## Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

### Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

**Road Trips** – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

**Day Trips** – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

**Open Road Racing** – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

**Drag Racing** – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

**Autocross** – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

**NCRS** – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

**Car Shows** – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in Dallas Autorama.

**Displays and Parades** – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

**Lone Star Corvette Classic** – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

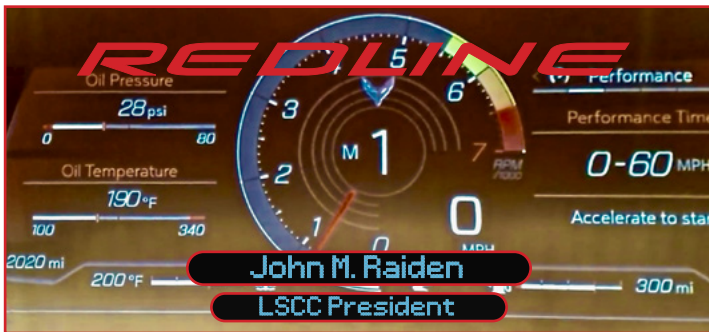

**Club Meetings** – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

John M. Raiden  
President

2020 is turning out to be One Hell of a Year isn't it and I don't mean that as a good thing. Thanks to COVID-19 we have already had to cancel 2 club meetings and it isn't looking all that positive for our June gathering at this moment. We are discussing that situation and more information will come in the form of an email blast.

While some COVID-19 restrictions are being eased, we must be cognizant of our group size and facility limitations as we move forward. Be assured that we will not do anything that would put any LSCC member or guest at risk.

Under normal circumstances we would be celebrating the results of our 31<sup>st</sup> Annual Lone Star Corvette Classic and remembering all the good times and fellowship we shared with fellow Corvette owners from across the country. While we didn't have the 3-day Classic, we are nonetheless working on some short, back road, fun outings around the DFW Metroplex that will serve a dual purpose; they will enable us to get out and drive our Vettes, enjoying the "countryside" and they will help raise needed funds for our charities that we missed when the Classic was cancelled. The May Classic Road Rally went north from The Colony and a planned outing for June will take us to the west of Fort Worth. Hopefully we can put together at least 2 more outings so we can cover all the outlying areas of the Metroplex. A Bug Tussle run might be in the future!

Please continue to heed the advice of the CDC and local entities and take care of yourselves and your families. Wear your masks when out and remember that just because many of the restrictions are being eased, you don't have to dive back in like this "thing" is all over because it isn't. I keep wondering what our new "normal" will look like.

We will continue to keep our members updated on trips as they are rescheduled or cancelled so please check the website frequently.

**BE SAFE!**

**Thank you to our sponsor – The Thompson Group at Classic Chevrolet**

*"Good Friends, Great Cars"*

Who would have thought that the year of 2020 was going to be like this? Quarantined, limiting close contact with others, not shaking hands/hugging, wearing masks and for my daughter, NO GRADUATION! Even though UNT will be rescheduling their ceremony for later this year, we still wanted to celebrate her huge accomplishment and made the most of it. What we use to call "normal" before, will no longer be a thing for quite some time. While restrictions are slowly being lifted, please continue to take all precautions and stay healthy.

Due to the cancellation of our annual Lone Star Classic, we will be scheduling some Classic Road Rally's to raise money for our charities. This will give you the chance to visit with your LSCC friends and drive your Vette for a few hours or so. As we finalize the details, we will send out emails with all the information and post on the calendar. Be sure to keep your eye out for them and sign up. These events will be a great fundraiser for our charities!

With many of the restaurants still not able to hold a large capacity, we are not sure what the future holds for our monthly club meetings. As we come to decisions, we will send emails and update the calendar. Hopefully we will be able to meet soon.

**Everyone stay healthy and be safe!**

**Thank you to our club sponsor – The Thompson Group at Classic Chevrolet**

### Performance Gallery

Hopefully, as you read this, the National Corvette Museum, closed due to Covid-19 restrictions, will have re-opened. With that opening several new or renovated exhibits will be on view for the first time. The most amazing of these is the E. Pierce Marshall Performance Gallery. It is named by major sponsor, LSCC Member Pierce Marshall Jr. in honor of his father.

“We kicked off renovations last November and have been hard at work on the new E. Pierce Marshall Memorial Performance Gallery ever since,” shared Museum Director of Collections / Curator Derek E. Moore. “For those who have visited us in the past, we think they’ll be impressed with the upgrades we’ve been able to make to the space. And for those who have yet to visit, they’ll be equally impressed by technology as advanced as the car it celebrates.”

“We wanted not only a clean look, but also a space that would lend itself to showcasing historic racing videos and stories about each car on display. The concept is to have projection with each car, as well as digital labels that allow visitors to learn more through an interactive experience,” said Moore. “Rather than remove or paint over the existing racing mural, we will install a secondary wall that keeps it protected and intact behind the scenes.”

“Having known there was a time that there was a prospect that the (Corvette) program was going to shut down – it’s almost unfathomable that we are now to the C8. We are to Zora’s dream of having a mid-engine and I’m ecstatic. I hope it will do what GM has been hoping for a long time and that is to bring in younger customers. I think it’s really cool we are doing this renovation to the Museum to have something more interactive, to have something the younger people will appreciate and be able to learn how unique Corvette is, and frankly sports car history.”

### LSCC Trip to NCM Rescheduled

Knocked down twice by Covid-19 restrictions, our club trip to the Museum is not out. First set for the Bash in April, then moved to May, our new departure date is September 1<sup>st</sup>.

With the Bash converted to a virtual event, recognition of LSCC members for their sponsorship of the XP-987GT two rotor Corvette will be held at the 26<sup>th</sup> Anniversary , September 2-5. Other scheduled or possible activities include:

- Corvette Hall of Fame
- Winner's Circle dinner
- C8 Corvette displays
- Hot Laps in the C8
- Plant tours

And much more.

See a more detailed article elsewhere in this LSCC newsletter.

For information concerning anything NCM, contact Johnny Downs 214/384-8565; 903/564-3069 or [ediewoww@aol.com](mailto:ediewoww@aol.com).

## XP-987 GT Recognition Trip has been Re-re-scheduled

### NCM 26th Anniversary Celebration

By P & K Davies

Due to virus and government's continuing request for reduced travel and exposure to large groups, the National Corvette Museum has rescheduled the XP-987 GT Recognition from the end of May to the first of September. The Bash at the end of May is being held virtually so there will be no road trip then. If others are interested in joining LSCC's trip to the National Corvette Museum, please log onto the LSCC website to register; more trip details will follow to anyone who registers on our LSCC website. We're already communicating directly with those who had already signed up for the trip originally scheduled in April, was re-scheduled to end of May and now re-re-scheduled to first of September.

As a reminder, the Museum will give special recognition to LSCC members for their generosity at a reception just prior to the Winners Circle banquet during the 26<sup>th</sup> Anniversary Celebration on Wednesday evening, September 2nd. So if you haven't already registered, please log onto the Club website and look for the XP-987 GT Recognition trip the first of September. The trip outline is:

Depart for Bowling Green, Tuesday, September 1st; stay overnight near Memphis. Arrive Bowling Green September 2nd.

September 2-5 – 26<sup>th</sup> Anniversary Celebration. When we get to the NCM in Bowling Green, we are anticipating plant tours may be an option, a ride in the XP-987 GT for those who are contributing to the XP-987 GT, checking out the C8 convertible, seminars, etc. A special recognition event for those LSCC members who contributed to the XP-987 GT will take place Wednesday evening. Those eligible for Winner Circle will still be invited to that event Wednesday evening.

September 6 – Travel to Little Rock, AR for overnight stay before continuing on to DFW.

## NCM 26TH ANNIVERSARY CELEBRATION, & HALL OF FAME INDUCTION SEPTEMBER 3 – SEPTEMBER 5TH

Every year leading into Labor Day weekend NCM celebrates the Grand Opening of the Museum, by hosting a participant focused event. For 2020, they mark the Museum's 26<sup>th</sup> Anniversary and focus on the people that Corvette has brought together with a look back on the Museum's history while looking forward to the future! Those registered can enjoy the Museum with its many displays. Join up at the NCM Motorsports Park for scheduled touring laps around the road course. The NCM will also offer scenic self-guided road tours, special presentations and seminars, raffles, the annual open Membership meeting and more during this event in honor of your help and support!

Friday evening will be our annual Corvette Hall for Fame Induction ceremony and banquet where we will welcome new members into the prestigious and elite group of recipients who have made significant contributions to the Corvette. The 2020 class will include Doug Fehan, Henry Haga, Mike McCagh and Wendell Strode.

**Those pre-registered for the weekend will receive the event dash plaque and lapel pin, as well as a personalized event badge.**

## Texas Chapter

Ray Kimminau, Coordinator

**Membership** in the NCRS Texas Chapter has many benefits such as restoration techniques from professionals, technical information, and publications can assist you in finding rare parts to restore or maintain your Corvette.

As a member of the Texas Chapter, you'll receive a copy of our newsletter, *The Tailpipe*, which is published quarterly. You also will have access to all the knowledge, help, and advice of other chapter members and the entire NCRS family.

Please visit [www.ncrs.org](http://www.ncrs.org) for the complete show for judging schedule and a list of available hotels in the area.

### Scheduled NCRS Events for 2020

#### **CHECK THE NCRS WEBSITE FOR EVENT CANCELLATIONS OR POSTPONEMENTS**

- North Central Regional - June 11 - 13 **CANCELLED**  
Rochester, Minnesota
- National Convention - July 19 - 23 **CANCELLED**  
French Lick, Indiana
- Northwest Regional - August 20 - 22 **CANCELLED**  
Redmond, Oregon
- Texas Regional - October 22 - 24  
Frisco, Texas

**The Concours Judging Program** is a new venue that allows Corvettes with modifications to participate in the NCRS judging activities. Many of these modified Corvettes are well presented but would not fare well under the traditional Flight Judging system; thus, owners now have an avenue for display and judging. Modified Corvettes will be judged in two categories - Stock Division and Modified Division. The Stock Division offers two awards (Blue Ribbon and Red Ribbon) while the Modified Division also offers two awards (427 Award and 327 Award). Full details on the registration process are not yet available, and I should have them for the next newsletter. Probably both NCRS and LSCC registration will be required.

If you already own a Corvette, or are planning to purchase one and would like to know more about the NCRS and our Texas chapter, feel free to contact us at [ncrstx.org](http://ncrstx.org).

# Competitive Events

Allen Scott, Competitive Events Officer

**Autocross** has been postponed or cancelled until further notice (UFN) due to COVID-19. Brookhaven College has closed the campus. David Orrick says, "Looks like June, July and August Autocross are canceled. Maybe September, October and November will be a go but I'm not sure that they won't go to distance learning for the Fall and keep the campus closed. Guess we will see what happens."

**Drag Racing** has been postponed or cancelled UFN due to COVID-19. Martha Kaus reports that all of the local tracks are closed indefinitely. As soon as this changes we will let you know.

**Open Road Racing** has been postponed or cancelled UFN due to COVID-19. The Big Bend event has been postponed. I believe that the event may be rescheduled. Contact Mike Black for more information.

**Rally** has been postponed or cancelled UFN due to COVID-19.

**HPDE** has been postponed or cancelled UFN due to COVID-19. HPDE coordinator Mike Krieger is also idled at this time. To be placed on the "Track Hound Newsletter" mailing list and receive information on local HPDE events, [CLICK HERE](#).

## LSCC Classic Charity Run 2, June 20<sup>th</sup>

[Mike Krieger](#) - Run Master

The next club Charity Road Rally will be on Saturday, June 20, starting at Buc-ee's across from TMS and 35W; sign in will start at 9AM, drivers meeting at 9:30 (if we need one), First car out at 10:00. You will have the option of doing your own thing at your own speed or get together with a few friends and drive the tour as a group. Directions will be pretty simple so if you can't scare-up a navigator, no problem.

We will be touring the less populated west side of Fort Worth this time, overall driving time and mileage will be very close to the first Charity Run; just under 150 Miles and 3 hours' drive time. There will be less lights and city traffic to contend with; I have found several miles of a really cool Corvette road (FM 4) to keep it interesting and if the rain keeps up, we will have lots of wildflowers along the way. For those who would like to chow down at the end of the trip, we will gather at Babe's Chicken Dinner House (Granbury). Right now, Babe's is seating tables of 6; by the date of this run, they could be seating larger tables.....either way, just grab a few club members and go for it!

Check the club website calendar to sign up; like the last tour, a donation of \$25 will be charged per car; this can be paid on the website with a credit card. Your donation is tax deductible and will go toward the LSCC Classic Charity's. Donations are even excepted if you cannot participate in the driving event.

Hope to see all of you drivers on the 20<sup>th</sup>!

# LSCC BIG TRIP 2020

Black Hills Corvette Classic

Yellowstone National Park

Grand Teton National Park

Glacier National Park

**Cancelled / Postponed until 2021**

[Mike & Michele Woolsey](#) - Coordinators

Next year will be the 49<sup>th</sup> year for the Black Hills Corvette Classic. The Sioux Falls Corvette Club typically expects about 400 Corvettes to attend. Assuming that next year's event is similar to this year's, there will be plenty to see and do at this all Corvette extravaganza including: a banquet, drag racing, autocross, a show and shine, multiple sight-seeing drives including "Breakfast with the Presidents", opportunities to ride the "1880 Train" and more.

Some samples of what you will have the opportunity to see in the Black Hills South Dakota area:

- ☐ The Badlands
- ☐ Wall Drug
- ☐ Mount Rushmore
- ☐ Crazy Horse
- ☐ Devil's Tower
- ☐ Deadwood (Bill Hickok's last stand)

We will depart the Black Hills after the BHCC has concluded and head towards Yellowstone National Park. On the way we will visit the site of Custer's Last Stand (Little Bighorn battlefield). We will make our way to Yellowstone over the incredibly scenic beautiful Bear Tooth Highway and then spend almost 3 days in the greater Yellowstone/Grand Teton National Parks area. The grandeur and breadth of the experience at Yellowstone is almost impossible to describe. From Old Faithful, the Grand Canyon of the Yellowstone, Prismatic Spring to the varied abundance of wildlife it will be an adventure you won't forget. Be sure to get photos of your Corvette with the Tetons in the background. Be sure to visit Jenny Lake in Grand Teton National Park.

The next stage of the trip involves a run north to Glacier National Park. Along the way we will have an extended drive along Flat Head Lake and will plan to stay outside the western entrance to the park. The following day we will have a leisurely drive on the stunning Going to the Sun Road viewing lakes, glaciers, waterfalls and truly magnificent mountain vistas. Bears, mountain goats, and Big Horn Sheep populate the park. Hopefully they will want to see us as much as we want to see them. We are going to take our time, so there will be plenty of opportunities to enjoy short hikes and set up the perfect photo. If you enjoyed Trail Ridge Road, you are going to love this drive.

We will then turn south for the run to Texas. Never fear, there will be opportunities for more sight-seeing. Strap on your tourist smile and bring your camera, we are going to have some fun! More to follow in the coming months.

**For those that may not have two weeks:**

The full trip will take 14 days, however there will be natural opportunities to head back to the house should you only plan to make a portion of the trip. We will leave on a Wednesday and travel directly to Spearfish, SD where we will check-in Thursday afternoon and kick-off the festivities. The BHCC event is over Saturday night, which would allow Sunday, Monday and Tuesday to reach the DFW area and spend only 1 week on the road. A second opportunity to head back early would be after Yellowstone and before Glacier National Park.

**Hotel Reservations:**

As usual, blocks of hotel rooms will be made available wherever the vendors will allow.

***There is a good chance that we will have to make our reservations early for the Yellowstone and Glacier National Park areas. More information coming soon.***

**UPDATED**

[P & K Davies](#) - Coordinators

**Revise or mark your calendars** for this road trip! Tri-City Corvette Club has rescheduled their 26<sup>th</sup> annual show to Oct 9-12, 2020. This will be LSCC's second year attending this great show (smiling faces of last year's group shown above )! We'll leave Friday, Oct 9th, and caravan via back roads through the East Texas piney woods stopping in Nacogdoches for lunch and then on to the Holiday Inn (HI) located in Beaumont, TX. Friday night Tri-City Corvette Club hosts a Hospitality Night, providing free food and drink. This show is great because once you unpack, you're there; the show is in the hotel parking lot. On Saturday morning, we will get up and do final prep to our cars for the car show. In addition to the car show, there is a Valve Cover Race available for those interested, door prizes, cash prizes, a chance to WIN a [NEW 2020 Corvette Stingray](#) (Compliments of MOORE GM) and a FREE Photo Plaque with a picture of your car.

Sunday morning, Oct 11th, you will be free to head home, or as an add-on for those who have the time, we'll head to Galveston via a ferry from the mainland to the island, exploring Galveston's sites and enjoying local seafood. We'll spend the night before heading out Monday morning for the Houston Space Center, if you like. We visited the Space Center last year but didn't get enough time there so we're heading back to see other exhibits and the Mission Control Room, which was under construction last year.

# Houston Space Center

Please Log-into the LSCC website's, go to the calendar and sign up for the Tri City trip if you're interested in coming along for this great adventure! We will be in touch via email as we finalize the trip details.

## Classic Road Rally #1 Hit the Road!

By Phil & Kristina Davies

The first of several Classic Road Rallies was a huge success. It was scheduled for same day of the planned 2020 LSCC Classic Car Show and despite foul weather the night before, 38 Corvettes ventured out on the scenic rural Texas countryside north of DFW within spitting distance of Oklahoma through the Red River Valley and back to Plano for gourmet ice cream. After pre-running the route multiple times, it was a huge relief to hear folks didn't get lost. The route took everyone through horse and cattle country, many small towns, near Ray Roberts Lake and past other interesting sites for about 170 miles. Folks enjoyed a stop near Gainesville for a bite to eat including fried pies ending up at Handel's Ice Cream in Plano. Some fun questions for the navigators were included and it was super fun to hear how much they enjoyed the visual scavenger hunt; there were lots of correct answers, but Krysta Wagner won the prize for getting them ALL correct!

It was great to have so many new faces join us and hope many more are able to participate in the next Rally scheduled for June 20<sup>th</sup>. Check out the LSCC website in the near future to sign up.

We cannot thank Johnny Downs enough for his support, time and route idea given he lives in this neck of the woods. Thanks again to John Raiden, Michele Woolsey and John Main for helping behind the scenes enabling this event to get publicized and donations processed. A special thank you to the 55 members of the LSCC family who donated \$1,575 toward LSCC Classic charities as a result of this event.

The whole point of the Rally was to get help make up for the loss of donations due to the cancelled LSCC Classic event scheduled in mid-May and of course to get out of the house! Also several folks wore red, white and blue in honor of Memorial weekend. Thanks to all for your adventurous spirit, support, appreciation and participation!!

# Always 16 Birthday Corvette Parade

By Norm Glowicz

Kathy & Loren Davidson

Loren and Kathy Davidson wish to thank LSCC for providing Corvettes to celebrate their Granddaughter's 16th Birthday. The Davidson's are the newest LSCC members and Joe Carrion, Membership Officer, was there to present them their memberships. Loren reached out earlier this month to organize a Corvette Parade for Alivia who is turning 16. Phil Key stepped up and got the word out. In Phil's words, "This is just the excuse for a little road trip." Twelve Vettes paraded by to her complete surprise and wished her a very Happy Always 16th Birthday.

## 2015 C7 Coupe -

This is the first Corvette that I ordered to my specs. I designed it to fulfill my every driving experience. From the highly visible black stripes, LT2 option and Z51 package to the painted carbon fiber ground effects, heads up display, magnetic ride, PDR and blue-tooth, 3M tinting and 3M film over all vulnerable areas. Tires are at 7/32nds. This car has been to Alaska and averaged just over 28 mpg. It has done 0-60 in 3.2 seconds.

There are 37,500 miles on this car and comes with a 4 year full coverage (except wear and tear) ALLY warranty good for more than 4 years, thru May 2024 and an additional 75,000 miles. This is a beautiful eye catching car. You will love it. My C-8 order was just processed and 3 Corvettes are to many for my wife. The options on this car made the sticker price at \$81,000. and it can be yours with a Warranty for \$42,900. If you desire a previously enjoyed C7 and do not want the worries that come with buying someone else's used car, give me a call.

Miles: 37,500 miles.

Asking: \$42,900.00

Contact: Barry Rimler 940-262-0370.
