**CANCELLED**

301 Stockyards Blvd  
Fort Worth, TX 76164

## Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

### Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

**Road Trips** – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

**Day Trips** – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

**Open Road Racing** – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

**Drag Racing** – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

**Autocross** – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

**NCRS** – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

**Car Shows** – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in Dallas Autorama.

**Displays and Parades** – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

**Lone Star Corvette Classic** – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

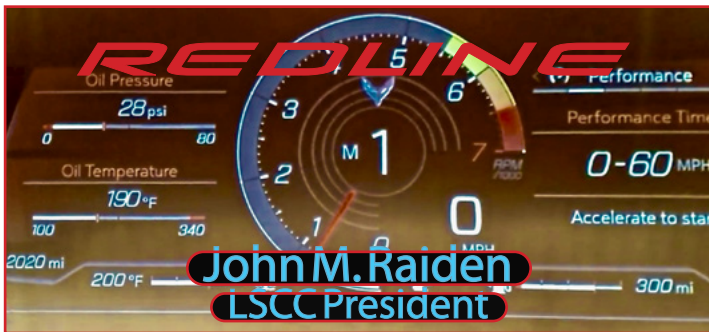

**Club Meetings** – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

John M. Raiden  
President

## Happy 4<sup>th</sup> of July!

After having a relatively moderate Spring, Mother Nature decided that after all this is Texas and turned on the heat. I was hopeful that we could have another mild month before it got hot.

Club Officer nominations will take place during the July & August meetings or in writing (email or letter) to a Club Officer no later than 7 calendar days after the August business meeting. All officer positions are open for nominations, but several current officers have termed out, meaning they have served their maximum number of terms and cannot run for re-election. Position descriptions are in the Bylaws that can be accessed on our website or if you need more information, contact any current or past board member. As a large, diverse club I am confident that we have many members with the talent and energy to benefit the Club. The future of LSCC needs you and your fresh perspectives. This is your club, we need our members to take an active role in its management, please get involved, volunteer your talents and consider running for one of our officer positions.

After not having a Club meeting for a couple of months, it was good to finally get together at Shuck Me in Fort Worth in June. I was a little disappointed that our "social distancing" practices were a bit lax. While many state and county COVID-19 restrictions are being eased, the Metroplex is seeing a jump in the number of cases being reported and I hope we haven't reopened too soon or just dropped our good practices. We must continue to be cognizant of our group size and facility limitations, as we move forward with future monthly meetings. Be assured that we will not do anything that would put any LSCC member or guest at risk.

Our Classic Road Rally #1 held on May 23 was a big success in spite of early morning storms that impacted our area. We had 38 participants and raised over \$1,600.00 for our Classic Charities. Road Rally #2 was held on Jun 20 with 60 participants and raised an additional \$1,525.00 for charity. We are considering additional rallies in July and August so keep checking the Club website. These outings serve a dual purpose; enabling us to get out and drive our Vettes, and they help raise needed funds for our charities that we missed when the Lone Star Corvette Classic was cancelled.

BE SAFE!

Thank you to our sponsor – The Thompson Group at Classic Chevrolet

## Happy 4<sup>th</sup> of July!

As we continue with our new "normal", we all seem to be making the most of it. Our meeting in June went well even though we had about half of the normal attendance. Many members had positive feedback and were glad to get back to a routine. As we move forward, we will continue to monitor the CDC guidelines for our monthly meetings, update our calendar and send emails to all members with the information as it becomes available.

While many of our summer events have been cancelled/rescheduled to a later date, you still have a chance to a small getaway.

Little Trip to Fredericksburg

July 15<sup>th</sup> – 19<sup>th</sup>

More detailed information can be found on the website calendar but remember that you have to be logged into your account to view.

Want to be a voice on the board? Perhaps you should consider being a board member. Talk to a board member if you have any questions. Nominations will be taking place in our July and August monthly meetings and election will happen in September. This will give you time to shadow the current board member through the end of the year and then start your term in January 2021. Brief descriptions of Officer Duties can be found in June's newsletter.

Don't forget our July Meeting will be held July 11<sup>th</sup> at Cooper's Old Time Pit Bar-B-Que in the historic Fort Worth Stockyards.

**Everyone stay healthy and be safe!**

**Thank you to our club sponsor – The Thompson Group at Classic Chevrolet.**

**NCM News**Open and Running!

The Corvette assembly plant reopened and began production on May 26, completing 15 cars that day. It should have ramped up to full speed, yielding 90 cars per day, by the time you read this.

The NCM opened for tours on June 8. In the first week they welcomed 1,440 visitors.

The café and store had previously opened. The NCM Motorsports Park resumed operations June 1.

## XP-987 GT Recognition Trip has been Re-re-scheduled

### NCM 26th Anniversary Celebration

By P & K Davies

Due to virus and government's continuing request for reduced travel and exposure to large groups, the National Corvette Museum has rescheduled the XP-987 GT Recognition from the end of May to the first of September. The Bash at the end of May is being held virtually so there will be no road trip then. If others are interested in joining LSCC's trip to the National Corvette Museum, please log onto the LSCC website to register; more trip details will follow to anyone who registers on our LSCC website. We're already communicating directly with those who had already signed up for the trip originally scheduled in April, was re-scheduled to end of May and now re-re-scheduled to first of September.

As a reminder, the Museum will give special recognition to LSCC members for their generosity at a reception just prior to the Winners Circle banquet during the 26<sup>th</sup> Anniversary Celebration on Wednesday evening, September 2nd. So if you haven't already registered, please log onto the Club website and look for the XP-987 GT Recognition trip the first of September. The trip outline is:

Depart for Bowling Green, Tuesday, September 1st; stay overnight near Memphis. Arrive Bowling Green September 2nd.

September 2-5 – 26<sup>th</sup> Anniversary Celebration. When we get to the NCM in Bowling Green, we are anticipating plant tours may be an option, a ride in the XP-987 GT for those who are contributing to the XP-987 GT, checking out the C8 convertible, seminars, etc. A special recognition event for those LSCC members who contributed to the XP-987 GT will take place Wednesday evening. Those eligible for Winner Circle will still be invited to that event Wednesday evening.

September 6 – Travel to Little Rock, AR for overnight stay before continuing on to DFW.

## NCM 26TH ANNIVERSARY CELEBRATION, & HALL OF FAME INDUCTION SEPTEMBER 3 – SEPTEMBER 5TH

Every year leading into Labor Day weekend NCM celebrates the Grand Opening of the Museum, by hosting a participant focused event. For 2020, they mark the Museum's 26<sup>th</sup> Anniversary and focus on the people that Corvette has brought together with a look back on the Museum's history while looking forward to the future! Those registered can enjoy the Museum with its many displays. Join up at the NCM Motorsports Park for scheduled touring laps around the road course. The NCM will also offer scenic self-guided road tours, special presentations and seminars, raffles, the annual open Membership meeting and more during this event in honor of your help and support!

Friday evening will be our annual Corvette Hall for Fame Induction ceremony and banquet where we will welcome new members into the prestigious and elite group of recipients who have made significant contributions to the Corvette. The 2020 class will include Doug Fehan, Henry Haga, Mike McCagh and Wendell Strode.

**Those pre-registered for the weekend will receive the event dash plaque and lapel pin, as well as a personalized event badge.**

## Texas Chapter

Ray Kimminau, Coordinator

**Membership** in the NCRS Texas Chapter has many benefits such as restoration techniques from professionals, technical information, and publications can assist you in finding rare parts to restore or maintain your Corvette.

As a member of the Texas Chapter, you'll receive a copy of our newsletter, The Tailpipe, which is published quarterly. You also will have access to all the knowledge, help, and advice of other chapter members and the entire NCRS family.

Please visit [www.ncrs.org](http://www.ncrs.org) for the complete show for judging schedule and a list of available hotels in the area.

### Scheduled NCRS Events for 2020

#### CHECK THE NCRS WEBSITE FOR EVENT CANCELLATIONS OR POSTPONEMENTS

- National Convention - July 19 - 23 **CANCELLED**  
French Lick, Indiana
- Northwest Regional - August 20 - 22 **CANCELLED**  
Redmond, Oregon
- Texas Regional - October 22 - 24  
Frisco, Texas

**The Concours Judging Program** is a new venue that allows Corvettes with modifications to participate in the NCRS judging activities. Many of these modified Corvettes are well presented but would not fare well under the traditional Flight Judging system; thus, owners now have an avenue for display and judging. Modified Corvettes will be judged in two categories - Stock Division and Modified Division. The Stock Division offers two awards (Blue Ribbon and Red Ribbon) while the Modified Division also offers two awards (427 Award and 327 Award). Full details on the registration process are not yet available, and I should have them for the next newsletter. Probably both NCRS and LSCC registration will be required.

If you already own a Corvette, or are planning to purchase one and would like to know more about the NCRS and our Texas chapter, feel free to contact us at [ncrstx.org](http://ncrstx.org).

# LSCC BIG TRIP 2020

Black Hills Corvette Classic

Yellowstone National Park

Grand Teton National Park

Glacier National Park

**Cancelled / Postponed until 2021**

[Mike & Michele Woolsey](#) - Coordinators

Next year will be the 49<sup>th</sup> year for the Black Hills Corvette Classic. The Sioux Falls Corvette Club typically expects about 400 Corvettes to attend. Assuming that next year's event is similar to this year's, there will be plenty to see and do at this all Corvette extravaganza including: a banquet, drag racing, autocross, a show and shine, multiple sight-seeing drives including "Breakfast with the Presidents", opportunities to ride the "1880 Train" and more.

Some samples of what you will have the opportunity to see in the Black Hills South Dakota area:

- ☐ The Badlands
- ☐ Wall Drug
- ☐ Mount Rushmore
- ☐ Crazy Horse
- ☐ Devil's Tower
- ☐ Deadwood (Bill Hickok's last stand)

We will depart the Black Hills after the BHCC has concluded and head towards Yellowstone National Park. On the way we will visit the site of Custer's Last Stand (Little Bighorn battlefield). We will make our way to Yellowstone over the incredibly scenic beautiful Bear Tooth Highway and then spend almost 3 days in the greater Yellowstone/Grand Teton National Parks area. The grandeur and breadth of the experience at Yellowstone is almost impossible to describe. From Old Faithful, the Grand Canyon of the Yellowstone, Prismatic Spring to the varied abundance of wildlife it will be an adventure you won't forget. Be sure to get photos of your Corvette with the Tetons in the background. Be sure to visit Jenny Lake in Grand Teton National Park.

The next stage of the trip involves a run north to Glacier National Park. Along the way we will have an extended drive along Flat Head Lake and will plan to stay outside the western entrance to the park. The following day we will have a leisurely drive on the stunning Going to the Sun Road viewing lakes, glaciers, waterfalls and truly magnificent mountain vistas. Bears, mountain goats, and Big Horn Sheep populate the park. Hopefully they will want to see us as much as we want to see them. We are going to take our time, so there will be plenty of opportunities to enjoy short hikes and set up the perfect photo. If you enjoyed Trail Ridge Road, you are going to love this drive.

We will then turn south for the run to Texas. Never fear, there will be opportunities for more sight-seeing. Strap on your tourist smile and bring your camera, we are going to have some fun! More to follow in the coming months.

**For those that may not have two weeks:**

The full trip will take 14 days, however there will be natural opportunities to head back to the house should you only plan to make a portion of the trip. We will leave on a Wednesday and travel directly to Spearfish, SD where we will check-in Thursday afternoon and kick-off the festivities. The BHCC event is over Saturday night, which would allow Sunday, Monday and Tuesday to reach the DFW area and spend only 1 week on the road. A second opportunity to head back early would be after Yellowstone and before Glacier National Park.

**Hotel Reservations:**

As usual, blocks of hotel rooms will be made available wherever the vendors will allow.

***There is a good chance that we will have to make our reservations early for the Yellowstone and Glacier National Park areas. More information coming soon.***

Ask anyone who has worked any of the previous Mecum events and you will be sure to hear what a "BLAST" it was - especially if they got the chance to drive a car across the block while the auction was being broadcast on the NBCSN channel. # NORTH TEXAS CORVETTE ROUNDUP

September 18-19, 2020

[Johnny Downs](#) - Coordinator

These are strange times. Many Corvette events have been cancelled. There is great concern about participation in future events. Because of that, please see the letter below about the Roundup.

LSCC Friends,

As of now, WCCA is moving forward with plans to host the NTCR this September 18-19, 2020.

The number of pre-registrations we receive will determine whether or not we will cancel this year's event.

A final decision will be made on August 1, 2020.

If the event is cancelled, and you have sent in pre-registration fees, you will be given a full refund.

So, get those registrations in!

Please feel free to share this information.

We look forward to seeing everyone in September.

Chad Brownlow

WCCA President

For 34 years LSCC members put the trip to the Roundup in Wichita Falls at the top of their "must do" list. The show ceased to exist after 2011 but has been back in force for the last four years. The folks at WCCA have seen to it that great fun has been had by all. As evidence LSCC has had over 25 cars at the show four years running.

If you have not been with us to a Corvette show, this is the perfect place to start. It is barely over 100 miles to the show. So join us and caravan on Friday, come on your own Friday evening or Saturday morning. You can easily make it before the show opens.

One of the greatest things about the show is that the entire event is held at the Holiday Inn. You never have to leave the property.

A Friday night "feed" and social activities at the convention center kick off the show weekend. The awards dinner and auction will also be held there Saturday night. The car show will fill the day Saturday with food trucks on premises to satisfy your hunger and thirst.

Tentatively, we will have three caravan assembly points on Friday. The first two will depart at 2:00 p.m. One will leave the TMS parking lot just south of the south Tunnel and Speedway Club. The second will meet at the Shell station on the north side of US 28 in Lindsay, about four miles west of I-35. A third group will assemble at the roadside park just north of Decatur on US287. There they will join the group from TMS as they come by about 2:30. All three groups will then combine at the Jolly Truck Stop, just outside Wichita Falls, to caravan to the hotel.

The hotel always fills to capacity, so it is imperative to make a reservation now at the:

This will be LSCC's second year attending this great show (smiling faces of last year's group shown above )! We'll leave Friday, Oct 9th, and caravan via back roads through the East Texas piney woods stopping in Nacogdoches for lunch and then on to the Holiday Inn (HI) located in Beaumont, TX. We'll spend the night before heading out Monday morning for the Houston Space Center, if you like. # Charity Road Rally #2 - I Spy Scavenger Hunt

[Mike Krieger](#) - Run Master

Thank you for making Rally II such a great success! I hope everyone enjoyed today's drive through the countryside and lunch at the end if you elected to partake. I'm sure those of you who participated in (and lived through) the Scavenger Hunt, are all wondering how well you did and/or "where in the H%\$! was that photo taken"?! Well, I have attached my master answer sheet plus all the photos in the correct order with a brief description of each photo location.

Personal notes; I can't believe how many people spotted the tow truck and missed the Bear! I used the old "watch my right hand while I pick your pocked with the left". For instance, the right hand turn in Graford; as you were concentrating on the stop and turning right, photo "U", Best Steakhouse in Texas was on your right..... Yes, I'm sneaky!

More than half the scores were above 70% correct with 10 people scoring over 20. We had a 5 way tie for second place.....this is where Terri and I got creative; we went back to our old bowling days where we counted consecutive strikes to break a tie. So applying the same concept using the number of correct consecutive photos, we have come up with the final results;

Congratulations to the following Scavenger Hunt winners; please enjoy dinner (or at least a coke) on Terri and me.

First Place, \$50 Gift Card to Outback Steakhouse goes to Team Countryman. Please give a hand to one of LSCC's newest members, Jason & Jennifer - CONGRATS!

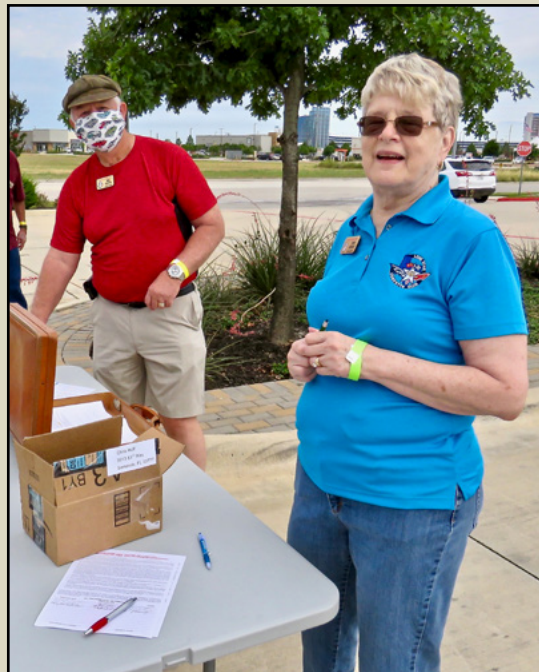

Second place, \$25 Gift Card to Outback Steakhouse goes to Team Mendez, Ellie & Marlene - Congrats.

Third place, \$10 Gift Card to the same place goes to Team Johnson & Wagner, congrats to Rodney and Krysta.

I hope to see all of you on Charity Rally III,

Mike Krieger

## Charity Road Rally #2 - I Spy Scavenger Hunt

On Saturday, July 20th LSCC held it's second Charity Road Rally. Rally participants met at the Buc-ee's near Texas Motor Speedway and ended in Granbury. Along the way driver's and navigators alike were treated to some beautiful scenery, rolling hills & clear skies.

## Charity Road Rally #2 - I Spy Scavenger Hunt

Good morning and welcome to round II of our fun fund raising, car tripping events. As I have stated before, this is NOT a race, no awards or extra points will be given to the person(s) who completes the route first. There are minimal stop lights and several sections of .....be safe and enjoy the ride!

1. You should have downloaded or printed out the route directions prior to arriving this morning. If not, take TX-114 west through Paradise to Bridgeport, take US 380 west to FM4 (in Jacksboro), then stop when you get to Granbury.
2. Attached to the GI's are several photo's for you to look for on the route; yes boys and girls, this is a Scavenger Hunt! All photos can be seen from your car while in route to the finish.
3. Place the letter of each photo on the score sheet in the order in which they appear while driving on the route starting with #1 and finishing with the last photo seen on route at #24.
4. To help all of you, I have made up a 5 work Acronym using the photo letters of what I believe will be the most difficult to spot. Just remember; "O' Sure Happy It's Thursday"! Hope this helps.....
5. On your printed directions there are a few turns that are highlighted. Use caution here or you will miss a route (turn) sign....."Word Up".
6. I listed a few Bio Stops; they are not mandatory stops, use as needed. There are also several places to stop between the start and Bridgeport; feel free to use any you see.
7. Place your name on the scoresheet below and turn it in at the parking lot (Finish Line) in Granbury. A tie breaker question(s) will be asked as you turn your sheet in (clues maybe found in the GI's).

# LSCC supports local gourmet ice cream shop's grand opening!

By Phil & Kristina Davies

It was a warm balmy evening in Plano June 28<sup>th</sup> when about 25 LSCC Corvettes and their owners showed up to support Handel's Ice Cream Shop's grand opening. You can see the physical distancing by those captured in this photo. Folks were able to come and go throughout the evening and it was wonderful to see so many faces, many of which we haven't seen in months! We arrived around 6:00 and enjoyed the outdoor "Lot Lizard" type party until around 9:30; thanks to all who came!

We invited another car club, the Morning Maniacs, which added several unique vehicles to the show. One young family ate dinner in the back of their pickup so they could enjoy the show from their "box" seats! The ice cream was delicious, but the fellowship was the sweetest! Thanks again y'all for joining us!
