Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

Road Trips – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

Day Trips – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

Open Road Racing – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

Drag Racing – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

Autocross – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

NCRS – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

Car Shows – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in Dallas Autorama.

Displays and Parades – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

Lone Star Corvette Classic – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

Club Meetings – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

John M. Raiden
President

October was a very busy month for club activities. Members participated in the Eureka Springs Corvette Weekend, Brazos River Corvette Show, Cowtown Vettes Show, Corvettes on the Plaza, the State Fair Corral and the TXFallenPD Tribute Event. Our October club meeting date was changed to the 26th at the request of our sponsor to coordinate with the travelling C8 display that was held at Classic Chevrolet. This allowed those members that did not participate in the 25th NCM Caravan an opportunity to see the Next Generation Corvette. A busy month indeed!

Planning is underway for the 2020 Lone Star Corvette Classic, our annual May event that generates the funds for our annual charity donations to the National Corvette Museum, Speedway Children's Charities and our rotating charity that will be selected in March 2020. We anticipate some changes and adjustments due in part to the reduction of club sponsorship support and a growing concern about the Road Course activity during Track Day. Members of the Classic, Inc. Board will be meeting with our key suppliers over the next couple of weeks and will formulate a plan for the 2020 event. FYI, the Classic dates will be May 22 – 24, 2020, a week later than previous years. So, mark your calendars accordingly and be thinking about how you can help with this club operated 3-day event. The Classic requires a large number of volunteers.

November is the month we honor all Veterans who served in any branch of service. The club will participate in the Dallas Veterans Day Parade on Monday, November 11th. Logon to the LSCC website, check the calendar and sign up to drive a Veteran or contact Rick Herrick directly to volunteer. We drive Veterans from all over the Metroplex and it is truly a rewarding experience.

Since our November club meeting falls on Veterans Day weekend, if you are a Veteran, please consider wearing your uniform, mine sort of fits, or a symbol of your service branch to the club meeting.

We are very fortunate to have The Thompson Group as our club sponsor, think of them for any service on your Corvette. Also, if you are in the market for a new Corvette or other Chevrolet vehicle, contact Jason Foshea or Brian Thompson for a quote, all they ask is a chance to earn your business.

Thanks to our sponsor –

The Thompson Group at Classic Chevrolet

"Good Friends, Great Cars"

First of all, I would like to give a huge thank you to Phil and Kristina Davies for coordinating the fabulous trip to Eureka Springs. We had a great time and I will definitely go back again. If you have not participated in this Corvette Weekend trip before, you are missing out. There are many activities to participate in and everywhere you look, there are corvettes! Thank you to Johnny Downs for leading our group in some of those events. We even placed 2nd for club participation with 31 cars.

As we start to think about the upcoming holidays, keep in mind that our Christmas Party is scheduled for Saturday, December, 7th at the Speedway Club located at Texas Motor Speedway. There will be dinner, dancing and door prizes that include a big screen TV! Be sure to register for this event on the website. The cost is \$35 per person and a block of rooms are available at the Marriott, if you wish to spend the night. Gift of Lights drive-through holiday light display will also be available for your enjoyment. In the past, there has been a caravan of Corvettes that gathered for the fun event just prior to the party.

I am in the process of setting up club meetings for next year and would like your input. If you know of a place that could accommodate us, please let me know. I follow up on everything sent to me and would like to see locations on the east side of the Metroplex. Thank you to the club members that have given suggestions. I truly appreciate it.

Don't forget our next club meeting will be on November 9th at Brookhaven College. Chick-Fil-A will be available for \$10 (wrap, waffle chips and water) on a very limited basis. You may opt to bring your own lunch but please no Styrofoam to adhere to Brookhaven's policies.

Thank you to the Thompson Group for being our sponsor.

Membership in the NCRS Texas Chapter has many benefits such as restoration techniques from professionals, technical information, and publications can assist you in finding rare parts to restore or maintain your Corvette.

As a member of the Texas Chapter, you'll receive a copy of our newsletter, The Tailpipe, which is published quarterly. You also will have access to all the knowledge, help, and advice of other chapter members and the entire NCRS family.

Please visit www.ncrs.org for the complete show for judging schedule and a list of available hotels in the area.

Northwest Regional - August 20 - 22

Redmond, Oregon

Texas Regional - October 22 - 24

The Concours Judging Program is a new venue that allows Corvettes with modifications to participate in the NCRS judging activities. Many of these modified Corvettes are well presented but would not fare well under the traditional Flight Judging system; thus, owners now have an avenue for display and judging. Modified Corvettes will be judged in two categories - Stock Division and Modified Division. The Stock Division offers two awards (Blue Ribbon and Red Ribbon) while the Modified Division also offers two awards (427 Award and 327 Award). Full details on the registration process are not yet available, and I should have them for the next newsletter. Probably both NCRS and LSCC registration will be required.

If you already own a Corvette, or are planning to purchase one and would like to know more about the NCRS and our Texas chapter, feel free to contact us at ncrstx.org.

As we move towards the end of year competitive events are coming to a close. The fall Drag racing season is over and Track events are also slowing down for the winter. Contact Mike Krieger if you are interested in High Performance Driving Events and be sure to check out the ECR, PCA and APEX calendars for their open track days. (More information about HPDE events are at the end of this article and "CLICK HERE.")

The SCCA has a 2-day Targa Rally scheduled for November 9-10 and a Children's Book Run on December 7th. See their website for more details.

We had a great Autocross season, ending with a nice run in October, and with my pretty blue baby leaving on a flat-bed due to a transmission cable issue.

Just because events are nearly over for this year doesn't mean that we can't start thinking about next year. Open Road racing starts on Jan. 1st with registration for the 2020 Big Bend Open Road Race. Please talk to Mike Black, open road racing coordinator and past winner of this event, for more information.

High Performance Driving Education (often known as "Tracking your car"), please talk to Mike Krieger. This is **NOT RACING**, this is legally driving at speed in a very controlled environment. High performance driving education will help you in your everyday driving and on the next spirited drive you take. To be placed on the "Track Hound Newsletter" mailing list and receive information on local HPDE events, [CLICK HERE](#).

As always, please watch our club website for updates and new event listings.

LSCC BIG TRIP 2020

Black Hills Corvette Classic

Yellowstone National Park

Grand Teton National Park

Glacier National Park

July 15, 2020 – July 28, 2020

[Mike & Michele Woolsey](#) - Coordinators

Next year will be the 49th year for the Black Hills Corvette Classic. The Sioux Falls Corvette Club typically expects about 400 Corvettes to attend. Assuming that next year's event is similar to this year's, there will be plenty to see and do at this all Corvette extravaganza including: a banquet, drag racing, autocross, a show and shine, multiple sight-seeing drives including "Breakfast with the Presidents", opportunities to ride the "1880 Train" and more.

Some samples of what you will have the opportunity to see in the Black Hills South Dakota area:

- ☐ The Badlands
- ☐ Wall Drug
- ☐ Mount Rushmore
- ☐ Crazy Horse
- ☐ Devil's Tower
- ☐ Deadwood (Bill Hickok's last stand)

We will depart the Black Hills after the BHCC has concluded and head towards Yellowstone National Park. On the way we will visit the site of Custer's Last Stand (Little Bighorn battlefield). We will make our way to Yellowstone over the incredibly scenic beautiful Bear Tooth Highway and then spend almost 3 days in the greater Yellowstone/Grand Teton National Parks area. The grandeur and breadth of the experience at Yellowstone is almost impossible to describe. From Old Faithful, the Grand Canyon of the Yellowstone, Prismatic Spring to the varied abundance of wildlife it will be an adventure you won't forget. Be sure to get photos of your Corvette with the Tetons in the background. Be sure to visit Jenny Lake in Grand Teton National Park.

The next stage of the trip involves a run north to Glacier National Park. Along the way we will have an extended drive along Flat Head Lake and will plan to stay outside the western entrance to the park. The following day we will have a leisurely drive on the stunning Going to the Sun Road viewing lakes, glaciers, waterfalls and truly magnificent mountain vistas. Bears, mountain goats, and Big Horn Sheep populate the park. Hopefully they will want to see us as much as we want to see them. We are going to take our time, so there will be plenty of opportunities to enjoy short hikes and set up the perfect photo. If you enjoyed Trail Ridge Road, you are going to love this drive.

We will then turn south for the run to Texas. Never fear, there will be opportunities for more sight-seeing. Strap on your tourist smile and bring your camera, we are going to have some fun! More to follow in the coming months.

For those that may not have two weeks:

The full trip will take 14 days, however there will be natural opportunities to head back to the house should you only plan to make a portion of the trip. We will leave on a Wednesday and travel directly to Spearfish, SD where we will check-in Thursday afternoon and kick-off the festivities. The BHCC event is over Saturday night, which would allow Sunday, Monday and Tuesday to reach the DFW area and spend only 1 week on the road. A second opportunity to head back early would be after Yellowstone and before Glacier National Park.

Hotel Reservations:

As usual, blocks of hotel rooms will be made available wherever the vendors will allow.

There is a good chance that we will have to make our reservations early for the Yellowstone and Glacier National Park areas. More information coming soon.

FYI...

LSCC Proposed Bylaw Amendment

Norman Glowicz- Recording Secretary

In May, 2019, LSCC membership voted to move elections to September so as to give time for the new Board of Directors to be oriented in their offices. However, after the bylaw change was voted on and approved, it became apparent that more time was needed after the August meeting for candidates to step forward if they so choose to run for office. Hence, the Board of Directors proposed the change which is set forth below. This change will be voted on by the general membership during the November Business meeting at Brookhaven College. A two-thirds majority of the voting members present is required to make the proposed bylaw change.

PASSED ON 5/11/19

Article VIII, Section D. was amended to read, "Nominations for Officers will be made from the floor by the membership at the July and August business meetings, or in writing to an officer prior to the August business meeting."

Bylaw Amendment to be voted on 11/9/19

Article VIII, Section D would be amended to read, "Nominations for Officers will be made from the floor by the membership at the July and August business meetings, or in writing to an officer ***no later than seven calendar days after the August business meeting.***"

Eureka Springs Corvette Weekend

By Kristina Davies

Phil Davies - Coordinator

LSCC Corvette family enjoyed a wonderful weekend in Eureka Springs. Most of us left from the Oklahoma Visitors Center Thursday morning. LSCC has started so many trips there their staff remembers us coming each spring and fall and was glad to have us! It was extra fun having several first timers on this trip and special efforts were made to make everyone feel welcome and included. We stopped for lunch in Sallisaw and then re-grouped before starting on the Pig Trail so the more spirited drivers could lead the way up the infamous curvy Pig Trail, just a bit too early for fall color but the ride was gorgeous just the same.

We re-grouped again in Huntsville sharing stories of the journey (see below). Thank you to Joe and Gail Carrion and Johnny Downs for leading groups.

After arriving at the Quality Inn, we enjoyed hanging out at the pool in the pleasant mountain air. The next morning several folks joined in the Fuel Economy Run, a few trying to defend their titles from previous years. A few of us did a test drive of the Poker Run to make sure the route directions were correct and clear; what a great drive so we knew the folks would enjoy it come Saturday afternoon!

That evening we met again around the pool to discuss Poker Run details and enjoy drinks and snacks. Mike and Robyn Gray graciously volunteered to coordinate the Poker Run in 2020 so they learned firsthand how things work. Frank and JoAnn Myers also volunteered to coordinate the Eureka Springs trip for LSCC next year so that's terrific news!

Saturday morning the group gathered again to join the car show where the Corvettes are parked by class, which makes it so much easier to vote and compare various modifications and enjoy the personal expression each owner displays! LSCC members helped the National Corvette Museum sell merchandise throughout the weekend and enjoyed connecting with Museum staff spreading Corvette enthusiast good will . Bobby Jo from the Museum shared a few songs and did a great job on the National Anthem! The theme for the weekend was Route 66 so Route 66-themed door prizes were handed out before giving a wonderful tribute to those veterans who've served a wonderful Country!

Forty-nine clubs from eleven states were represented at the Eureka Springs Corvette Weekend and with next year's show being October 1-4 2020.

The awards ceremony followed with LSCC making a great showing:

Club Participation Award

LSCC received second place – 34 cars

After the car show, we rushed off to man our posts for the Poker Run, coordinated by LSCC, and we cannot thank each of the volunteers enough for your help, even though the brief, intense thunderstorm about mid-way through the event! The participants mentioned several times how much they enjoyed the route which is always great to hear. Jimmy Stahr yet again helped determine the best poker hands, which ended up being four queens, four jacks and a king high straight. Each of these teams won plaques for their winning poker hands! Johnny Downs and Phil Davies coordinated in this year and it went well, except for forgetting to do an anti-rain dance!

The Champion's parade that evening was cool but worth the effort to join in with loads of spectators lining the route cheering on all the winners from every category!

From there we went directly to join the Ray and Denice Kaspar coordinated dinner for everyone at La Familia Mexican restaurant (notice Ken Burks in photo on right below). What a great way to end a very busy, full and enjoyable day!!

The weather can vary greatly, and this weekend was no exception. We enjoyed mostly sunny warm weather but even that brief thunderstorm blew through quickly, nothing like the snow/sleet of prior years. It is always a privilege to contribute to an LSCC event and we so appreciate those who've stepped up to take over some of the roles held so long by others!! As I heard during this weekend, you join the Club for the car and stay for the people... "Amen to that!"

Dave Noble - Video

I did something different this year. I did not video every car. I picked from 4 to 10 cars in each generation and give them my Thumbs up award from 1st to 9th or Honorable mention if they were not entered in the show. The video is 55 min. in length. You can move quickly through the video on a computer by clicking under the video on the preset time lines for each Generation from C7 to C1.

Brazos River Corvette Club

14th Annual Corvette Show

Granbury, TX

October 12, 2019

John M. Raiden - Coordinator

Once we decided to move our normal October Club meeting date to the 26th, I agreed to sponsor a trip to Granbury to participate in their 14th annual event, held on the Hood County Courthouse grounds in downtown Granbury. The square was filled with Corvettes, one of their better shows helped out by the Chamber of Commerce weather, a far cry from the rainout last year. We had 25 members sign up and ultimately 20 displayed their cars, a great showing. When the awards were announced, Lone Star missed Club Participation by 1 Corvette, edged out by Cowtown Vettes, the winner for the 8th time. Their live auction of a couple of trips was aided by our old friend Weldon Floyd who stepped up and smoothly moved from participant to auctioneer and no doubt generated some additional funds for People Helping People. With such a strong LSCC showing, we may consider moving our meeting date next year and see if we can unseat Cowtown. On a personal note, as many in the club are aware, I have Personalized Veteran license plates with PHUBAI on them representing where I was stationed in Vietnam. They typically generate comments from other Veterans who were also stationed or passed through the area or benefited from the intelligence my group provided, but this show brought a first. I met a young man who was born and raised in Phu Bai! He has owned a business in Granbury for 15 years and was at the show with his wife and 1st grade son. David Roche, also a Vietnam Veteran and I had a nice chat with them about how their home country has changed in the almost 50 years since we served there.

12th Annual TXFallenPD Tribute Event

Highland Village, TX

October 19, 2019

John Raiden – LSCC President

John Raiden, Tom Rainey, Tweety and Diane Berg participated in the 12th annual TXFallenPD Tribute held at the Shops of Highland Village. TXFallenPD was our 2019 Rotating Charity and received \$5,800.00 from this year's Classic event. This organization provides monetary assistance to the families of Texas fallen officers within 24 hours following an officer's line of duty death. The tribute event is a community activity and includes a 5K run, civilian & police bike race and a police obstacle race. Bicycle police officers from Highland Village, Flower Mound, Frisco, Coppell and other nearby cities participated in the events. Jim Cook, a LSCC member and Deputy Chief of the Coppell PD rode in the civilian bike race. We joined 20 other vendor/sponsors in support of their fund raising that had exceeded \$40,000.00 by the end of the event. At last year's event we picked up a couple new members and this year we provided membership and Classic information to several Corvette owners who indicated they would be joining LSCC.

Corvette ownership is a MANDATORY requirement for membership in BBV. Bad Boy Vettes (BBV) was started like many other groups or communities. A shared interest in the Corvette, friendship, and giving back to the community through charitable causes.

- Although the name suggests men only, that is far from true. The group is open to women and men. This group is inclusive, not exclusive.

- Keep the content about Corvettes. We know you have other cars, motorcycles, boats and toys. If you post a picture that has your Corvette and some other toy, no problem. If you are posting a picture of a toy but there is no visible Corvette, your content will be removed.

- The content here is family friendly. We want the content to be conservative in nature. Any content that is questionable will likely be removed. Use your common sense, please. We know in the summer everyone is running around in flips, bathing suits, etc. Please keep it clean. Politics and other drama have no place here.

- The Bad Boy Vettes name is trademarked (tm). All rights reserved. Any use of the name must be approved by James Williams.

- On the subject of racing, we will remove all content associated with racing on the street. We don't condone that. Track racing is different. Although track racing can be dangerous, we simply don't condone racing or poor driving on public roadways.

- Abusive language and behavior will not be tolerated. We want facebook and our events to be fun. If you get ugly with someone, the content will be removed and you'll likely be removed from the group. We kid around a lot here and push the envelope on occasion, but we want this to be fun. We'll try to stay in control if you will too.

2008 Machine Silver Z51 -

I unfortunately need to sell my 2008 Machine Silver Z51 C6 with only 9000 miles and would like to find a new owner who would take care of it. I ordered our LS3 C6 from the factory where we took delivery. It has an aftermarket full leather interior (black - same leather as used by Ferrari), 6-piston Wilwood calipers/rotors on all four wheels, NPP exhaust and Bilstein shocks. It also has a beautiful ZR1 hood painted by Stuarts in Dallas.

Bought it when I turned 60 as a retirement gift and never used it due to all of the local road construction (and was later transferred to Houston for 4 years). It has always been garaged and covered. Kenwood navigation, new battery and new Michelin tires. There are not many C6s this in this condition. Thought I would try the clubs first. Car is located in Colleyville. Thanks

Please see the enclosed pictures. The finish is absolutely perfect and you can see reflections in the hood from the walls and ceiling.
