian. Melissa is currently attending UNT and majoring in Psychology. Derian will be also be attending UNT in the fall and majoring in Computer Science. The first time that I rode in a Corvette, I was 6 years old. It was at that point that I knew I wanted to own one. Throughout the years, the itch was always there but family always came first. As our kids got older, Marlene and I talked about purchasing a corvette. In the fall of 2013, that dream came true when I purchased my 2014 Laguna Blue Stingray. We have enjoyed our corvette throughout the years and look forward to a few more in our driveway. Thank you for giving me the opportunity to be your Vice-President. I look forward to serving our club.

## COMPETITIVE EVENTS OFFICER

**Allen Scott** - I joined LSCC in 2018 and became a Lifetime Member since then. My wife, Annie and I have enjoyed the Club in just the short time since we've been members. I have volunteered and am proud to serve in the capacity of Competitive Events Officer. I am a native Texan and have lived all of my life in the metro area, save for 4 years in the USMC. I graduated with a BS in Business administration at UTD and own my own business. I own a 2017 Z51 black coupe and love to drive and show the car. Although I am relatively new to the club, I have experience as an officer at various clubs in the area. I look forward to serving LSCC as the Competitive Events Officer.

## TREASURER

**Carolyn Elmore** – Undergraduate Degree: BS Elementary Education  
Master's Degree: MS Management and Human Relations

My husband and I have been members of the LSCC for 8 years. We have participated in many of the activities and trips. Our friendships with countless numbers of members has been a blessing to us. I retired 4 years ago as a Personnel Director and find that I have time to devote to volunteer work. This time allows me to spend quality time on the details required to perform officer duties.

Having served as Financial Officer for 2018 -2019, and working closely with Carolyn Atkins as the Treasurer, I am confident that I can effectively serve as the Treasurer for 2020. I am detail-oriented and maintain open communication with each board member.

I continue to be amazed at the professionalism of the board and the manner in which it strives to maintain the business aspect of the club. I am grateful to have served with this volunteer board for the past 2 years.

Thank you for the honor of being nominated for the position of Treasurer.

## RECREATIONAL EVENTS OFFICER

**Ken Burks** - Been a LSCC member for almost two years. Love anything to do with a Corvette and Corvette people getting together. Enjoy doing cruises and car shows.

## FINANCE OFFICER

**Terri Krieger** - I served as Finance Officer from early 2015 through 2017. I also have enjoyed serving as Recording Secretary. I was the Recording Secretary for the California Four Wheel Drive Association for five years. Having previously served as Finance Officer I know that I have the qualifications needed. My husband and I have been LSCC Members for 15 years and we expect to be for many more. I would appreciate your vote for the office of Finance Officer.

**Robert Perez** - I am a 20-year retired Airforce Master Sergeant and am currently a Printer for the Federal Bureau of Engraving and Printing in Bluemound, Texas since 2001.

I have been a member of the LSCC since May 2016 Classic. I have been involved in several volunteer positions from the LSCC Classic, The Good Guys, Mecum Auction and the Veterans Day Parade among other events.

Though this will be my first time to volunteer for nomination to an officer position in this club, I am hopeful that I can fulfill the duties of Financial Officer to your satisfaction.

## TECHICAL OFFICER

**Michele Woolsley** - We own a 2011 cyber-gray GrandSport. I retired from my lifetime profession of Information Technology after 43 years in 2018. I work part-time at my favorite crafts - machine embroidery, quilting and sewing at SewDallas in Plano. I think my embroidery/sewing machine has a more powerful computer in it than the big machines I worked on in 1975. I stay active on the computer, have used many types of computer technology and believe I will do an excellent job as Technology Officer.

## MEMBERSHIP OFFICER

**Joe Carrion** - Gail and I have been members of the Lone Star Corvette Club for a few years. I was born and raised in New York City, NY, attended the University of Puerto Rico in San Juan, PR and moved to Texas to begin my career in Banking. My career in banking extended for forty-five years. As Vice President, I worked in different capacities including but not limited to Risk Management, Vendor Management, Compliance Officer, Bulk Purchase of Sub Prime loans, Process Improvement and Underwriting Manager. I retired in November 2015 from JPMorgan Chase. I appreciate all of the support and confidence of the Officers and Coordinators who had been more than helpful to me when I held the position of 2017 Classic Officer. I am currently serving as Membership Officer and thank-you for the opportunity to continue to serve in this position.

## RECORDING SECRETARY

**Janet Glowicz** - I learned to drive when the speed limit was 55 mph and just couldn't drive 55! My husband of 35 years, Norm, encouraged me to practice for Corvette ownership on the autobahn when we lived in Germany during his military service. At the time I drove what I thought was a fairly modern vehicle, a 1985 gunmetal gray Volvo 740. But, as you know, they don't write songs about Volvos. Shortly after moving to Dallas in 1989, I asked Norm if he wouldn't like to take a look at the selection available at Corvette World. Norm responded that taking a look would be dangerous! And it was! Norm waited until 2009 when the youngest Glowicz graduated from high school. He strongly encouraged me to buy a 2010 Cyber Gray C6. I used it as my daily driver, but generously allowed Norm and my son Daniel to enjoy autocross. Today, I am happy riding shotgun, but I also can be seen behind the wheel too. Actually, I drive the C6 almost as much as Norm does. I have past experience as a BoD Member for LSCC as the Newsletter Officer, and I am familiar with the format for the Minutes.

## NEWSLETTER OFFICER

**Norm Glowicz** – Janet and I have been Lone Star Corvette Member since December 2011, and we are Lifetime Members of both LSCC and the National Corvette Museum. Janet and I have owned our 2010 Coupe since new in September of 2009. Janet came home from work one day and said there is this great group of folks who go out to eat, do car shows, and go on cruises. Since our sons are grown, she thought it would be a great way for us to spend time together. Unfortunately, at that time we did not own a Corvette, so she traded her BMW for a Corvette. Therefore, it is technically her Vette. As LSCC members, we have enjoyed the friendship of the Club as well as the wonderful big trip cruises led by the Davies. As a candidate for Newsletter Editor, I have served as Newsletter Officer, and I lease the software necessary to compile the Newsletter. I also enjoy contributing photographs for the Club.

## CLASSIC OFFICER 2021

**Carolyn Atkins** - My husband, Ric, and I have been members of LSCC for over 5 years. We drive a white 2016 Stingray coupe. We enjoy attending car shows, club meetings, social events and out-of-town trips. I served as the LSCC Recording Secretary from March 2015 until January 2018. I was elected Treasurer in 2018. It has been a pleasure and honor to be on the LSCC Board and I would appreciate your vote to elect me as the 2021 Classic Officer.

# Welcome!

## LSCC at Cooper's Old Time Pit BBQ Stockyards, Fort Worth

By Norm Glowicz

August's LSCC "Meating" was at Cooper's Old Time Pit BBQ in the Fort Worth Stockyards. Over 240 Members with their Corvettes attended. The sheer number of Corvettes and the smell of BBQ made for a wonderful day.

Dear Johnny Downs and The Lone Star Corvette Club,

We want to thank you for sponsoring several Military and First Responder kids who attended camp this summer!

Here are just a few of our campers from military families who got to experience Camp Grady Spruce for the 1st time this past week.

We wrapped up our last week of summer camp at Possum Kingdom Lake this past Saturday. The campers and the staff participated in another awesome summer! Our YCGS campers paddle boarded, rode horses, skied, sailed, canoed, enjoyed archery, riflery and even arts and crafts not to mention the "Big Dance" on Thursday nights. We invite you to come out for a day and experience the joy of camp. We will give you a first rate tour!

Thank you for again your generous gift and enhancing the lives of twenty one of our military and First Responders' children this summer by supporting YMCA Camp Grady Spruce. You truly made a difference and we are so grateful.

Enjoy this video of our last week of camp.

Corvette ownership is a MANDATORY requirement for membership in BBV. Bad Boy Vettes (BBV) was started like many other groups or communities. A shared interest in the Corvette, friendship, and giving back to the community through charitable causes.

- Although the name suggests men only, that is far from true. The group is open to women and men. This group is inclusive, not exclusive.
- Keep the content about Corvettes. We know you have other cars, motorcycles, boats and toys. If you post a picture that has your Corvette and some other toy, no problem. If you are posting a picture of a toy but there is no visible Corvette, your content will be removed.
- The content here is family friendly. We want the content to be conservative in nature. Any content that is questionable will likely be removed. Use your common sense, please. We know in the summer everyone is running around in flips, bathing suits, etc. Please keep it clean. Politics and other drama have no place here.
- The Bad Boy Vettes name is trademarked (tm). All rights reserved. Any use of the name must be approved by James Williams.
- On the subject of racing, we will remove all content associated with racing on the street. We don't condone that. Track racing is different. Although track racing can be dangerous, we simply don't condone racing or poor driving on public roadways.
- Abusive language and behavior will not be tolerated. We want facebook and our events to be fun. If you get ugly with someone, the content will be removed and you'll likely be removed from the group. We kid around a lot here and push the envelope on occasion, but we want this to be fun. We'll try to stay in control if you will too.

## 2008 Machine Silver Z51 -

I unfortunately need to sell my 2008 Machine Silver Z51 C6 with only 9000 miles and would like to find a new owner who would take care of it. I ordered our LS3 C6 from the factory where we took delivery. It has an aftermarket full leather interior (black - same leather as used by Ferrari), 6-piston Wilwood calipers/rotors on all four wheels, NPP exhaust and Bilstein shocks. It also has a beautiful ZR1 hood painted by Stuarts in Dallas.

Bought it when I turned 60 as a retirement gift and never used it due to all of the local road construction (and was later transferred to Houston for 4 years). It has always been garaged and covered. Kenwood navigation, new battery and new Michelin tires. There are not many C6s this in this condition. Thought I would try the clubs first. Car is located in Colleyville. Thanks

Please see the enclosed pictures. The finish is absolutely perfect and you can see reflections in the hood from the walls and ceiling.

Miles: 9,000 miles.

Asking: \$29,500.00
